The Power of Truth in Perilous Times Marcus E. Drake, 2024-09-25 Real Hope in the Midst of a Culture Gone

Awry Yes we live in this kind of culture and world However it is clear in the Bible that the more we pursue the knowledge of God as defined and described in Scripture and the more we are devoted to him the more he will work in us and through us during the perilous times in which we live Therefore in thinking about the extraordinary impact biblical truth can have on our society this book focuses on three vitally important areas in the Bible how God reveals his existence through nature and his Word how he discloses his character through his attributes and promises and how he calls his people to seek the knowledge of himself through the fear of the Lord and the bearing of his image Thus the purpose of this book is to lead believers into a deeper understanding of what God is like a deeper understanding of what he has promised to those who know him and a deeper understanding of the unshakable hope and strong encouragement we have in God s Word as we live in a confused and deteriorating culture Rather than simply decrying the devastating changes in our nation and world this book clearly proclaims the hope that is ours in the very nature and character of God himself the identity and security believers have in Christ and the biblical guidance we need in order to be salt and light in our generation A God centered truth loving Christ exalting approach to life changes everything

Paradigms of pilgrimage : from devotional journey to (religious) tourism = Paradigmes du pèlerinage : du voyage dévotionnel au tourisme (religieux) Monica RUSSET OANĂ, Maria Yvonne BĂNCILĂ, Mădălina TOADER, 2023-01-01 The volume *Paradigms of Pilgrimage From Devotional Journey to Religious Tourism* endeavours to present some insights into the multi layered significance of pilgrimage starting from a theoretical approach and then addressing specific situations The first two parts deal chronologically with instances of traditional images of pilgrimage and the last two parts move towards analysing modern and post modern examples of journeys with a spiritual purpose Each chapter is independent and provides an original rendering of the concept of pilgrimage The authors use various approaches to discuss the notion of pilgrimage and the images interconnect creating an irregular but harmonious mosaic Le volume *Paradigmes du pèlerinage du voyage dévotionnel au tourisme religieux* vise à présenter les différentes facettes du pèlerinage en partant d'une approche théorique et en proposant ensuite des situations spécifiques Les deux premières parties examinent chronologiquement les exemples d'images traditionnelles de pèlerinage tandis que les deux dernières parties s'orientent vers l'analyse d'exemples modernes et postmodernes des voyages travers la spiritualité Chaque chapitre est indépendant et montre une interprétation originale de la notion de pèlerinage Les auteurs utilisent diverses approches pour discuter de la notion de pèlerinage et les images s'interconnectent en créant une mosaïque irrégulière mais harmonieuse
