Gods Promise And The Future Of Israel:

God's Promise and the Future of Israel Don Finto, 2006-01-13 God's promise and timing have intersected in our day. Witness the Jewish return to Israel, the rise of Messianic Jewish believers, and the shifting of the church's power center from the West to Asia, Africa, and Latin America, the fastest growing segments of the Body of Christ in our day. This has brought about many questions as the church comes to grips with these sweeping changes. What does Scripture say about the future of the nation of Israel? What is right and wrong about the Messianic Jewish movement? Where do the Arab nations fit in to God's plan? How does this all affect the church, and how can the church fulfill its role in this end-time scenario? Don Finto explores these questions and shows how to navigate the new landscape in this illuminating book. **The People, the Land, and the Future of Israel** Darrell L. Bock, 2014-09-10 What does the Bible teach about the role of the Jewish people and the nation of Israel today? What is God's plan for the future of Israel and the neighboring countries? How can believers in Jesus be part of God's peace process in the Middle East? *The People, the Land, and the Future of Israel* walks through the Bible's account of the role of Israel and the Jewish people both now and in the future. Each contributor offers a profound insight into God's unfolding plan and purpose for the nation of Israel as the Scripture depicts them. Readers will gain a deeper understanding of both current and future events in the Middle East as described in both the Hebrew Scriptures and the New Testament. Features an extensive foreword by best-selling author Joel Rosenberg who addresses the question: Will there ever be peace for Israel and her neighbors? Each chapter includes a scannable QR code that links to a short video introduction by the author of that chapter introducing its topic. Discussion questions in each chapter aid book group and classroom discussion. *God's Promise and the Future of Israel* Don Finto, 2006-01-13 God's promise and timing have intersected in our day. Books by Christian writers Hal Lindsey and the Left Behind series by Tim LaHaye and Jerry B. Jenkins have brought it into popular consciousness, raising many questions: Will Israel be built and established again as a mighty, holy nation fulfilling their mission as a channel of blessing to other nations? How should we understand the prophecies of the Old Testament about Israel's promised recovery in the Promised Land? What is the role of the rapture in these events? Pastor Jan Voerman answers these questions from the teachings about Israel of Jesus and Paul and the Old Testament prophecies, fitting all the pieces.

together to see a beautiful consistent picture of God's intention for His chosen people Voerman's conclusions may be surprising for some and will challenge the thinking of many more For all who appreciate the Word of God this is a rich and consistent study on the conditional nature of prophecy and the role of the Gentiles in the restoration of Israel under the New Covenant *The Future of Israel* Devin Sper, 2004 GROUNDBREAKING VISION FOR THE FUTURE OF ISRAEL REPLACING THE FALSE PEACE PROCESS OF TODAY WITH A NEW DECISIVE COURSE OF ACTION THAT WILL SECURE ISRAEL'S FUTURE The Arab Israeli conflict is of a national and ultimately a religious nature and not a simple land dispute It cannot be solved by giving away land while the underlying cause of Arab hostility remains unchallenged In his new book THE FUTURE OF ISRAEL Devin Sper scholar and passionate Zionist offers a timely examination of Israel's current crisis and answers the increasingly desperate question Where does Israel go from here In THE FUTURE OF ISRAEL Sper explains Why pursuing the peace process is not in Israel's interest Why both the cause of and the solution to Israel's problems and historical Jewish suffering are one in the same The three things Israel must do immediately to insure her survival and provide security for her people How and why a small fringe group hijacked Judaism and led the Jews to one tragedy after another Sper maintains that Israel is today without a vision of her future her economy is in shambles and her people in despair Their hopes for peace have collapsed and there is a complete vacuum of ideas among Israel's leaders on a new direction which will lead the country out of her seemingly endless tragedy To end two millennia of Jewish suffering Sper argues Israel must reverse the course her leaders chose at Oslo and resume a commitment to the accumulation of Jewish power she began so promisingly in 1948 Sper presents a vision culminating in Israel as a major power and lays out a long term plan for achieving this goal Only by making this journey argues Sper can a permanent end to Jewish suffering be realized With its radical new vision for the future of Israel and the Jewish people based on a remarkably realized plan for a country in turmoil The Future of Israel is the rightful heir to Theodore Hertzl's ground breaking The Jewish State Sper bases his new vision on an ancient and once mainstream Jewish philosophy It is a dynamic Judaism flowing from the Bible itself a Judaism unafraid to engage and challenge the world which the ancient historian Josephus called the Fourth Philosophy Sper explains how the abandonment of this genuine form of Judaism has led to centuries of tragedy for the Jewish people and why a return to this authentic Jewish philosophy is the only path to a secure Jewish future Meticulously researched and compellingly argued this brilliant and original work boldly reinterprets Jewish history and theology to offer the Jewish people and Israel a strategy to reclaim its place as a great nation

Heirs of Promise P. Chase Sears, 2015-11-20 How did the Apostle Paul view the Church And where does Israel fit in How are the promises to Israel fulfilled In Heirs of Promise P Chase Sears discusses this relationship between the Church and Israel and he explains how that affects our understanding of the Old Testament Using a biblical theological approach to the book of Romans Sears argues that Paul understood the church not as a replacement of Israel but as the new Israel the continuation of Israel reconstituted in Christ And Jesus as the Son of God is the true Israel who fulfills all of God's purposes

for Israel and creation Sears shows how the Old Testament promises to Israel are being fulfilled in the Church

The Praxis of Suffering Rebecca S. Chopp, 2007-03-16 Liberation and political theologies have emerged powerfully in recent years interrupting the way in which First World Christians both experience and understand their faith Through an analysis of the cultural and ecclesial contexts of these theological movements as well as a critical examination of four of their principal exponents Gustavo Gutierrez Johann Baptist Metz Jose Miguez Bonino and Jurgen Moltmann the author demonstrates that political and liberation theologies represent a new model of theology one that proffers a vision of Christian witness as a praxis of solidarity with suffering persons

Israel's Glorious Future Harold A. Sevens, 1996

The Future Restoration of Israel Stanley E. Porter, Alan E. Kurschner, 2023-06-02 This volume is the most extensive of its kind as a major set of collected essays from a wide range of scholars on the question of the promises of God to Israel These essays put forward the position that unconditional promises were given to Israel which have not been fulfilled in the church or any other entity At the consummation there will be a continuing role for the Jews realized through their national and territorial hope of a restored redeemed Israel This volume contains an eclectic group of contributors who have reached this position from various approaches to interpretation The essays exhibit both positive argumentation and engagement with supersessionist literature

Your People Shall Be My People Don Finto, 2001-02-01 Your people shall be my people and your God my God Ruth 1 16 Like Ruth in the Old Testament every Gentile believer has come out of the land of famine and into the spiritual realm of abundance in the name of Jesus But unlike Ruth we have turned our backs on the Jewish people the relatives of the Messiah We need to confess personally and corporately on behalf of the Church for centuries of persecution of the Jewish people looking in these days for every opportunity to bless and not curse them Once again Israel and her people are center stage at a crucial moment in world history and this book shows why the Church must effect reconciliation and why our prayers are vital in this hour If we will make the same covenant pledge to Israel that Ruth made to Naomi the Church will never be the same

The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church Michael J. Svigel, 2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with *The Fathers on the Future* as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this *The Fathers on the Future* uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaean premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology *The Fathers on the Future* includes these key features Restores historical perspective Recovers the forgotten roots of early

Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions The Fathers on the Future begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective **The Pentateuch** Prof. Terence E. Fretheim, 2010-10-01 In this volume Terence E Fretheim seeks to introduce the Pentateuch to modern readers stressing its continuing capacity to speak a word of or about God The two chapters of Part One provide an orientation to the critical study of the Pentateuch and present a proposal for reading the Pentateuch in terms of its rhetorical strategy That strategy Fretheim argues is designed in such a way as to have a certain effect upon its readers most basically to shape their faith and life The five chapters of Part Two focus on the individual books that comprise the Pentateuch

Future Israel Barry E. Horner, 2007 Future Israel Why Christian Anti Judaism Must Be Challenged is volume three in the NEW AMERICAN COMMENTARY STUDIES IN BIBLE THEOLOGY NACSBT series for pastors advanced Bible students and other deeply committed laypersons Author Barry E Horner writes to persuade readers concerning the divine validity of the Jew today based on Romans 11 28 as well as the nation of Israel and the land of Palestine in the midst of this much debated issue within Christendom at various levels He examines the Bible s consistent pro Judaic direction namely a Judeo centric eschatology that is a unifying feature throughout Scripture Not sensationalist like many other writings on this constantly debated topic Future Israel is instead notably exegetical and theological in its argumentation Users will find this an excellent extension of the long respected NEW AMERICAN COMMENTARY **A Theological Introduction to the Old Testament** Prof. Walter Brueggemann, Prof. Bruce C. Birch, Prof. Terence E. Fretheim, David L. Petersen, 2011-12-01 This book has become a standard text in seminary and university classrooms The purpose of this second edition is to help readers come to a critically informed understanding of the Old Testament as the church s scripture This book introduces the Old Testament both as a witness of ancient Israel and as a witness to the church and synagogue through the generations of those who have passed these texts on as scripture The authors of this volume share a commitment to the interpretation of the Old Testament as a central resource for the life of the church today At the same time they introduce the Old Testament witness in a manner that honors the importance of biblical scholarship in helping students engage the variety of theological voices within the Old Testament This second edition gives special attention to deepening and broadening theological interpretations by including

for example issues related to gender race and class It also includes more detailed maps and charts for student use

Trinitarian Ontology and Israel in Robert W. Jenson's Theology Sang Hoon Lee,2016-11-02 Can Christian theology overcome its long standing supersessionism without diluting its Trinitarian faith Can Christian faith remain genuinely Christian when it fails to recognize the covenantal significance of the Jews In his later career leading Trinitarian theologian Robert Jenson s theology moves in a post supersessionistic direction That said the conceptual nexus between his Trinitarian theology and his post supersessionism is not always patent on the surface of his texts In this book Lee traces the post supersessionistic development of Jenson s Trinitarian theology and uncovers the reasons why Jenson s Trinitarian theology sets out to embrace the existence of the Jews This book seeks to show that Jenson s revisionary historicized carnalized hermeneutical and eschatological Trinitarian ontology allows for genuine confession of the eternal triune God as the God of Israel and that it thereby lays a firm basis for a properly Christian post supersessionism **Preliminary biblical studies**
