Alon Goshen-Gottstein, Bertrand Badie

Language In Time Of Revolution Contraversions Jews And Other Differenc:

Language in Time of Revolution Benjamin Harshav, 1999 This book on culture and consciousness in history concerns the worldwide transformations of Jewish culture and society and the revival of the ancient Hebrew language following the waves of pogroms in Russia in 1881 when large numbers of Jews in Eastern and Central Europe redefined their identity as Jews in a new and baffling world Reviews With his customary versatility and lucidity Harshav has given us a host of new and provocative insights into modern Jewish history This book is an outstanding attempt to juxtapose the revolution in Jewish life with that of the Hebrew language in such a way that each informs our understanding of the other Yosef Hayim Yerushalmi Columbia University It is no small component of Harshav s success in this altogether fascinating book to have made clear the family resemblance between what is still regularly called the almost miraculous revival of the Hebrew language and the coterie movements of European high modernism in both politics and the arts Modernism Modernity A wise original and stimulating book on the shaping of modern Jewish culture Humane deeply erudite and very satisfying Steven Zipperstein Stanford University Israeli Hebrew Angel S enz Badillos has written is not the result of natural evolution but of a process without parallel in the development of any other language The precise nature of the process is studied in illuminating detail in *Language in Time of Revolution* London Review of Books The crisscrossing among the discourses of literature ideology history and linguistics makes for a heady intellectual experience Harshav writes with great authority and verve His discussions are a model of clarity Alan Mintz Brandeis University

Becoming Judy Chicago Gail Levin, 2018-10-16 Born to Jewish radical parents in Chicago in 1939 Judy Cohen grew up to be Judy Chicago one of the most daring and controversial artists of her generation Her works once disparaged and misunderstood by the critics have become icons of the feminist movement earning her a place among the most influential artists of her time In *Becoming Judy Chicago* Gail Levin gives us a biography of uncommon intimacy and depth revealing the artist as a person and a woman of extraordinary energy and purpose Drawing upon Chicago s personal letters and diaries her published and unpublished writings and more than 250 interviews with her friends family admirers and critics Levin presents a richly detailed and moving chronicle of the artist s unique journey from obscurity to fame including the story of how she found her audience outside of the art establishment Chicago revolutionized the way we view art made by and for women and fundamentally changed our understanding of women s contributions to art and to society Influential and bold *The Dinner Party* has become a cultural monument *Becoming Judy Chicago* tells the story of a great artist a leader of the women s movement a tireless crusader for equal rights and a complicated vital woman who dared to express her own sexuality in her art and demand recognition from a male dominated culture

Language in Time of Revolution Benjamin Harshav, 2022 This book on culture and consciousness in history concerns the worldwide transformations of Jewish culture and society and the revival of the ancient Hebrew language following the waves of pogroms in Russia in 1881 when large numbers of Jews in Eastern and Central Europe redefined their

identity as Jews in a new and baffling world

Reviews With his customary versatility and lucidity Harshav has given us a host of new and provocative insights into modern Jewish history This book is an outstanding attempt to juxtapose the revolution in Jewish life with that of the Hebrew language in such a way that each informs our understanding of the other Yosef Hayim Yerushalmi Columbia University It is no small component of Harshav's success in this altogether fascinating book to have made clear the family resemblance between what is still regularly called the almost miraculous revival of the Hebrew language and the coterie movements of European high modernism in both politics and the arts Modernism Modernity A wise original and stimulating book on the shaping of modern Jewish culture Humane deeply erudite and very satisfying Steven Zipperstein Stanford University Israeli Hebrew

Angel S enz Badillos has written is not the result of natural evolution but of a process without parallel in the development of any other language The precise nature of the process is studied in illuminating detail in *Language in Time of Revolution* London Review of Books The crisscrossing among the discourses of literature ideology history and linguistics makes for a heady intellectual experience Harshav writes with great authority and verve His discussions are a model of clarity Alan Mintz Brandeis University

The Politics of Canonicity Michael Gluzman, 2002-12-30 This book explores the complex relations among the hegemonic triad of territory nation and national literature that have characterized the modern European nation state In the case of Hebrew literature this triad was unattainable and its components fiercely contested hence the literary field itself was responsible for shaping the nation preceding the nation state itself

Maps of Women's Goings and Stayings Rela Mazali, 2001 This book tells the life and travel stories of fascinating women whether in fact or as possibility and examines women's physical mobility in a culture of gendered postcolonial space that restricts their movement Straddling the divide between fiction and scholarship it combines fictional narrative contemplation theoretical thinking scholarly discussions and interviews

The Sinner and the Amnesiac Alon Goshen-Gottstein, Bertrand Badie, 2000 This is a detailed study of two intriguing figures in early rabbinic literature shown to be products of the literary creativity of rabbinic storytellers who convey a particular ideology through the image of the rabbinic heroes they portray Elisha ben Abuya considered as apostate and sinner and Eleazar ben Arach known as the one who forgot his Torah

The Chosen Body Meira Weiss, 2004-11-15 This book examines how the social and cultural paradigms of contemporary Israel are articulated through the body To construct a panoramic view of how the Israeli body is chosen regulated cared for and ultimately made perfect the author draws upon some twenty years of ethnographic research in Israel in a range of subjects These include premarital and prenatal screening the regulation of the body and its imagery among appearance impaired children and their families the screening and sanctifying of the body as part of the bereavement and commemoration of fallen soldiers and the discourse of the chosen body as it surfaces during terrorist attacks military socialization war and the peace process

Lingua Albert Willem Groot, Anton Joannes Bernardus Nicolaas Reichling, 2001 International review of general linguistics

Menstrual Purity Charlotte Elisheva Fonrobert, 2002 This book offers a new

perspective on the extensive rabbinic discussions of menstrual impurity female physiology and anatomy and on the social and religious institutions those discussions engendered It analyzes the functions of these discussions within the larger textual world of rabbinic literature and in the context of Jewish and Christian culture in late antiquity **Web of Life** Galit Hasan-Rokem,2000 *Web of Life* weaves its suggestive interpretation of Jewish culture in the Palestine of late antiquity on the warp of a singular breathtakingly tragic and sublime rabbinic text *Lamentations Rabbah* The textual analyses that form the core of the book are informed by a range of theoretical paradigms rarely brought to bear on rabbinic literature structural analysis of mythologies and folktales performative approaches to textual production feminist theory psychoanalytical analysis of culture cultural criticism and folk narrative genre analysis The concept of context as the hermeneutic basis for literary interpretation reactivates the written text and subverts the hierarchical structures with which it has been traditionally identified This book reinterprets rabbinic culture as an arena of multiple dialogues that traverse traditional concepts of identity regarding gender nation religion and territory The author's approach is permeated by the idea that scholarly writing about ancient texts is invigorated by an existential hermeneutic rooted in the universality of human experience She thus resorts to personal experience as an idiom of communication between author and reader and between human beings of our time and of the past This research acknowledges the overlap of poetic and analytical language as well as the language of analysis and everyday life In eliciting folk narrative discourses inside the rabbinic text the book challenges traditional views about the social basis that engendered these texts It suggests the subversive potential of the constitutive texts of Jewish culture from late antiquity to the present by pointing out the inherent multi vocality of the text adding to the conventionally acknowledged synagogue and academy the home the marketplace and other private and public socializing institutions

Blessings, Curses, Hopes, and Fears James A. Matisoff,2000 In this delightful book the author enumerates and classifies the formulas Yiddish speakers use to express their emotions from blessings and thanks to lamentations and curses A rarity among scholarly books it brings joy while it teaches it makes us smile sometimes roar with laughter while it develops the most rigorous linguistic argumentation 1999, □□□□□□ □□□□ *The British National Bibliography* Arthur James

Wells,2002 **Book Review Digest** ,1999 **Contraversions** ,1998 *Subject Guide to Books in Print* ,1996

Forthcoming Books Rose Arny,1997 **The Language Choices of the Jewish National Enterprise and the Zionist Movement in 1897** Aleksandra Innokentievna Maslennikova,2009 This study examines the languages of Jews in Europe and Palestine on the one hand and the Jewish intelligentsia within the Zionist movement on the other I compare the linguistic preferences of different social strata within European Jewry The Zionist movement claimed to address the needs and aspirations of the common people However in regard to the language issue Zionism was far from being rooted in everyday practices of the Jewish common people The major conclusion from this study is twofold Firstly I argue that the choice of German as the official language of the Zionist movement was stipulated by the political situation and considerations

particularly Germany's geopolitical interests in Palestine I suggest that in a different political situation Russian would have been chosen as the official language of the movement given the prominent role that Russian Zionists played in Zionist activities in general and on the Congresses in particular Secondly I argue that the Zionist policy against Yiddish was a wrong move from the beginning Instead of renouncing Yiddish at the First Congress and thereafter the Zionists could have established this language as the official language of the Diaspora of Jews dispersed outside Palestine Thus by the time of the birth of the State of Israel Jews would have not just cultivated the new Eretz Israeli culture and mentality with Hebrew as the national language but would have also kept and maintained culture developed through the centuries along with its language Yiddish

When somebody should go to the book stores, search introduction by shop, shelf by shelf, it is in reality problematic. This is why we give the books compilations in this website. It will utterly ease you to look guide **Language In Time Of Revolution Contraversions Jews And Other Differenc** as you such as.

By searching the title, publisher, or authors of guide you really want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best place within net connections.
