The visible hand of God; or The miracles, signs, and wonders which have occurred in the past dealings of God with the nation of Israel Robert Roberts, 1884 Hearing God's Voice: Towards a Theology of Contemporary Pentecostal Revelatory Experience Tania M. Harris, 2023-09-25 The revelatory experience or in common parlance hearing God s voice is prized by Pentecostal Charismatic Christians for its contribution to spirituality yet remains one of the most problematic areas of church life Theological tensions and pastoral fallout have plagued the experience since the time of the New Testament Drawing on the tools of practical theology this book presents the findings of a unique and ground breaking study among Australian Pentecostals With a theological framework modelled on New Testament practice and undergirded by the accountability of the local church many of the problems associated with revelatory experience can be addressed and the experience fully harnessed for kingdom purpose From Death to Life Esther O. King, 2018-10-26 This book is fascinating and unique It is from the depths of the heart of our heavenly Father of the heart of America and of the heart of the Philippines This book is about the stories that must be read for the glory of God From the beginning and to the ending of this book it is about the exciting glory of God and his power that will bring inspiration within your soul This is an extraordinary and unforgettable treasure from heaven filled with hope love healing restoration deliverance confidence blessings wisdom knowledge and his revelation Esther is the one who breaks the ground being a child living in the poorest country of the Philippines and being a brave woman coming to America Her true story is a living testimony and her experience is from the heart of pain fear

hopelessness suffering persecution abandonment poverty and even death And because of God's grace and mercy she turned the brokenness of her spheres into hope love and faith Her life changed from being defeated to becoming a victor And at the end she experienced the joy the beauty and the triumph victory of God over her life Instead of hate her heart is filled with love and forgiveness for those who hurt and afflicted her Esther experienced the love and the glory of God with many signs wonders and miracles in her life It shows that God is real and that he is alive within her soul She has passion to pray for those who have been afflicted and have many various diseases She was doing the will of God over her life God performed miracles for her by bringing her back from death to life Through battling the cancer she saw the work of the Great I Am who rescued her and by the grace of God she is still standing She was transformed from darkness to light from slavery to freedom from mourning to joy God radiated his glory over her as she walked with him God is the only one who can navigate her This book will make and create a higher ground of his power over your life God's fire and the essence of his word will cultivate and make your whole world upside down for his glory By reading this book your life will never be the same It will transform you
