Gods Doodle The Life And Times Of The Penis:

God's Doodle Thomas Hickman, 2013-10-29 You will be impotent with both laughter as you read this remarkably entertaining and informative look at the male organ down through the ages undeniably funny Booklist Throughout history man has revered his penis as his most precious ornament From small to large thick to thin smooth to wrinkled Thomas Hickman lets the history of this mystery hang out for all to see Offering discussion of ancient literatures and mathematical quandaries of possible positions such as Greece s the lion on the cheese grater which still keeps scholars in a twist It is a stiff subject but we easily settle in with the likes of Bill Clinton Michelangelo s David and Shakespeare as they followed their heads If you were to wrap your hands around anything less than two inches it should be God s Doodle a brilliant history of the penis that hits the topic right on the head It reaches through time and looks at how the penis trended long before one was ever posted on Twitter A well researched dryly witty and worthwhile read Salon Tom Hickman tells the story of its ups and downs with enthusiasm and a mostly straight face The Economist

God's Doodle Tom Hickman, 2012-11-01 Throughout history man has revered his penis as his most precious ornament Yet ambivalently his penis has always been the source of man s deepest neuroses too Do women find it in the erect state inherently ridiculous Why can t a man be certain his penis will stand and deliver when he commands If and when it steadfastly refuses what can he do to remedy the situation And then of course there s the matter of size To possess a penis Sophocles said is to be chained to a madman God s Doodle examines the schizophrenic relationship between man and this madman and the joint relationship this odd couple has with the female sex God s Doodle is the tale of the penis and the ups and downs of history the macabre and the bloodcurdling the funny and the sad distilled from myth world cultures religion literature science medicine and contemporary life all told with mordant wit

War! What Is It Good For? Ian Morris, 2014-04-15 A powerful and provocative exploration of how war has changed our society for the better War What is it good for Absolutely nothing says the famous song but archaeology history and biology show that war in fact has been good for something Surprising as it sounds war has made humanity safer and richer In War What Is It Good For the renowned historian and archaeologist Ian Morris tells the gruesome gripping story of fifteen thousand years of war going beyond the battles and brutality to reveal what war has really done to and for the world Stone Age people lived in small feuding societies and stood a one in ten or even one in five chance of dying violently In the twentieth century by contrast despite two world wars Hiroshima and the Holocaust fewer than one person in a hundred died violently The explanation War and war alone has created bigger more complex societies ruled by governments that have stamped out internal violence Strangely enough killing has made the world safer and the safety it has produced has allowed people to make the world richer too War has been history s greatest paradox but this searching study of fifteen thousand years of violence suggests that the next half century is going to be the most dangerous of all time If we can survive it the age old dream of ending war may yet come to pass But Morris argues only if we understand what war has been good for can we know where it will take us next Praise for War What Is It Good For Morris s pace is perfect his range dazzling his phrasemaking fluent his humor raucous A rattling good book Felipe Fernandez Armesto The Wall Street Journal Ian Morris s evidence that war has benefited our species albeit inadvertently is provocative compelling and fearless This book is equally horrific and inspiring detailed and sweeping lighthearted and dead serious For those who think war has been a universal disaster it will change the way they think about the course of history Richard Wrangham coauthor of *Demonic Males* and author of *Catching Fire* A disturbing transformative text that veers toward essential reading Kirkus Reviews starred review

Chained to a Madman Tom

Hickman,2014-11-06 Throughout history man has revered his penis as his most precious ornament Yet ambivalently his penis has always been the source of man s deepest neuroses too Do women find it in the erect state inherently ridiculous Why can t a man be certain his penis will stand and deliver when he commands If and when it steadfastly refuses what can he do to remedy the situation And then of course there s the matter of size To possess a penis Sophocles said is to be chained to a madman Chained to a Madman examines the schizophrenic relationship between man and this madman and the joint relationship this odd couple has with the female sex Chained to a Madman is the tale of the penis and the ups and downs of history the macabre and the bloodcurdling the funny and the sad distilled from myth world cultures religion literature science medicine and contemporary life all told with mordant wit **The Hands of the Living God** Marion

Milner,2010-09-13 At once autobiographical and psychoanalytic The Hands of the Living God first published in 1969 provides a detailed case study of Susan who during a 20 year long treatment spontaneously discovers the capacity to do doodle drawings An important focus of the book is the drawings themselves 150 of which are reproduced in the text and their deep unconscious perception of the battle between sanity and madness It is these drawings linked with Milner s sensitive and lucid record of the therapeutic encounter that give the book its unique and compelling interest With a new introduction by Adam Phillips The Hands of the Living God is essential reading for all those with an interest in the fields of psychoanalysis and psychotherapy and more widely to those involved in therapy and the arts **Faceless Gods** Sandeep Dahiya,2014-02-22 It is a long story slowly moving like a broad river in its journey through the plains It is just an effort to highlight some sober facts like the true meaning of nationalism religion politics and humanism The work has very sharp political connotations But I would like to clarify that while espousing the cause of clean politics I have taken very dagger sharp cuts at certain political forces whose brand of politics results in reversing the basic meanings of religion and nationalism But it is for sure that all such literary efforts from my side are just a battle cry against bad politics rather than going against any particular political force By having creative cuts at the razor sharp edges of most of the political blocks in India I have tried to carve out a straight faced deity whom people have in mind when they envision their interests in the safe hands of the state

Modernism and the Materiality of Texts Eyal Amiran,2016-07-27 This book argues that elements of modernist texts that are meaningless in themselves are motivated by their authors psychic crises The Player Stefanie London,2021-03-01 Emery Daniels has no time for the heartbreaker next door but the tension between them is impossible to resist Don t miss the sizzling final installment of the Close Quarters miniseries by USA TODAY bestselling author Stefanie London Rowan Lively is the neighbor from hell with a parade of beautiful women only too happy to stroke his inflated ego And I can t take another night of listening to him making those noises through the paper thin walls I need to design my latest board game not fantasize about my gorgeous neighbor Anonymous fun with a costumed hottie at a gaming conference is a sexy distraction from terrible online reviews and conflicts with my creative team I m craving a physical release to put Rowan out of my mind

Until our true identities are revealed and I find myself in a compromising position with my neighborly nemesis Now I can barely look Rowan in the eye and the sparks between us are hot enough to burn down the building Soon we're waking the neighbors with our passionate games and working together on a new exhibit for his Melbourne art gallery And even though I know the score this is just a fling I can't help wondering will he ever play for keeps Take control Feel the rush Explore your fantasies Harlequin DARE publishes sexy romances featuring powerful alpha males and bold fearless heroines exploring their deepest fantasies

Women's Bodies in Psychoanalysis Rosemary M Balsam, 2012-07-26 Why has the female body been marginalised in psychoanalysis with a focus on female problems and pains only How can we begin to think about body pleasure power competition and aggression as normal in females In *Women's Bodies in Psychoanalysis* Rosemary Balsam argues that re-tracing theoretical steps back to the biological body's attributes is fruitful in searching for the clues of our mental development She shows that the female biological body across female gender variants and sexual preferences including the vanished pregnant body has been largely overlooked in previous studies It is how we weave these images of the body into our everyday lives that informs our gendered patterning These details about being female free up gender studies in the postmodern era to think about the body's contribution to gender rather than continuing the familiar postmodern trend to repudiate biology and perpetuate the divide between the physical and the mental There are four main areas explored clinical contributions on female development assessments of past and present psychoanalytic theories in relation to the body inner portraits of gender building blocks a conscious and unconscious focus on the potentially procreative female body *Women's Bodies in Psychoanalysis* will be of particular interest to psychodynamic psychotherapeutic and psychoanalytic practitioners teachers students feminist academicians college undergraduates graduates and faculty in women's studies and gender studies Rosemary Balsam is Associate Clinical Professor of Psychiatry Yale School of Medicine Staff Psychiatrist Yale University Student Mental Health and Counselling Services Training and Supervising Analyst Western New England Institute for Psychoanalysis
