## **Las Cuatro Sendas Del Chaman Nagual:**

La nostalgia de los orígenes Joan Prat, 2018-12-13 El gran mito del origen de Occidente es el libro del Génesis que narra la creación del mundo y de la humanidad con énfasis en tres momentos críticos: la armonía y plenitud de la existencia paradisiaca original, la desobediencia y caída y finalmente la posibilidad de recuperar el paraíso perdido. La nostalgia de los orígenes muestra que existen cuatro grandes vías para retornar a dicho origen: la senda chamánica que persigue fusionar los diferentes mundos y planos en la persona del chamán; la vía gnóstica que es la senda del conocimiento esotérico que conduce a la completitud de los inicios; la vía monástica que es la que busca la salvación a través de la ascesis y la renuncia; y la vía mística que es la que se centra en la unión con lo Absoluto o lo Divino. A pesar de las aparentes diferencias entre el chamán, el gnóstico, el monje y el místico, Prat nos muestra cómo estas figuras persiguen el mismo objetivo: revivir aquella edad de oro y plenitud inicial. La metodología utilizada combina hábilmente los aspectos teóricos con el trabajo de campo antropológico presentado a través de microetnografías y experiencias participativas. El presente texto es la culminación de los intereses teóricos etnográficos que han animado las investigaciones de toda la vida del autor. **The Gift That changed our lives** Rocío Martín

Díez, 2016-04-01 When you're told that your child has brain damage the world falls apart around you. No matter what happens to you, this is a turning point in your life where you have to take decisions. For me, it was the moment when I decided, without knowing that I had to start a new life, an awakening, a road with no return. Our children with brain injury come to teach us many things. It's no coincidence that they have chosen us. Felipe has been and is a gift. I'm not speaking out of faith or through false hope, but rather from the experience of a woman who has discovered how loving herself can make her son improve day by day. There's a fine, imperceptible thread between a mother and her children, a thread that only she recognises, but in order to recognise it, we must be there in the present and listen to ourselves. This is the story of how I've lived since we were told that Felipe had six very serious injuries in his brain when I was twenty weeks pregnant. I'd have given a great deal to find a book where someone told me where to start. I do hope this book will help you to understand, as I have done, that your son is coming to achieve much more than you can possibly imagine. Among other things, so that you let go of the control of your life and give yourself up to it, so that your heart awakens and you are happy. That, for me, is true healing for both mother and child. Felipe is three years old now and is on the point of walking. He says a lot of words and laughs non-stop. This seemed impossible, but the truth is that for me now, nothing is impossible. **Revista Ecovisiones n°7** Jorge Mendoza Vester, Ximena
