Fran Leeper Buss

La Partera Story Of A Midwife:

La Partera Fran Leeper Buss, 2000 The story of one woman's life in rural New Mexico and of her emergence as a community leader

Midwifery and the Medicalization of Childbirth Edwin R. Van Teijlingen, 2004 This book provides an introduction to the sociological study of midwifery The readings have been selected to highlight the interplay between midwifery and medicine reflecting the medicalization of childbirth It highlights the major themes in both a historical and a current context as well as western and non western societies Two major themes underlie the organization of this book that the conception of midwifery must be broadened to encompass a sociological perspective and that the ongoing trend toward the medicalization of midwifery is crucial to an understanding of the historical current and future status of midwifery By medicalization of childbirth and midwifery the author means the increasing tendency for women to prefer a hospital delivery to a home delivery the increasing trend toward the use of technology and clinical intervention in childbirth and the determination of medical practitioners to confine the role played by midwives in pregnancy and childbirth if any to a purely subordinate one

Childbirth: Midwifery theory and practice Philip K. Wilson, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company

Varney's Midwifery Julia Phillippi, Ira Kantrowitz-Gordon, 2023-09-25 Varney's Midwifery continues to be the gold standard for midwifery practice in an updated seventh edition New lead editors assembled a team of expert contributors and authors to continue the legacy of Varney's Midwifery as the trusted must have resource for students professional midwives and women's health practitioners Varney's Midwifery uses current evidence based guidelines to address the care of women throughout the lifespan including primary care gynecology maternity care in a variety of settings and newborn care The Seventh Edition reflects the new Core Competencies for Basic Midwifery Practice published in 2020 including care of transgender individuals and abortion related care It also provides updated information on chronic conditions in pregnancy including a section discussing COVID 19 new techniques for fetal screening diagnosis across the lifespan and updated content on health equity

Take My Word Anne E. Goldman, 2023-09-01 In an innovative critique of traditional approaches to autobiography Anne E Goldman convincingly demonstrates that ethnic women can and do speak for themselves even in the most unlikely contexts Citing a wide variety of nontraditional texts including the cookbooks of Nuevo Mexicanas African American memoirs of midwifery and healing and Jewish women's histories of the garment industry Goldman illustrates how American women have asserted their ethnic identities and made their voices heard over and sometimes against the interests of publishers editors and readers While the dominant culture has interpreted works of ethnic literature as representative of a people rather than an individual the working women of this study insist upon their own agency in narrating rich and complicated self portraits In an innovative critique of traditional approaches to autobiography Anne E Goldman convincingly demonstrates that ethnic women can and do speak for themselves even in the most unlikely contexts Citing a wide variety of nontraditional texts including

Japanese American Midwives Susan L.

Smith,2010-10-01 In the late nineteenth century Japan s modernizing quest for empire transformed midwifery into a new woman s profession With the rise of Japanese immigration to the United States Japanese midwives sanba served as cultural brokers as well as birth attendants for Issei women They actively participated in the creation of Japanese American community and culture as preservers of Japanese birthing customs and agents of cultural change Japanese American Midwives reveals the dynamic relationship between this welfare state and the history of women and health Susan L Smith blends midwives individual stories with astute analysis to demonstrate the impossibility of clearly separating domestic policy from foreign policy public health from racial politics medical care from women s caregiving and the history of women and health from national and international politics By setting the history of Japanese American midwives in this larger context Smith reveals little known ethnic racial and regional aspects of women s history and the history of medicine **Women as Healers** Carol Shepherd McClain,1989 In Women as Healers thirteen contributors explore the intersection of feminist anthropology and medical anthropology in eleven case studies of women in traditional and emergent healing roles in diverse parts of the world In a spectrum of healing roles ranging from family healers to shamans diviner mediums and midwives women throughout the world pursue strategic ends through healing manipulate cultural images to effect cures and explain misfortune and shape and are shaped by the social and political contexts in which they work In an introductory chapter Carol Shepherd McClain traces the evolution of ideas in medical anthropology and in the anthropology of women that have both constrained and expanded our understanding of the significance of gender to healing one of the most fundamental and universal of human activities The contributors include Carol Shepherd McClain Ruthbeth Finerman Carolyn Nordstrom Carole H Browner William Wedenoja Marjery Foz Barbara Kerewsky Halpern Laurel Kendall Merrill Signer Roberto Garcia Edward C Green Carolyn Sargent and Margaret Reid **Writing the Range** Elizabeth Jameson,Susan Hodge Armitage,1997 In mythic sagas of the American West the wide western range offers boundless opportunity to profile a limited cast of white men In this pathbreaking anthology Jameson and Armitage brings together 29 essays which present the story of women from that era Clearly written and accessible Writing the Range makes a major contribution to ethnic history women s history and interpretations of the American West 27 illustrations 3 maps *Reshaping Women's History* Julie A. Gallagher,Barbara Winslow,2018-09-25 Award winning women scholars from nontraditional backgrounds have often negotiated an academic track that leads through figurative and sometimes literal minefields Their life stories offer inspiration but also describe heartrending struggles and daunting obstacles Reshaping Women s History presents autobiographical essays by eighteen accomplished scholar activists who persevered through poverty or abuse medical malpractice or family disownment civil war or genocide As they illuminate their own unique circumstances the authors also address issues all too familiar to women in the academy financial instability the need for mentors explaining gaps in resumes caused by outside events and coping with gendered family demands biases and expectations Eye opening and candid Reshaping Women s

Pregnancy and Birth Keisha L. Goode, Barbara Katz Rothman, 2021-06-18 Pregnancy and Birth A Reference Handbook provides students with information too often ignored in sex education on what pregnancy and birth are have been and can be as transformative personal and social events Pregnancy and Birth A Reference Handbook is a person centered reference book on pregnancy and childbirth in the United States The medicalization of pregnancy and childbirth is a theme however primary emphasis is on the historical and contemporary significance of the Midwifery Model of Care and how that can improve outcomes for all The volume opens with a background and history of the topic followed by a chapter on related problems controversies and solutions A Perspectives chapter contains essays from a variety of individuals who are invested in the topic of pregnancy and birth The remaining chapters provide students with additional information such as profiles data and documents resources a chronology and a glossary This book is accessible to high school and college level researchers as well as general interest readers curious about the topic **Mother-Work** Molly Ladd-Taylor, 2022-10-17 Early in the

twentieth century maternal and child welfare evolved from a private family responsibility into a matter of national policy Molly Ladd Taylor explores both the private and public aspects of child rearing using the relationship between them to cast new light on the histories of motherhood the welfare state and women s activism in the United States Ladd Taylor argues that mother work women s unpaid work of reproduction and caregiving motivated women s public activism and maternalist ideology Mothering experiences led women to become active in the development of public health education and welfare services In turn the advent of these services altered mothering in many ways including the reduction of the infant mortality rate From Popular Medicine to Medical Populism Steven Palmer, 2003-01-06 A study of the development of the medical

profession and the health system in Costa Rica integrating an analysis of class gender professional hierarchy and a comparative perspective on the health care systems of other nations Midwifery Theory and Practice Philip K. Wilson, 2018-12-07 Surveys important issues in the history of medicine Although there is substantial literature on childbirth it typically lacks the full medical historical and social context that these volumes provide This series fills the gap in many institutions libraries by bringing together key articles on the expectant mother the attendants of her delivery and the health of the newborn infant The articles are from British and American publications that focus upon childbirth practices over the past 300 years and are selected from both primary and secondary sources Some are classic works in medical literature others are from historical sociological anthropological and feminist literature that present a wider range of scholarly

perspectives on childbirth issues Charts the progress of childbirth midwifery and obstetrics The series provides readers with key primary sources that illuminate the history of childbirth midwifery and obstetrics For example general historical texts note that childbed puerperal fever claimed hundreds of thousands of maternal lives and provoked much fear in Britain and America The articles in this series in addition to historical facts also provide discussion of the causes and consequences of particular fever cases taken from the medical literature of the 19th and 20th centuries and reveal what a challenge this disorder was to the medical profession Includes more primary sources than other collections The articles serve as a resource for students and teachers in various fields including history women s studies human biology sociology and anthropology They also meet the educational needs of pre medical and nursing students and aid pre professional allied health and midwifery instructors in lesson preparations The series examines a wide range of practical experience and offers a historical perspective on the most important developments in the history of British and American childbirth midwifery and obstetrics

Memory, Meaning, and Resistance Fran Leeper Buss, 2017-09-20 Fran Leeper Buss a former welfare recipient who earned a PhD in history and became a pioneer in the field of oral history has for forty years dedicated herself to the goal of collecting the stories of marginal and working class U S women Memory Meaning and Resistance is based on over 100 oral histories gathered from women from a variety of racial ethnic and geographical backgrounds including a traditional Mexican American midwife a Latina poet and organizer for the United Farm Workers and an African American union and freedom movement organizer Buss now analyzes this body of work identifying common themes in women s lives and resistance that unite the oral histories she has gathered From the beginning her work has shed light on the inseparable compounding effects of gender race ethnicity and class on women s lives what is now commonly called intersectionality Memory Meaning and Resistance is structured thematically with each chapter analyzing a concept that runs through the oral histories e g agency activism religion The result is a testament to women s individual and collective strength and an invaluable guide for students and researchers on how to effectively and sensitively conduct oral histories that observe record recount and analyze women s life stories

Haunted Santa Fe Ray John de Aragón, 2018-09-03 Santa Fe boasts an incredibly rich multicultural history and the gorgeous Pueblo architecture conceals a chilling past Indian spirits haunt the city and the nearby Sangre de Cristo Mountain range La Llorona the Wailing Woman cries along the banks of the Santa Fe River The unnerving ghost of Julia Staab wanders endlessly through the hallways of the La Posada Hotel And strange noises and unexplained movements stir in the PERA Building basement Join local historian and author Ray John de Aragón for a frightening journey into the unknown and the forbidden world of phantasms and the beyond

Dignity Fran Leeper Buss, 1985 Buss has compiled the stories of 10 lower income women told in their own words

The Gendered West Gordon Morris Bakken, Brenda Farrington, 2013-09-13 First Published in 2001 This anthology of western history articles emphasizes the New Western History that emerged in the 1980s and adds to it a heavy dose of legal history a field frequently ignored or misunderstood by the New Western historians

From first contact American Indians knew that Europeans did not understand the gendered nature of America. Confusion regarding the role of women within tribes and bands continued from first contact well into the late nineteenth century. The journal articles that follow give readers a true sense of the gendered West. Racial and ethnic heritage played a role in female experience whether Hispanic, Japanese or Irish. Women's work was part western history but women did not confine themselves to plow handles or brothels. Women were very much a part of most occupations or in the process of breaking down barriers of access. They worked in the fields for wages as well as for family welfare and prosperity. Women demanded access to the professions whether teaching or law, accounting or medicine. The process of eliminating barriers varied in time and space but the struggle was constant. Yet the story of women in polygamous Utah or Idaho was different and an integral part of the fabric of western history. Because of their beliefs and practices these women suffered at the hands of the federal government and persevered.

Granny Midwives and Black Women Writers Valerie Lee, 1996. Midwives, women healers and root workers have been central figures in the African American folk traditions. Particularly in Black communities in the rural south these women served vital social, cultural and political functions. It was believed that they possessed magical powers; they negotiated the barrier between life and death and were often regarded as the knower in a community. Today even as medical science has discredited or superseded their power, granny midwives have resurfaced as pivotal characters in the narratives of contemporary African American literature. *Granny Midwives and Black Women Writers* examines the lives of real granny midwives and other healers through oral narratives, ethnographic research and documentation and considers them in tandem with their fictional counterparts in the work of Toni Morrison, Gloria Naylor, Alice Walker and others.

Re-Dressing America's Frontier Past Peter Boag, 2012-09. Americans have long cherished romantic images of the frontier and its colorful cast of characters where the cowboys are always rugged and the ladies always fragile. But in this book Peter Boag opens an extraordinary window onto the real Old West. Delving into countless primary sources and surveying sexological and literary sources, Boag paints a vivid picture of a West where cross dressing for both men and women was pervasive and where easterners as well as Mexicans and even Indians could redefine their gender and sexual identities. Boag asks why has this history been forgotten and erased. Citing a cultural moment at the turn of the twentieth century when the frontier ended, the United States entered the modern era and homosexuality was created as a category, Boag shows how the American people and thus the American nation were bequeathed an unambiguous heterosexual identity.

Getting the books **La Partera Story Of A Midwife** now is not type of challenging means. You could not only going similar to books growth or library or borrowing from your associates to admission them. This is an utterly simple means to specifically acquire guide by on-line.
