Larry Holmes Against The Odds:

Larry Holmes Larry Holmes, Phil Berger, 2007-04-01 In *Larry Holmes* the reader will experience the uplifting odyssey that took Larry Holmes from a boxing nobody to a world champion Holmes is considered to be one of the greatest heavyweight champions of our time and held the title for more than seven years But his rise to the top was hardly an easy one He began his life as one of twelve children raised by a single mother in Cuthbert Georgia and had to struggle in poverty for the first sixteen years of his life His road to champion from which he would net 40 million was one requiring doggedness and extreme courage qualities that led people to dub Holmes The People's Champion Also featured in the book is an insider's look at Holmes relationship with Muhammad Ali his views on the state of boxing in the 1990s including the Mike Tyson situation his fights with Don King and his ratings of the top boxers today Larry Holmes is a champion in every sense of the word He has risen to every challenge he faced from poverty to ridicule to naysayers and his life story is both inspiring and moving The Boxing Kings Paul Beston, 2017-09-08 For much of the twentieth century boxing was one of America's most popular sports and the heavyweight champions were figures known to all Their exploits were reported regularly in the newspapers often outside the sports pages and their fame and wealth dwarfed those of other athletes Long after their heyday these icons continue to be synonymous with the sweet science In *The Boxing Kings* When American Heavyweights Ruled the Ring Paul Beston profiles these larger than life men who held a central place in American culture Among the figures covered are John L. Sullivan who made the heavyweight championship a commercial property Jack Johnson who became the first black man to claim the title Jack Dempsey a sporting symbol of the Roaring Twenties Joe Louis whose contributions to racial tolerance and social progress transcended even his greatness in the ring Rocky Marciano who became an embodiment of the American Dream Muhammad Ali who took on the U.S. government and revolutionized professional sports with his showmanship and Mike Tyson a hard punching dynamo who typified the modern celebrity This gallery of flawed but sympathetic men also includes comics dandies bookworms divas ex-cons workingmen and even a tough guy turned preacher As the heavyweight title passed from one claimant to another their stories opened a window into the larger history of the United States Boxing fans sports historians and those interested in U.S. race relations as it intersects with sports will find this book a fascinating exploration into how engrained boxing once was in America's social and cultural fabric **In the Game** A. Bass, 2005-09-23 Talking about race and sports almost always leads to trouble Rush Limbaugh's stint as an NFL commentator came to an abrupt end when he made some off-handed comments about the Philadelphia Eagles black quarterback Donovan McNabb Ask a simple question along these lines Why do African Americans dominate the NBA and watch the sparks fly It is precisely this flashpoint that the contributors to this volume seek to explore Professional and amateur sports wield a tremendous amount of cultural power in the United States and around the world and racial ethnic and national identities are often played out through them In *In the Game* collects essays by top thinkers on race that survey this treacherous terrain They engage

fascinating topics like race and cricket in the West Indies how black culture shaped the NFL in the 1970s the famed black on white Cooney Holmes boxing bout and American Indian mascots for sports teams

Heavyweight Title Fights of the 1980s Steve Hunt,2025-02-07 Bookended by two all time greats in Larry Holmes and Mike Tyson the much maligned 1980s were significant in heavyweight boxing Holmes dominated the first half of the decade but the Easton Assassin struggled to escape the shadow of Muhammad Ali Holmes did establish a legacy of greatness despite stumbling in his attempt to surpass Rocky Marciano s unbeaten record of 49 0 The second half of the decade saw the meteoric rise of Mike Tyson who cleaned out and unified a fractured heavyweight division through the HBO unification tournament The 80s was also the decade of fighters collectively known as the lost generation of heavyweights That included the likes of Greg Page Tony Tubbs Tim Witherspoon and Michael Dokes who for various reasons couldn t sustain a period at the top of the game However they still deserve to be remembered for more than their failings This book presents a thorough history of a stunning decade in heavyweight boxing covering all 46 world title fights in detail

One Punch from the Promised Land John Florio,Ouisie Shapiro,2013-08-29 It was 1976 when Leon and Michael Spinks first punched their way into America s living rooms That year they became the first brothers to win Olympic gold in the same Games Shortly thereafter they became the first brothers to win the heavyweight title Leon toppled The Greatest Muhammad Ali Michael beat the unbeatable Larry Holmes With a cast of characters that includes Ali Holmes Mike Tyson Gerry Cooney Dwight Qawi Eddie Mustafa Muhammad and dozens of friends relatives and boxing figures ONE PUNCH FROM THE PROMISED LAND tells the unlikely story of the Spinks brothers Their rise from the Pruitt Igoe housing disaster Their divergent paths of success And their relationship with America The book also uncovers stories never before made public the big paydays the high living the backroom deals It s not afraid to tackle an issue rarely discussed Does the heavyweight title deliver on its promise to young men in the inner city This is the definitive story of Leon and Michael Spinks And a cross examination of heavyweight boxing in 20th century America

African American History Day by Day Karen Juanita Carrillo,2012-08-22 The proof of any group s importance to history is in the detail a fact made plain by this informative book s day by day documentation of the impact of African Americans on life in the United States One of the easiest ways to grasp any aspect of history is to look at it as a continuum African American History Day by Day A Reference Guide to Events provides just such an opportunity Organized in the form of a calendar this book allows readers to see the dates of famous births deaths and events that have affected the lives of African Americans and by extension of America as a whole Each day features an entry with information about an important event that occurred on that date Background on the highlighted event is provided along with a link to at least one primary source document and references to books and websites that can provide more information While there are other calendars of African American history this one is set apart by its level of academic detail It is not only a calendar but also an easy to use reference and learning tool

Bouts of Mania Richard Hoffer,2014-07-08 Boxing s last golden age when Ali Frazier and Foreman

battled one another in five classic fights and America wallowed in self doubt **The Real Deal** Lea Worrall,2023-07-27

Evander Holyfield grew up in the ghettos of Atmore Alabama and Atlanta Georgia His mother raised him to work hard respect others and not to squander his God given talents nor to quit ever Young Holyfield dreamed of playing for his beloved Atlanta Falcons Alas the coaches overlooked him due to his lack of size Fortunately the young boy stumbled across the boxing club and he was hooked ever since Rising through the amateur ranks he eventually gained a spot on the U S Olympic boxing team and took part in the 1984 Los Angeles Games After throwing the punch of the tournament that unjustly got him disqualified and earned him a bronze medal Holyfield found himself to be a household name He built on his Olympic success to become the first man to win the undisputed cruiserweight and heavyweight world titles Holyfield was never afraid to swap blows with men naturally bigger than him His warrior s spirit helped him withstand the heavy bombs of George Foreman Riddick Bowe Michael Moorer Lennox Lewis and Mike Tyson He broke many pay per view records along the way and found himself in some of the most bizarre incidents of ring history who could forget Fan Man failing to gatecrash his way into the ring in the rematch with Bowe overcoming a suspected heart attack in the ring against Moorer and of course the infamous Bite Fight with Tyson The Real Deal Boxing s Ultimate Warrior also takes you through Holyfield s stormy private life whilst becoming the only man to win a version of the heavyweight title on four separate occasions **Combat Sports** David L. Hudson Jr.,2009-05-13

Fistic combat represents the greatest human drama in all of sport Roman gladiators thrilled citizens and emperors alike when they entered the octagon to face an intense life threatening experience Boxing the sport of kings also has its roots in the ancient civilizations of Greece and Rome Banned in 500 A D by the Emperor Theodoric it resurfaced twelve centuries later in England John Milton praised it as a noble art for building character in young men and sports writer A J Leibling dubbed it the Sweet Science Many of its major protagonists men such as Joe Louis Rocky Marciano and Muhammad Ali have become transcendent near mythic heroes But boxing is not the only combat sport and mixed martial arts in all their ferocious beauty represent the fastest growing sports genre in the world Ultimate Fighting Championships UFC has joined boxing in paying seven figures to some of its champions and draws millions in its pay per view events This book details leading figures in boxing sumo wrestling kickboxing Greco Roman wrestling and mixed martial arts including organizations such as Ultimate Fighting PRIDE K 1 Total Combat and SportFighting Over 150 entries cover champions contenders and other famous combatants from all over the world as well as legendary promoters managers trainers and events Also included in this encyclopedia are sidebars on controversies highlights brief bios and other noteworthy events along with a general timeline **Historical Dictionary of Boxing** John Grasso,2013-11-14

Boxing is one of the oldest sports in the world reaching back to the Ancient Greeks although it has become popular only in the past century or so But in some ways it is a rather complicated sport since to avoid unnecessary harm it has been endowed with rules to keep it clean referees to see the rules are obeyed and organizations to regulate the sport Boxing was once largely amateur although the

professional bouts attracted the most attention but now it is also an Olympic sport And over the years there has been one champion after another who symbolized what boxing was all about such Joe Louis Mohammad Ali and Cassius Clay Naturally these champions are the focus of the Historical Dictionary of Boxing as well and they have the biggest entries in the dictionary section but they had to fight against someone and there are dozens and dozens of other boxers with smaller entries More of these boxers come from the United States than elsewhere but there are others from Europe Asia and Latin America and there are also entries on the major boxing countries as well Plus entries on the rules on the organizations and on the technical terminology and jargon you have to know just to follow the bouts The introduction provides a broad view of boxing s history while the chronology traces events from 688 B C to 2012 A D Not all that much has been written on boxing that is not ephemeral but much of that literature can be found in the bibliography This book is an excellent access point for students researchers and anyone wanting to know more about the sport of boxing

Good with Their Hands Carlo Rotella, 2002-10-25 This eloquent streetwise book is a paean to America s Rust Belt and a compelling exploration of four milieus caught up in a great transformation of city life With loving attention to detail and a fine sense of historical context Carlo Rotella explores women s boxing in Erie Pennsylvania Buddy Guy and the blues scene in Chicago police work and crime stories in New York City especially as they converged in the making of the movie The French Connection and attempts at urban renewal in the classic mill city of Brockton Massachusetts Navigating through accrued layers of cultural economic and personal history Rotella shows how stories of city life can be found in a boxing match a guitar solo a chase scene in a movie or a landscape The stories he tells dramatize the coming of the postindustrial era in places once defined by their factories a sweeping set of changes that has remade the form and meaning of American urbanism A native of the Rust Belt whose own life resonates with these stories Rotella has gone to the home turfs of his characters hanging out in boxing gyms and blues clubs riding along with cops and moviemakers discussing the future of Brockton with a visionary artist and a pitbull fancying janitor who both plan to save the city s soul These people make culture with their hands and hands become an expressive metaphor for Rotella as he traces the links between their individual talents and the urban scenes in which they flourish His writing elegantly connects what happens on the street to the larger story of urban transformation especially the shift from a way of life that demanded individuals be good with their hands to one that depends on the intellectual and social skills fostered by formal education and service work Strong feelings emerge in this book about what has been lost and gained in the long slow aging out of the industrial city But Rotella s journey through the streets has its ultimate reward in discovering deep rooted instances of what he calls truth and beauty in the Rust Belt

Race and Sport Charles Kenyatta Ross, 2004 sports african american studies Even before the desegregation of the military and public education and before blacks had full legal access to voting racial barriers had begun to fall in American sports This collection of essays shows that for many African Americans it was the world of athletics that first opened an avenue to equality and democratic involvement Race and

Sport showcases African Americans as key figures making football baseball basketball and boxing internationally popular though inequalities still exist today Among the early notables discussed is Fritz Pollard an African American who played professional football before the National Football League established a controversial color barrier Another the boxer Sugar Ray Robinson exemplifies the black American athlete as an international celebrity African American women also played an important role in bringing down the barriers especially in the early development of women s basketball In baseball both African American and Hispanic players faced down obstacles and entered the sports mainstream after World War II One essay discusses the international spread of American imperialism through sport Another shows how mass media images of African American athletes continue to shape public perceptions Although each of these six essays explores a different facet of sports in America together they comprise an analytical examination of African American society s tumultuous struggle for full participation both on and off the athletic field Charles K Ross interim director of African American studies and an associate professor of history and African American studies at the University of Mississippi is the author of *Outside the Lines African Americans and the Integration of the National Football League* *Boxing in Black and White* Andrew Lindsay,2004-07-27 Professional sports in America offer numerous examples of equal opportunity and broken down racial barriers These developments call for pride and celebration Yet skin color continues to have an influence in how Americans experience sport From Al Campanis statement about the under representation of blacks in baseball front offices to the almost exclusively white ownership of professional teams one sees that sports though admirably more equitable than other societal institutions are hardly a colorblind American pursuit Choosing the racially charged sport of boxing for investigation the author has compiled dozens of statistics measuring whether or not America s racial majority still yearns for a white champion a Great White Hope Drawing upon data from *The Ring Magazine* and its annual record books this study endeavors to bolster or refute the popular perception in boxing circles that white fighters of lesser ability are helped along to their sports elite level as a result of being promotional gold in the eyes of the public *Being Sugar Ray* Kenneth Shropshire,2009-04-13 And in this corner hailing from Black Bottom Detroit by way of Harlem with more victories than Joe Louis and Muhammad Ali combined the greatest fighter pound for pound of all time Sugar Ray Robinson If imitation is truly the sincerest form of flattery then there should be little doubt Sugar Ray Robinson is the greatest and most influential American boxer of all time Fighters and the occasional alt rock band have been adopting his name and trying to imitate his inimitable fighting style for decades Sugar Ray Robinson transcended race and sport to become a celebrity athlete in a way that no one white or black had accomplished before him From his business empire to his prized flamingo pink Cadillac described as the Hope Diamond of Harlem Kenneth Shropshire shows Sugar Ray was the trailblazer whom every athlete since has been trying consciously or otherwise to emulate [How Not to Lose \\$1 Million](#) John Addis,2024-09-10 The learning is in the failing Successful investors don t concentrate on picking big winners instead they work on minimising risk and avoiding losses Having lost over

1 million through his own investing errors John Addis invites readers to learn from his losses Errors include falling in love with a stock or a charismatic CEO selling too soon as a stock continues to soar misunderstanding the business model and not responding to obvious red flags Whether you re new to the sharemarket looking to learn from a master or an active investor seeking to better understand stockpicking behaviour this book will not disappoint **The Last Laugh** Phil

Berger,2000-11-14 The Last Laugh is the first and only book to take readers deep into the bizarre universe of the standup comic from the classic years of Milton Berle Sid Caesar and Shecky Greene to today s comedy superstars Phil Berger shows how styles and trends in standup have changed over the past fifty years but how taking the stage in a comedy club is as tough as it s always been Performers profiled in the book include Woody Allen Lenny Bruce George Carlin Elaine Boosler Robert Klein Bill Cosby Billy Crystal Dick Gregory Andy Kaufman Steve Martin Cheech and Chong Eddie Murphy and a host of others Filled with comics hilarious routines and anecdotes this substantially updated edition also chronicles the lives and careers of more recent artists including Richard Lewis and Jay Leno **Race and Sport** Charles K. Ross,2009-09-18 Even before the desegregation of the military and public education and before blacks had full legal access to voting racial barriers had begun to fall in American sports This collection of essays shows that for many African Americans it was the world of athletics that first opened an avenue to equality and democratic involvement Race and Sport showcases African Americans as key figures making football baseball basketball and boxing internationally popular though inequalities still exist today Among the early notables discussed is Fritz Pollard an African American who played professional football before the National Football League established a controversial color barrier Another the boxer Sugar Ray Robinson exemplifies the black American athlete as an international celebrity African American women also played an important role in bringing down the barriers especially in the early development of women s basketball In baseball both African American and Hispanic players faced down obstacles and entered the sports mainstream after World War II One essay discusses the international spread of American imperialism through sport Another shows how mass media images of African American athletes continue to shape public perceptions Although each of these six essays explores a different facet of sports in America together they comprise an analytical examination of African American society s tumultuous struggle for full participation both on and off the athletic field

Boxing in Philadelphia Gabe Oppenheim,2014-10-16 Philadelphia was essentially the birthplace of boxing in America the city where matches first took shape in the back of bars Jack Johnson the first black heavyweight champ fought more times in Philly than any other city besides his hometown Sugar Ray Robinson perhaps the best boxer ever fought under his first promotional contract in Philadelphia appearing there twenty times and Joe Louis one of the greatest heavyweights of all time was trained by a Philadelphia fighter In Boxing in Philadelphia Gabe Oppenheim examines the rise and fall of boxing in Philadelphia and how it often mirrored the city s own narrative arc Originating from the tales told to Oppenheim by a retired Philadelphia trainer this history of boxing is drawn from personal interviews with current and former fighters and

managers from attending the fights in local arenas and from watching the boxers train in their gyms In this book Oppenheim opens a window into the lives of such fighters as Jimmy Young Meldrick The Kid Taylor Teon Kennedy and Mike Jones telling with remarkable detail their struggles triumphs and defeats Throughout Oppenheim weaves together cultural history urban studies and biographical sketches of past boxers to create this comprehensive account of Philadelphia and its fighters Featuring an array of photographs and exclusive interviews this book captures the unique history of Philadelphia boxing It will interest boxing fans those who enjoy sports and cultural histories and of course native Philadelphians who want to discover more about their city and their fighters

The Fighting Frenchman Paul Levy, 2016-06-01 Scott LeDoux's face read like a roadmap of boxing's last golden era eye thumbled by Larry Holmes brow gashed by Mike Tyson ears stung by none other than Muhammad Ali George Foreman hit me so hard LeDoux said my ancestors in France felt it The only man to step into the ring with eleven heavyweight champions LeDoux also fought through two of boxing's greatest scandals recurring illness and childhood trauma that haunted him for decades This is his story the life and times of a Minnesota Rocky making the most of the hard knocks that bruise the American Dream told in full for the first time by award winning journalist Paul Levy He was never a world champion but Scott LeDoux was always the people's champ Doing his best to turn a small town miner's son into boxing's next great white hope Don King said of Scott LeDoux He eats rusty nails for breakfast punches holes in concrete with either hand bobs and weaves like a giant Rocky Marciano He was a big good natured kid with a ready wit and the will to take all comers along on a ride he himself found hard to believe From the mining community of Crosby Minnesota to the dingy mildew scented dressing rooms in minor league towns like Sioux Falls and Billings to the stage of Madison Square Garden Levy gives us a real sense of what it was like to spar with fighters such as Tyson and Ali The buried secrets of childhood abuse and the harrowing sadness of death and disease in his family make LeDoux's triumphs and defeats all the more poignant and in Levy's irresistible narrative unforgettable
