Larry Crabb Connecting:

Connecting Dr Larry Crabb, Lawrence J. Crabb, 1998-10-15 In this groundbreaking work Larry Crabb shows readers how to build intimate healing connections with others mini communities where God's power to heal souls is quickened and released through individuals compassionate authentic relationships with others **Connecting** Larry Crabb, Lawrence J. Crabb, 1997 In this revolutionary new book that focuses on the healing ability of relationships one of the world's most respected Christian authors presents his new concept for relating to others Crabb shows how we can become a healing community by connecting with people and releasing the good that God has already placed there *The Safest Place on Earth* Larry Crabb, 1999-07-29 In today's frenetic society people rarely develop intimate friendships Instead they spend their lives essentially disconnected from others rushing through life content with brief visits and casual conversations But what if one were to develop a community a spiritual community of people who walked with and supported each other through life's journey A community of real friends who listened to each other's personal tragedies without merely trying to fix the problems who encouraged and nurtured each other's strengths and who accepted people for who they really are instead of the image they try to portray In *The Safest Place on Earth* Larry Crabb explores such a place where God can heal disconnected people and allow them to reconnect with each other and ultimately with Him **Understanding who You are** Larry Crabb, 1997 Life is all about relationships with God with others and with ourselves Learn what your relationships say about you and how you can make them stronger **Spiritual Abuse Recovery** Barbara M. Orlowski, 2010-01-01 What factors contribute to active Christians in ministry leaving their church and becoming exiting statistics Every year dedicated Christian people leave churches because of spiritual abuse The stories of people who left their home church because of a negative and hurtful experience paint a picture of a widespread occurrence which beckons consideration by church leaders and church congregants alike Spiritual abuse the misuse of spiritual authority to maltreat followers in the Christian Church is a complex issue This book shows how people processed their grief after experiencing spiritual abuse in their local church and how they rediscovered spiritual harmony Their spiritual journey shows how one may grow through this devastating experience This book offers a thoughtful look at the topic of spiritual recovery from clergy abuse through the eyes of those who have experienced it It invites church leaders to consider this very real dysfunction in the Church today and aims to demonstrate a path forward to greater freedom in Christ after a season of disillusionment with church leadership **Leaving the Place Called Stuck** Dr. April Griseta, 2022-05-06 Are you stuck in your life journey and want to move forward Do you want to learn why you are stuck and how to get out Come and explore the following The whys of procrastination The secondary gains for staying in stuck The forces of darkness thwarting your destiny The spiritual paralysis binding you The ungodly mindsets entrapping you *Leaving the Place Called Stuck* is a book to awaken the bride of Christ out of her slumber In this new awakening she will be propelled into her God-given destiny **Full Service** Siang-Yang Tan, 2006-03-01 Although

servanthood is often discussed as an important part of leadership it is also the basic calling of every follower of Jesus Christ Siang Yang Tan takes a fresh approach to servanthood exploring it as loving obedience to God in and of itself regardless of personal greatness fulfillment or success He lays out the biblical case and practical guidance to help all Christians live out their foundational call of being a servant of God in all areas of life Tan s focus on servanthood alone in contrast to the many books on servant leadership will appeal to pastors church leaders and all Christians interested in a biblical perspective on servanthood
