God In Chinatown God In Chinatown:

God in Chinatown Kenneth J. Guest, 2003-08-01 An insightful look into the central role of religious community in the largest contemporary wave of new immigrants to New York Chinatown yet *God in Chinatown* is a path breaking study of the largest contemporary wave of new immigrants to Chinatown Since the 1980s tens of thousands of mostly rural Chinese have migrated from Fuzhou on China's southeastern coast to New York's Chinatown Like the Cantonese who comprised the previous wave of migrants the Fuzhou have brought with them their religious beliefs practices and local deities In recent years these immigrants have established numerous specifically Fuzhounese religious communities ranging from Buddhist Daoist and Chinese popular religion to Protestant and Catholic Christianity This ethnographic study examines the central role of these religious communities in the immigrant incorporation process in Chinatown's highly stratified ethnic enclave as well as the transnational networks established between religious communities in New York and China The author's knowledge of Chinese coupled with his extensive fieldwork in both China and New York enable him to illuminate how these networks transmit religious and social dynamics to the United States as well as how these new American institutions influence religious and social relations in the religious revival sweeping southeastern China *God in Chinatown* is the first study to bring to light religion's significant role in the Fuzhounese immigrants dramatic transformation of the face of New York's Chinatown

Earth's space but something strange happened. What? The long-haired middle-aged man's hair fluttered without wind; his two thick eyebrows furrowed tightly. **Reclaiming God's Original Purpose for Your Life** Myles Munroe, 2012-06-19. Why are you here? When words fail, the perfect film might be just what you need to jump-start your conversations with the Almighty. *Contemporary History of Cantonese Migrants in Yokohama Chinatown* Yee Lam, Elim Wong, Tai Wei Lim, 2021-01-11. This book vividly portrays the past, current, and future development of Yokohama Chinatown through the context of its Cantonese residents grounded through a family history. It is useful for both academic and non-academic readers who are interested in migration history, transformation of urban spaces, anthropological perspectives of integration of immigrants, diasporic studies, and overseas Chinese studies. It is informative when considering the role of immigrant communities in the world today in the context of globalization, stimulating cross-border movements, and anti-globalization forces that act as push and pull factors for migration. It is also a study of harmonious integration of the overseas Chinese community in Yokohama and its ability to retain its own cultural traits, rights, rituals, traditions, and dialect language in one of the most homogenous countries in the world. This increases the attractiveness of Yokohama City in terms of ethnic diversity, cosmopolitan multiculturalism, and urban space renewal. *Chinatown and China City in Los Angeles* Jenny Cho, Chinese Historical Society of Southern California, 2011. By 1900 the Chinese population of Los Angeles City and County had grown to over 3,000 residents who were primarily situated around an enclave called Old Chinatown. When Old Chinatown was razed to build Union Station, Chinese business owners led by Peter SooHoo Sr. purchased land a few blocks north of downtown to build New Chinatown. Both New Chinatown and another enclave called China City opened in 1938 but China City ultimately closed down after a series of fires. *Of Gods and Monsters* John T. Soister, 2015-09-18. City of Gods R. Scott Hanson,2021-05-20 This study of a New York neighborhood s remarkable religious diversity deserves a place alongside Robert Orsi s *The Madonna of 115th Street* Publishers Weekly starred review Known locally as the birthplace of American religious freedom Flushing Queens in New York City is now so diverse and densely populated that it s become a microcosm of world religions *City of Gods* explores the history of Flushing from the colonial period to the aftermath of September 11 2001 spanning the origins of the settlement called Vlissingen and early struggles between Quakers Dutch authorities Anglicans African Americans Catholics and Jews to the consolidation of New York City in 1898 two World s Fairs and finally the Immigration Act of 1965 and the arrival of Hindus Sikhs Muslims Buddhists and Asian and Latino Christians A synthesis of archival sources oral history and ethnography *City of Gods* is a thought provoking study of religious pluralism Using Flushing as the backdrop to examine America s contemporary religious diversity and what it means for the future of the United States R Scott Hanson explores both the possibilities and limits of pluralism Hanson argues that the absence of widespread religious violence in a neighborhood with such densely concentrated diversity suggests that there is no limit to how much pluralism a pluralist society can stand The book is set against two interrelated questions how and where have the different religious and ethnic groups in Flushing associated with others across boundaries over time and when has conflict or cooperation arisen Perhaps the most extreme example of religious and ethnic pluralism in the world Flushing is an ideal place to explore how

America's long experiment with religious freedom and pluralism began and continues. City of Gods reaches far beyond Flushing to all communities coming to terms with immigration religion and ethnic relations raising the question of whether Flushing will come together in new and lasting ways to build bridges of dialogue or further fragment into a Tower of Babel. A delightful journey through American religious history and into the future as witnessed in the streets of what the author says is the most religiously diverse community anywhere America. Volunteers' Gazette, 1909 **Spatula**, 1920 **Telephone Review**, 1919 *Christian Advocate*, 1918 **Paper Fan**
Terry Gould, 2010-08-06 For 14K Triad official Steven Wong faking his own death to escape trial was easy. But evading investigative reporter Terry Gould impossible. For 11 years Terry Gould has tracked the man known as the paper fan through the organized crime circles of six countries. This riveting horrifying yet often hilariously funny book is the story of that search, a daredevil journey through the seductions and terrors of Steve's world. Steven Wong is the paper fan, a thirty-nine year old Hong Kong born mobster. Raised in New York's Chinatown, he matured into crime in Vancouver where he founded and headed the murderous Gum Wah Gang in the late 1980s and early 90s. In 1992 Wong died in a traffic accident in a remote area of the Philippines before he could be sent to jail for heroin trafficking conveniently just after he'd taken out a million dollar life insurance policy. His urn may still be interred in a Vancouver cemetery but today Interpol has a Red Alert arrest warrant out for Wong and his updated file reads like a Hollywood action film, a post mortem panorama of organized criminal adventure that circles the Pacific Rim from Macau to Japan from Cambodia to the Philippines. Gould's search takes him into a world in which politicians, police, businessmen and criminals sprint along in one big pack, sometimes nipping each other's heels, sometimes licking each other's faces and sometimes inviting one another back home for all night mah jong parties. Forced to work according to right side up rules, honest cops haven't had a chance of arresting Steve in his upside down world. Four times Terry Gould has traced Steven Wong through Asia's circles of corruption and pinned him down but the law has let him slip away. Fifth time lucky. Gangsters are good team players who generally exhibit a locker room familiarity with other men. Still it surprised me when Steve answered the door on Monday wearing only his polka dot boxers, showing off his biceps and his chest tattooed with the winged dragons and sharp taloned eagle. He was talking on the phone and barely interrupted himself as he turned back into the house whereupon I realized that the display was likely done on purpose. Neck to waist his back was totally covered by a stylized tableau of a dragon crawling against a background of tigers and flowers, a Triad montage no one outside his syndicate world was supposed to see from Paper Fan.
