God Sky Land Genesis 1 As The Ancient Hebrews Heard It:

God, Sky and Land Brian S. Bull, Fritz Guy, 2011 In *God Sky Land* theologian Fritz Guy and scientist Brian Bull take us back more than three thousand years and re create Genesis 1 as it was heard by its original audience With their unique retro translation based explicitly on the Hebrew text and dubbed the Original Hearers Version they lead us into the world of Genesis 1 that the post Exodus Hebrews knew Guy and Bull explore the explanatory concepts of the ancients and the ones we have added in the millenniums since Most useful to the science theology debate the authors show how unhelpful it is to place modern scientific demands on an ancient text The authors affirm that Genesis 1 is God s truth but does not and could not include all of the truth we have been given since then They steer us away from trying to inject Genesis 1 into scientific debate and back to the rock solid truth it reveals about God [Spes Christiana 2020-02](#) Reinder Bruinsma, 2021-01-12 *Spes Christiana* is the journal of the European Adventist Society of Theology and Religious Studies EASTRS It contains articles from all subdisciplines of theology Biblical Studies Church History Systematic Theology Practical Theology and Mission Studies as well as auxiliary disciplines Major fields and themes of publication include all that are either related to Adventism in Europe or researched by European Adventist scholars [Ellen Harmon White](#) Terrie Dopp Aamodt, Gary Land, Ronald L. Numbers, 2014 In America as in Britain the Victorian era enjoyed a long life stretching from the 1830s to the 1910s It marked the transition from a pre modern to a modern way of life Ellen White s life 1827 1915 spanned those years and then some but the last three months of a single year 1844 served as the pivot for everything else When the Lord failed to return on October 22 as she and other followers of William Miller had predicted White did not lose heart Fired by a vision she experienced White played the principal role in transforming a remnant minority of Millerites into the sturdy sect that soon came to be known as the Seventh day Adventists She and a small group of fellow believers emphasized a Saturday Sabbath and an imminent Advent Today that flourishing denomination posts twenty million adherents globally and one of the largest education hospital publishing and missionary outreach programs in the world Over the course of her life White generated 50 000 manuscript pages and letters and produced 40 books that have enjoyed extremely wide circulation She ranks as one of the most gifted and influential religious leaders in American history and Ellen Harmon White tells her story in a new and remarkably informative way Some of the contributors identify with the Adventist tradition some with other Christian denominations and some with no religious tradition at all Taken together their essays call for White to be seen as a significant figure in American religious history and for her to be understood her within the context of her times *Historical Dictionary of the Seventh-Day Adventists* Gary Land, 2014-10-23 Seventh day Adventism was born as a radical millenarian sect in nineteenth century America It has since spread across the world achieving far more success in Latin America Africa and Asia than in its native land In what seems a paradox Adventist expectation of Christ s imminent return has led the denomination to develop extensive educational publishing and health systems Increasingly established within a variety of

societies Adventism over time has modified its views on many issues and accommodated itself to the delay of the Second Advent In the process it has become a multicultural religion that nonetheless reflects the dominant influence of its American origins This second edition of Historical Dictionary of the Seventh Day Adventists covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries on key people cinema politics and government sports and critics of Ellen White This book is an excellent access point for students researchers and anyone wanting to know more about Seventh day Adventism

Wow, I Want What They Have! Pastor K. Bruce Brown, 2022-12-22 We cannot relate to a spirit God a spirit Savior a spirit Uncle and a spirit enemy without embracing the spirit world This book coined the phrase Earth life Bias ELB to identify the enemy's work in our daily lives and illustrate how most believers just add our Abba Father as an accessory to this life instead of becoming citizens of Heaven and members of his Family This book illustrates how pervasive ELB is in every aspect of our lives without criticizing any person organization or denomination They all serve our Abba Father's purpose and all have Romans 10 in their Holy Bibles which shows us how to avoid the fiery pit The rest of the Scripture is about our relationships Esoteric knowledge of the Scripture is for scholars we need to apply it to our lives After revealing the ELB in our lives we explain how to escape it by embracing the supernatural divine spirit world and how the godly control system the heart mind spirit soul connection with the Holy Spirit Jesus and our Abba Father works With that foundation we show how build our faith relationships and marriages converting for better or worse to sanctified marriage with vows to our Abba Father to do it his way There is also a section on Daniel

which brings our Abba Father into modern times explains what is taking Jesus so long to get here and answers a lot of questions about end times This section is work but it is a giant faith builder as you will see But regardless of where we worship we are individually responsible for own relationship with our Abba Father and this book will help any believer grow their faith and experience the full joy peace and glory our Abba Father created for us *The Bible, Rocks and Time* Davis A.
