## **Language Diversity In The Pacific Endangerment And Survival Multilingual Matters:**

**Language Diversity in the Pacific** Denis Cunningham,D. E. Ingram,Kenneth Sumbuk,2006-01-01 The Southwest Pacific from Southern China through Indonesia Australia and the Pacific Islands constitutes the richest linguistic region of the world That rich resource cannot be taken for granted Some of its languages have already been lost many more are under threat The challenge is to describe the languages that exist today and to adopt policies that will support their maintenance

**Endangered Languages and Languages in Danger** Luna Filipović,Martin Pütz,2016-10-03 This peer reviewed collection brings together the latest research on language endangerment and language rights It creates a vibrant interdisciplinary platform for the discussion of the most pertinent and urgent topics central to vitality and equality of languages in today s globalised world The novelty of the volume lies in the multifaceted view on the variety of dangers that languages face today such as extinction through dwindling speaker populations and lack of adequate preservation policies or inequality in different social contexts e g access to justice education and research resources There are examples of both loss and survival and discussion of multiple factors that condition these two different outcomes We pose and answer difficult questions such as whether forced interventions in preventing loss are always warranted or indeed viable The emerging shared perspective is that of hope to inspire action towards improving the position of different languages and their speakers through research of this kind

**Ecological Perspectives on Language Endangerment and Loss** Salikoko S. Mufwene,2025-07-01 This book discusses various issues arising from the dominant discourse on language endangerment and loss in linguistics Are the terms mother tongue heritage language and ancestral language interchangeable Does a child receiving formal education in a mother tongue different from that of his or her parents lose a culture that he or she should otherwise inherit Is a language separate from the culture in which its speakers evolve and it is being practiced Thus is a population shifting to a dominant language necessarily abandoning its traditional culture ipso facto or is it also reshaping it along with that associated with the new language into a new mixed culture Are cultures intended to be static Must speakers of particular languages be wedded to them in the same way they are to their genes What can we learn about language shift language vitality and human adaptiveness from the protracted history of mankind These and a host of other issues regarding the intertwining of colonization globalization language and culture are discussed in this book inviting linguists and other interested scholars to be critical participants in the current debate

**The Oxford Handbook of Sociolinguistics** Robert Bayley,Richard Cameron,Ceil Lucas,2013-02-21 This major new survey of sociolinguistics identifies gaps in our existing knowledge base and provides directions for future research

**Language, Literature and Education in Multicultural Societies** Kenneth Harrow,Kizitus Mpoche,2009-10-02 This book presents a vivid overview of linguistic literary and educational issues in a multicultural context from various perspectives These range from large scale surveys to specific analyses on aspects of language literature and education Contributions are very original and based on a common

denominator Multiculturalism Despite the numerical dominance of contributions from Cameroon one of the most multilingual countries in the world this book brings together views from specialists in the different domains from several parts of the world Africa Europe and the United States of America These contributions exhibit not theoretical issues that underpin current academic debates in linguistic and literary research but also empirical and interesting data that can further be exploited to other ends Critical views on literature and postcolonialism the fears of language death with the advent of globalisation and the spread of English language the educational significance or influence of the internet the wealth of Cameroon African literature and the education of the Cameroonian African child and theoretical issues in language and literary education are themes handled here in an accessible manner to readers without previous knowledge of language science literature and education

*Endangered Languages of the Caucasus and Beyond*, 2016-11-01 According to UNESCO it is believed that at least half of the nearly 7 000 languages spoken around the world will cease to be used within the next 100 years If this issue is neglected people will lose not only their cultural heritage but also invaluable understandings about the history of all humankind *Endangered Languages of the Caucasus and Beyond* includes the manuscripts of 19 papers that were presented at the 1st International CUA Conference on Endangered Languages organized by the Caucasus University Association CUA at Ardahan Turkey on 13 to 16 October 2014 The articles address issues such as the state of the field of documentation conservation and revitalization of endangered languages with special reference to the endangered languages in the Caucasus region and beyond

**Education in Languages of Lesser Power** Craig Alan Volker, Fred E. Anderson, 2015-02-15 The cultural diversity of the Asia Pacific region is reflected in a multitude of linguistic ecologies of languages of lesser power i e of indigenous and immigrant languages whose speakers lack collective linguistic power especially in education This volume looks at a representative sampling of such communities Some receive strong government support while others receive none For some indigenous languages the same government schools that once tried to stamp out indigenous languages are now the vehicles of language revival As the various chapters in this book show some parents strongly support the use of languages other than the national language in education while others are actively against it and perhaps a majority have ambivalent feelings The overall meta theme that emerges from the collection is the need to view the teaching and learning of these languages in relation to the different needs of the speakers within a sociolinguistics of mobility

*Revitalizing Minority Languages* Michael Hornsby, 2015-10-05 New speakers are an increasingly important aspect of the revitalization of minority languages since in some cases they can make up the majority of the language community in question This volume examines this phenomenon from the viewpoint of three minority languages Breton Yiddish and Lemko

*Linguistic Landscape* Durk Gorter, 2006-01-01 The book contains a collection of studies of the linguistic landscape the use of written language on signs in the public sphere in 5 different societies Israel Japan Thailand the Netherlands Friesland and Spain Basque Country All contributions focus on multilingualism in the social context of the

major cities      **Working Together for Endangered Languages** Foundation for Endangered Languages. Conference, Foundation for Endangered Languages, 2007      *Language Planning and Policy in Asia: Japan, Nepal, Taiwan and Chinese characters* Robert B. Kaplan, Richard B. Baldauf, 2008 This volume covers the language situation in Japan Nepal and Taiwan as well as the modernisation of Chinese Characters in China explaining the linguistic diversity the historical and political contexts and the current language situation including language in education planning the role of the media the role of religion and the roles of non indigenous languages Two of the authors are indigenous and the other two have been participants in the language planning context      *Forbidden Fruits* Renato Tomei, 2008      *The Sociolinguistics of Development in Africa* Paulin G. Djité, 2008 This book is an analysis of modernisation informed by the place of language in education health the economy and governance in the African context It paints a wide canvas of Africa in its different facets and shows how language is used as an instrument to deny access to socioeconomic and political emancipation      Indigenous Multilingualism at Warruwi Ruth Singer, 2023-02-22 This book is an exploration of the role of language at Warruwi Community a remote Indigenous settlement in northern Australia It explores how language use and people's ideas about language are embedded in contemporary Indigenous life there Using an ethnographic approach the book examines what language at Warruwi means in the context of the history of the community ongoing social and political changes and the continuing importance of ancestral traditions Children growing up at Warruwi still learn to speak many small Indigenous languages This is remarkable not just in the Australian context where many Indigenous languages are no longer spoken but around the world as this kind of multilingualism in small languages persists only in a few remaining pockets The way that people use many languages in their daily life at Warruwi reveals how high levels of linguistic diversity can be maintained in a small community This detailed study of the creation of linguistic diversity is relevant to sociolinguistics linguistic typology historical linguistics and evolutionary linguistics More generally this book is for linguists anthropologists and anyone with an interest in contemporary Australian Indigenous lives      **The Oxford Handbook of Linguistic Fieldwork** Nick Thieberger, 2012 This book offers a state of the art guide to linguistic fieldwork reflecting its collaborative nature across the subfields of linguistics and disciplines such as astronomy anthropology biology musicology and ethnography Experienced scholars and fieldworkers explain the methods and approaches needed to understand a language in its full cultural context and to document it accessibly and enduringly They consider the application of new technological approaches to recording and documentation but never lose sight of the crucial relationship between subject and researcher The book is timely an increased awareness of dying languages and vanishing dialects has stimulated the impetus for recording them as well as the funds required to do so The handbook is an indispensable source guide and reference for everyone involved in linguistic and cultural fieldwork      **The Oxford Handbook of Linguistic Fieldwork** Nicholas Thieberger, 2011-11-24 This book offers a state of the art guide to linguistic fieldwork reflecting its collaborative nature across the subfields of linguistics and

disciplines such as astronomy anthropology biology musicology and ethnography Experienced scholars and fieldworkers explain the methods and approaches needed to understand a language in its full cultural context and to document it accessibly and enduringly They consider the application of new technological approaches to recording and documentation but never lose sight of the crucial relationship between subject and researcher The book is timely an increased awareness of dying languages and vanishing dialects has stimulated the impetus for recording them as well as the funds required to do so The handbook is an indispensable source guide and reference for everyone involved in linguistic and cultural work

Language Planning and Policy in Africa Richard B. Baldauf, Robert B. Kaplan, 2007-01-01 A longer range purpose is to collect comparable information on as many polities as possible in order to facilitate the development of a richer theory to guide language policy and planning in other polities that undertake the development of a national policy on languages This volume is part of an areal series which is committed to providing descriptions of language planning and policy in countries around the world BOOK JACKET *The Languages and Linguistics of Australia* Harold Koch, Rachel Nordlinger, 2014-08-19 The Languages and Linguistics of Australia A Comprehensive Guide is part of the multi volume reference work on the languages and linguistics of the continents of the world The volume provides a thorough overview of Australian languages including their linguistic structures their genetic relationships and issues of language maintenance and revitalisation Australian English Aboriginal English and other contact varieties are also discussed MLA International Bibliography of Books and Articles on the Modern Languages and Literatures, 2006 Multilingualism in European Bilingual Contexts David Lasagabaster, Angel Hugué, 2007 Despite the spread of multilingualism the number of research studies in multilingual contexts is scarce This book deals with this question by examining would be teachers language use and attitudes as their influence on future generations can be enormous The use of the same questionnaire and the same methodology allows the reader to compare the results obtained in different European bilingual contexts where the presence of diverse foreign languages leads to a situation in which several languages are in contact
