Gods Will But My Choice Uncut Raw Christian Fiction Volume 1:

God's Will But My Choice TIMM KNIGHT, 2015-04-28 God's Will But My Choice by Timm Knight is an emotional urban drama about a 14 year old boy named Tim Stewart on the cusp of adulthood trying to find his true self. Although Tim is good in academics, he feels the pressure of his run-down Clarksville neighborhood to keep his thug-like appearance up. He is constantly getting into trouble fighting in the streets but now wants to start a non-violent gang with his best friends. However, is there any such thing as a non-violent gang? Tim's life is further complicated by his manipulative and self-serving stepmother Sunny whose goal seems to be to drive him and his father apart. While hanging out in the park one day Tim and his friends confront Darius, an extremely jealous school rival. Moreover, this encounter lets him know that danger is on the way. Tim has dreams of becoming a young legit businessman but with his foe getting in the way, will his dreams ever come true? Feeling overwhelmed and hopeless, Tim decides to make a change and takes off for the big city looking to start his life anew. What he doesn't see coming is that you can't always leave the past behind. And his sudden acts of defiance will hurt those he loves the most. No matter how far Tim tries to run or what trouble he gets into, God's will is always stronger than his choices, or is it? **God's Will But My Choice** is a gritty yet touching coming-of-age story about how the urban streets are changing the lives of young black boys soon to be young black men. In a story that's both relatable and entertaining, readers will not soon forget this honest portrayal of the streets. David, the heroic patriot who defends America against invasion by one million men in Book II, meets the love of his life in The Romance. He fights wild animals, murderous conspirators, and the strong will of a beautiful woman and her father in order to win Angela's affections. The treasure he pursues in the rugged, grizzly-infested mountains of Wyoming is a king's ransom that invites the prospector buried in everyone's heart to adventure. Packed tight with raw action, sizzling romance, and profound wisdom, the reader is fully engaged. The author conveys truths which define the reality we all live in and split the human race into two opposing factions. Readers who follow David and Angela to the end of this world as you know it will face demons on a mission to destroy the human race with confidence. Will you accompany them on this hair-raising adventure and journey to the outer edge of human experience as a virtual combatant in the final battle? Every reader is presented the Sword of Truth and the Shield of Faith to be converted internally and ready externally for conflict with the enemy of souls who is now ready to cast his net over the unwary of this world.
