**American Miller** ,1927      The Other College Guide Paul Glastris,Jane Sweetland,Staff Washington Monthly,2015-03-10

A college degree has never been more important or more expensive If you re not made of money where can you get an amazing liberal arts education without your parents having to remortgage the house or cash in their retirement fund Which degrees will allow you to fulfill your dreams and earn a decent paycheck What do you really need to know if you re the first in your family to go to college How do you find good schools that offer a well rounded campus life for black or Latino students From the staff of Washington Monthly comes a new kind of college guide inspired by and including the magazine s signature alternative college rankings The Other College Guide features smartly designed engaging chapters on finding the best fit schools and the real deal about money loans and preparing for the world of work This essential higher ed handbook also highlights information on what to look for and watch out for in online programs and for profit colleges and concludes with fifty profiles of remarkable but frequently overlooked schools All things being unequal The Other College Guide will provide American students and their families and school counselors with the honest and practical information they need to make sense of the college process and carve a path to the future they imagine      **Fiduciary Obligations in Business** Arthur B.

Laby,Jacob Hale Russell,2021-09-09 The scholarship on fiduciary duties in business organizations is often pulled in two directions While most observers would agree that business organizations are one of the key contexts for the application of the fiduciary obligation corporate law theorists have often expressed disdain for the role of fiduciary duties with the result that fiduciary law and theory have been out of step with the business world This volume aims to rectify this situation by bringing together a range of scholars to analyze fiduciary relationships and the fiduciary obligation in the business context Contributing authors examine fiduciary obligations in fields ranging from entity structure to bankruptcy to investment regulation The volume demonstrates that fiduciary law can inform pressing corporate governance debates including discussions over stakeholder models of the corporation that move beyond shareholder interests      *Inspirational Leadership*

Lance H. K. Secretan,1999 *Inspirational Leadership* takes us on a journey through the new world of work and a new definition of leadership one in which leaders inspire their followers to find new meaning in their work lives Citing a wide range of examples Lance shows how leaders can help their followers find their callings within the workplace and reach new heights in professional fulfillment Casting aside old outdated mission statements and aggressive self serving agendas new style leaders will work to serve their followers and bring out the best in each member of the team This deeply felt truly spiritual book arrives just as the new millennium approaches Author Lance Secretan urges us to recognize this fundamental change as a priceless gift one that calls for a new vision of balance between the mind and the heart between the personality and the soul The time is right for a radical redesign of leadership organizations and work      *Billboard Music Week* ,1908
