Political Allegory in Late Medieval England Ann W. Astell, 2002-01-01 Ann W Astell here affords a radically new understanding of the rhetorical nature of allegorical poetry in the late Middle Ages She shows that major English writers of that era among them William Langland John Gower Geoffrey Chaucer and the Gawain poet offered in their works of fiction timely commentary on current events and public issues Poems previously regarded as only vaguely political in their subject matter are seen by Astell to be highly detailed and specific in their veiled historical references implied audiences and admonitions Astell begins by describing the Augustinian and Boethian rhetorical principles involved in the

invention of allegory She then compares literary and historical treatments of key events in fourteenth and fifteenth century England finding an astonishing match of allusions and code words especially those deriving from puns titles heraldic devices and personal cognizances as well as repeated proverbs prophecies and exempla Among the works she discusses are John Ball's Letters and parts of Piers Plowman which she presents as two examples of allegorical literature associated with the Peasants Revolution of 1381 Gower's allegorical representation of the Merciless Parliament of 1388 in Confessio Amantis and Chaucer's brilliant literary handling of key events in the reign of Richard II In addition Astell argues for a precise dating of Sir Gawain and the Green Knight between 1397 and 1399 and decodes the work as a political allegory *Sexless in the City* Anna Broadway,2008-04-15 Anna Broadway's Sexless in the City blog has become a popular Internet destination attracting readers with its amusing tales of romantic misadventures and candid far from prissy reports on the difficulties of trying to reconcile Christian beliefs with the mores and temptations of the modern world In SEXLESS IN THE CITY Broadway offers a lighthearted yet unflinching look at the realities of life as a twentysomething urbanite She writes about her youthful ambition of writing or editing bodice rippers struggles with debt and loneliness the pleasures and perils of meeting men in singles bars and other urban outposts and about her friendships with women searching as she is for a good man to spend the rest of their lives with Guided by her trust in God and the teachings of the Bible Broadway navigates romantic entanglements with the Harvard Lickwit Hippie the Groper Ad Weasel 5 Percent Man and various others who wander in and out her life but never into her bed As Broadway discovered romance novels don't quite prepare you for love in the real world For Christian women looking for guidance through the land of contemporary romance SEXLESS IN THE CITY is the ideal place to start

Cardinal The resultant memoir is a classic picture of an adult experiencing one's childhood roots as a grown up and testing whether one can ever truly go home again Bauer grew up awkward with soil and with machines in a small town east of Des Moines As a teenager he left the farm for college life twenty miles away and after graduation took a job with Better Homes and Gardens in Des Moines writing in the junk mail fictional persona of Barbara Joyce asking millions of people to subscribe After a few years he moved to Chicago to work as an editor and writer for Playboy and eventually as a freelance journalist In the summer of 1975 he returned home to attend his grandmother's funeral and by autumn he moved back to Prairie City where he stayed for the next three seasons Bauer's book is neither a wistful nostalgia about returning to a simpler time and place nor a patronizing look at those who never leave the town in which they were born What emerges is an unsentimental yet loving account of life in the Midwest Not just a portrait of Prairie City Iowa but of everyone's small town everywhere
