Mientras que los cuatro Evangelios nos dan perspectiva del caminar terrenal del Maestro las epístolas paulinas nos dan una revelación de lo que sucedió en la cruz y lo que siguió durante los tres días y tres noches en el sepulcro hasta que Cristo fue resucitado de la muerte Nos dan una imagen viva de la completa obra sustitutoria de Cristo el marco legal de nuestra redención El internacionalmente aclamado maestro de la Biblia el Dr E W Kenyon proporciona una serie de sinceros mensajes sobre las Realidades de la Nueva Creación directamente de las epístolas de Pablo breves estudios sobre el gran tema de la redención de la humanidad por medio de Cristo Como cristianos nosotros somos la nueva creación una nueva raza de hombre que puede estar ante la presencia de Dios sin el sentimiento de culpa condenación o inferioridad We have found the secret that the psychologists long have sought It is the inward man it is the recreated spirit it is the soul who has been changed by the redemptive work of God It is the constant unveiling of who we are in Christ today who He says we are and who He has made us to be The four Gospels describe the earth walk of the Master but the Pauline Epistles give us a revelation of what happened on the cross and what it means for us that Christ was raised from the dead Through these letters we get a living picture of the substitutionary work of Christ the legal framework of our redemption In this important book Dr E W Kenyon breaks down the new creation process You will discover the truth about your new identity in Christ and you will get a clearer picture of what God sees in you and what He thinks about you If you ever struggle with guilt or condemnation or if you ever think that God's love is too good to be true you must read this book You will see from the words of Scripture just how true God's love for you is

Spanish - Applied New Testament Commentary Stephen Thorson Tom Hale, Spanish Language Edition The Applied New Testament Commentary is an easy to read down to earth commentary on the text of the New Testament It can be used with any version of the Bible and includes

- General Articles on important aspects of the Christian faith
- An Introduction to each book of the New Testament
- Word definitions
- Clear explanations of Bible text
- How to apply the Bible to everyday life

Dr Tom Hale is an experienced medical missionary in Nepal and his commentary is essentially a missionary's commentary Although he has done his biblical homework and he thinks theologically he does not write from the ivory tower of academia His concern is rather for the grass roots of newly planted churches He is familiar with the problems they face and the questions they ask He wrestles with the need for cross cultural application He is committed to the unity of the church and urges us to give one another the liberty of interpretation in those secondary areas in which we disagree And his straightforward easy to read style includes both a simple vocabulary and short sentences Inevitably a one man commentary will not please everybody But he has struggled to rid himself of bias so that there is very much here for all Bible students to learn whatever their cultural or denominational background In fact the Applied New Testament Commentary should help to promote mutual understanding tolerance and respect among Christian people John Stott All Souls Langham Place London
