Gods Will But My Choice Uncut Raw Christian Fiction:

God's Will But My Choice TIMM KNIGHT, 2015-04-28 God's Will But My Choice by Timm Knight is an emotional urban drama about a 14 year old boy named Tim Stewart on the cusp of adulthood trying to find his true self. Although Tim is good in academics he feels the pressure of his run down Clarksville neighborhood to keep his thug like appearance up. He is constantly getting into trouble fighting in the streets but now wants to start a non violent gang with his best friends. However is there any such thing as a non violent gang? Tim's life is further complicated by his manipulative and self serving stepmother Sunny who's goal seems to be to drive him and his father apart. While hanging out in the park one day Tim and his friends confront Darius, an extremely jealous school rival. Moreover this encounter lets him know that danger is on the way. Tim has dreams of becoming a young legit businessman but with his foe getting in the way will his dreams ever come true? Feeling overwhelmed and hopeless Tim decides to make a change and takes off for the big city looking to start his life anew. What he doesn't see coming is that you can't always leave the past behind. And his sudden acts of defiance will hurt those he loves the most. No matter how far Tim tries to run or what trouble he gets into God's will is always stronger than his choices or is it? God's Will But My Choice is a gritty yet touching coming of age story about how the urban streets are changing the lives of young black boys soon to be young black men. In a story that's both relatable and entertaining readers will not soon forget this honest portrayal of the streets. *The Athenaeum*, 1868 **New York Times Saturday Review of Books and Art**, 1968 Presents extended reviews of noteworthy books, short reviews, essays, and articles on topics and trends in publishing, literature, culture, and the arts. Includes lists of best sellers, hardcover, and paperback. **The Beast's Burden** Paula Carroll, M. G. Dixon, 2013-02 Only God can rescue you now. You are trapped until he sends someone to free you or he decides to do it himself, which I doubt so you may be here for a while. Satan replied, I am not done by a long shot, we will meet again and next time I will destroy you. Marion Garfield made the ultimate deal with God. In return for release from jail, he would do anything the Lord instructed him to do. Although he had not been a religious man before, God chose him to carry out his plan to save mankind. Now Marion has been given the alter ego of The Warrior and he has the Lord's power to bring Satan's rampage to a fiery end. But Marion isn't sold on his conviction to become The Warrior. He meets the beautiful Pamela and now risking his life for mankind doesn't seem as important as surviving to be with her. God has granted each man the blessing of free will, which means Marion has a choice. He can reject the Lord's employment and run away with Pamela or he can risk his life by fulfilling God's plan. Should he risk his life and lose the one he loves? Or risk the rescue of mankind, hoping God will find another? Authors Mike and Paula Dixon take you on a wild ride through the garden of Eden and the flaming furnaces of hell in this magnificent story of what it truly means to be a superhero. **The Beast's Burden** **God's Little Finger** E. R. Bridgman, 2015-09-30 God's Little Finger The Trilogy is Science fiction meets Christian fiction meets real life with humor, romance, anger, frustration, and aggravation and a healthy dose of what a Christian is supposed to be and to do. Biblical truths

and prophecy are injected at few and various times but are bold in their deliveries and the book's main message. The book is about 95% conversational between Johnathan Edward David O Brannon and among Johnathan his mother Sylvia wife Angela and most of the other characters that are within John's universe. Like his last name implies he is Irish and a wee bit on the hot headed side. He also had a strange unknown power when he was a child from age 5 to puberty then it disappeared as quickly as it arrived. Within the very first days of January 2021 he is very belligerent at an alien entity when it approached and called out to him and they have a lively conversation. The alien is not an alien but God. Then The Power returns into his DNA. Then things really heat up. There is a lot of wranglings and twists in his life from a military viewpoint of his inventions to meeting an old friend who becomes his wife. Space travel and bases and orbiting stations then present themselves near the end for the future of mankind. Only God has the final resting place and powers in and through His Spirit to change and rejuvenate human bodies. Johnathan tells his wife Angela Religion will not save us. Only the relationship offered by God to us through his Son our Lord and Savior Messiah God Jesus will save us. *No Other Choice* Paula Rose Michelson, 2016-10-26 While hiding two secrets that would be her undoing Naomi journeys from adolescence to womanhood from frightened isolation and captivity to the noble status of heiress. Trapped in a life where all who know her think her a saint saddled with a mission and responsibilities few would agree to Naomi marries to sidestep more issues and the couples tangled web escalates for neither are what they seem to be making this inspirational family faith saga one women love. EDITORIAL REVIEW A faith based read about love life and forgiveness. There are things we are commissioned to do in our Christian walk but life choices can make these things seem to be pushed far back and our fleshy desires forefront.
