The Attributes of God Volume 1 A. W. is one of hope belief and determination demonstrating how one's humble beginnings do not determine their future **A God of Principle** David E. Webb,2009-05 Why do bad things happen to seemingly good people Why does God allow Christians to go through storms others don't What is meant by God's principle of opposites Why does God answer prayer at a time that is least expected What was the secret in David's heart that attracted and drew God What are principles Christians can learn that attract and move God What is the culture in Heaven What is time in Heaven What is God's No Fly Zone where everyone is safe from all spiritual attacks What's ahead what goal is God steadily and confidently moving toward The answers might surprise you All these and many more of God's principles are discussed in detail in this book These were just some of the questions the author had when he was diagnosed with advanced stage cancer only a year after he became a Christian He was delivered from this illness but he remained troubled because he lived while many others did not Over 30 years passed Then seemingly overnight God answered and led the author to principles He works by A book was never planned But as the author began to write he found three major principles Over a three year period the author felt inspired to add supporting principles under each of the main principles The author then began to see a pattern in the principles where each supported the other And when combined these principles taught the author how God works using some or all of the principles in every life situation All the principles are carefully supported by scripture God would also reveal to the author how these principles began when he was orphaned at three years old immediately at his mother's death and without his knowledge As the author gave over to God the final desires of his heart God gave back to him answers that had been a mystery about his mother and how God was moving to bring an unexpected spiritual homecoming with her This book was written to give you peace and understanding as you go through trials Our sovereign God is at work in your life many times without your knowledge www.GodOfPrinciple.com *Are You There God? Pierre,2022-11-03 The Great Book of Poems is a wide collection of poems written over a number of years The poems focus on everything under the moon and sun There are a wide variety of poems in this book about spirituality love life death good times and bad The author hopes that each reader will find at least one poem that they feel was written personally for them Never set limitations on yourself but most importantly never let other people set limitations for you Your life itself is a great poem that you are writing daily Live Laugh Love but most importantly know your worth and find your true purpose *God And The Western World* George Hayes,2019-01-30 This book was inspired by God It brings God s activities on behalf of Earth s citizens from the shadows of history into illumination God s mastery over the universe is brought to life from the Big Bang to modern times A plausible theory is put forth regarding how God has employed His tools only recently discovered but little understood by scientists dark matter and dark energy to create and sustain the universe as we know it God s book this book is a compliment to His Bible from which it differs in that for today s intelligent humans it explains how God advanced creation and evolution After summarizing key portions of the Bible this book focuses sequentially upon God s activities in Roman times the Dark Ages Medieval times Renaissance times Colonial times and the rise of the United States through the big wars up to modern times God led us through every period or we would not have reached these times as we are today God used the West to advance the entire planet as all Earth was afforded the opportunity to know Jesus Christ God s unseen struggles are summarized in the final chapter but there are much more in depth presentations of God s tools dark matter and dark energy containing preliminary information on how to develop necessary communications to initiate their use by mankind to save Earth God sees we are in imminent danger of flooding coastal areas worldwide because of the greenhouse gasses resulting from long over use of fossil fuels and subsequent melting of glaciers and icecaps The author posits that by leading us through the millennia to our current level of understanding and through this very book God has prepared us to partner with Him to save our civilization from devastation **Over the Top** Kay D. Rizzo,2012-09 A collection of devotional readings and Bible verses for each day of the year After 50 Years of Ministry Bob Russell,2016-05-13 If I had my entire life to live over I d choose to be a preacher again It s been extremely rewarding and gratifying But I could do ministry a lot better if given a second try As I look back on my forty years at Southeast Christian Church in Louisville KY I wish I had a mulligan This book lists seven things I d do differently and seven I d do about the same They are written in hopes they ll be a source of encouragement for those growing weary and losing heart I pray my observations will inspire others to conclude If he can do it I can too In this book I share both the joys and sorrows of my ministry both the successes and failures I m going to be as transparent as possible in hopes that it will encourage ministers to stand firm in the faith and be faithful unto death If just one minister is motivated to pick up the sword of the Spirit and re enter the battle it will be well worth the effort Bob Russell *Ryan's Rock* David L. The Left Boot of Fellowship Second Edition K B Napier,2018-10-22 This book is based on my PhD Theol dissertation At the time it was completed computers were not generally available so all research was done in academic and general libraries This is why I added Part B hence this is the Second Edition which contains more available modern sources The book looks at the need for a doctrine of disfellowship excommunication because few local churches comply with God and scripture on the matter though it is urgently needed Most churches are mixed and therefore not legitimate according to God s word Any church that mixes the ekklesia saved men and women and unsaved are bound to have trouble and lower standards of belief And those who commit serious public sins MUST be dealt with both to satisfy God s commands and also to stop such ones infecting the congregation with sinful words and actions At times this disfellowship must be summarily applied when the issue is serious enough In days of darkness and evil this is vital as part of general discipline

,1927 **So Help Me God** Andrew Venn,2017-02-24 For many decades mankind has become more conscious and responsible about the need to recycle It is my belief that mankind itself has been recycled since the creation of the world but who am I to declare that Im not a professor of science neither am I somebody who is familiar or should be with a padded cell I am merely a young all right middle aged man that experienced near death but survived to tell his story of his world and visions witnessed seen while in a coma the relevance of them now and my thoughts about our future existence I do not have delusions neither am I a fantasist I am as sane as the next man you ask my pet elephant Mind you it depends on who the next man is Reliving my story has been very intriguing and interesting and it has developed in me a greater understanding and appreciation of life Previously unexplainable imagery seen while in a coma was later recognized But how can I survive this

and in what condition will I emerge The thoughts and ideas that I express are not intended to offend and I apologize to anyone who is offended by my words I am certainly not a preacher neither do I seek pity **The Teacher's Bible Commentary** H. Franklin Paschall, Herschel H.
