Language Across Boundaries:

Language Across Boundaries Janet Cotterill, Anne Iff, 2005-11-17 *Language across Boundaries* is a selection of papers from the millennium conference of the British Association of Applied Linguistics. The thirteen papers are written by applied linguists from Britain mainland Europe the USA Australia and Singapore working in a variety of sub disciplines of the field. The boundaries of the title have been widely interpreted and the book reflects a spectrum of research ranging from work on the linguistic repercussions of individual and group identity boundaries to work dealing with ways of crossing national and cultural boundaries through language learning and language mediation in the form of translation. Included in the volumes are the plenary papers given by Jennifer Coates well known for her work on language and gender on the expression of alternative masculinities and by Bencie Woll holder of the first chair of Sign Language and Deaf Studies in the UK on the insights to be gained from sign language in exploring language culture and identity. *Language Across Boundaries* Anne Iff, Janet Cotterill, 2005-04-01 *Language across Boundaries* is a selection of papers from the millennium conference of the British Association of Applied Linguistics. It contains 15 contributions by 20 linguists who may be counted among the foremost scholars in the field of linguistic typology. All of these articles discuss a topic that is prominent in Anna's work whose journal articles and monographs on the passive on word order and on the category of person are standard literature in these respective fields. Mindful of Anna's last monograph *Person* the majority of the contributions in this volume discuss free and bound person forms argument indexing reference tracking systems impersonals and related issues such as suppletion and incompleteness in person paradigms the origin of referential systems dependent versus independent marking and referential hierarchies. Other topics are grammatical alignment grammatical voice ditransitives and word order. Most of the contributions take a broad typological perspective. Others give a more in depth treatment based on data from a specific language notably Spanish Russian Mandinka and Mohawk. The book contains a complete bibliography of Anna Siewierska's linguistic production. *Bridging Language Boundaries - Explorations in Communication across Borders* Thomas Tinnefeld, 2023-09-26 In an increasingly interconnected world where distances dwindle and cultures interweave the
