Journal of Legal Studies in Business ,1999      *Labor and Employment Law: Text & Cases* David Twomey,2012-02-01  
LABOR AND EMPLOYMENT LAW TEXT CASES 15TH EDITION written by a nationally renowned White House labor arbitrator offers comprehensive and objective coverage of labor and employment law topics that challenge students to develop critical thinking skills through case analysis In depth chapters explore labor law topics focusing primarily on the National Labor Relations Act and are updated to include coverage of court systems and the role of administrative agencies in policymaking In addition a thorough understanding of employment law topics is provided through chapters on discrimination law occupational safety and health issues employee privacy and more Also included in this edition are issues of violence in the workplace and the implications of the ADA Amendments Act of 2008 No other text in this market can claim the prestige of authorship and timely coverage of topics so important to students in their business careers Important Notice Media content referenced within the product description or the product text may not be available in the ebook version      *Legal Education* Caroline Strevens,Richard Grimes,Edward Phillips,2016-04-22 The importance of simulation in education specifically in legal subjects is here discussed and explored within this innovative collection Demonstrating how simulation can be constructed and developed for learning teaching and assessment the text argues that simulation is a pedagogically valuable and practical tool in teaching the modern law curriculum With contributions from law teachers within the UK Australia Hong Kong South Africa and the USA the authors draw on their experiences in teaching law in the areas of clinical legal education legal process evidence criminal law family law and employment law as well as teaching law to non law students They claim that simulation as a form of experiential and problem based learning enables students to integrate the classroom experience with the real world experiences they will encounter in their professional lives This book will be of relevance not only to law teachers but university teachers generally as well as those interested in legal education and the theory of law      Anderson's Business Law & the Regulatory Environment David P. Twomey,Ivan Fox,2001 This is one of the most accurate in depth and up to date business law texts available A hallmark of this text is the exclusive selection of interesting and relevant cases and this edition is certainly no exception This text meets all AACSB curriculum standards and contains complete coverage of the business law topics on the CPA exam including applications emphasizing ethics public policy and the Internet      **Bowker's Law Books and Serials in Print** ,2000      The European Private International Law of Employment Uglješa Grušić,2015-05-28 The European Private International Law of Employment provides a descriptive and normative account of the European rules of jurisdiction and choice of law which frame international employment litigation in the courts of EU Member States The author outlines the relevant rules of the Brussels I Regulation Recast the Rome Regulations the Posted Workers Directive and the draft of the Posting of Workers Enforcement Directive and assesses those rules in light of the objective of protection of employees By using the UK as a case study he also highlights the impact of the

Europeanisation of private international law on traditional perceptions and rules in this field of law in individual Member States For example the author demonstrates that the private international law of the EU is fundamentally reshaping English conflict of laws by almost completely merging the traditionally perceived contractual statutory and tortious claims into one claim for choice of law purposes *Ulrich's International Periodicals Directory* Carolyn Farquhar Ulrich,1999 **Cases, Materials and Text on National, Supranational and International Non-Discrimination Law** Dagmar Schiek,Lisa Waddington,Mark Bell,Tufyal Choudhury,Olivier De Schutter,Janneke Gerards,Aileen McColgan KC,Gay Moon,2007-08-31 This casebook the result of the collaborative efforts of a panel of experts from various EU Member States is the latest in the Ius Commune Casebook series developed at the Universities of Maastricht and Leuven The book provides a comprehensive and skilfully designed resource for students practitioners researchers public officials NGOs consumer organisations and the judiciary In common with earlier books in the series this casebook presents cases and other materials legislative materials international and European materials excerpts from books or articles As non discrimination law is a comparatively new subject the chapters search for and develop the concepts of discrimination law on the basis of a wide variety of young and often still emerging case law and legislation The result is a comprehensive textbook with materials from a wide variety of EU Member States The book is entirely in English i e materials are translated where not available in English At the end of each chapter a comparative overview ties the material together with emphasis where appropriate on existing or emerging general principles in the legal systems within Europe The book illustrates the distinct relationship between international European and national legislation in the field of non discrimination law It covers the grounds of discrimination addressed in the Racial Equality and Employment Equality Directives as well as non discrimination law relating to gender In so doing it covers the law of a large number of EU Member States alongside some international comparisons The Ius Commune Casebook on Non Discrimination Law provides practitioners with ready access to primary and secondary legal material needed to assist them in crafting test case strategies provides the judiciary with the tools needed to respond sensitively to such cases provides material for teaching non discrimination law to law and other students provides a basis for ongoing research on non discrimination law provides an up to date overview of the implementation of the Directives and of the state of the law This Casebook is the result of a project which has been supported by a grant from the European Commission s Anti Discrimination Programme See the detailed website for this book [www.casebooks.eu/nonDiscrimination](http://www.casebooks.eu/nonDiscrimination) **The Chicago Legal News** ,1895 *Subject Guide to Books in Print* ,1996 *ABA Journal* ,1986-05-01 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association *Index to Legal Periodicals & Books* ,2004 *Law Books Published* ,1990 *American Book Publishing Record* ,2003 **Law Books in Print: Subject index** Nicholas Triffin,1994 **Annual Legal Bibliography** Harvard Law School.
