Las Vidas Ally Hugues Spanish:

Franco (edición actualizada) Paul Preston, 2015-11-12 La biografía de referencia del dictador español ahora en una nueva edición conmemorativa en el cincuenta aniversario de su muerte. Contra la visión de Franco como figura providencial, una biografía completísima, rigurosa y apasionante del hombre que rigió España durante tantos años donde se muestra al militar ambicioso e implacable al admirador de Hitler y Mussolini al dirigente político cada vez más pagado de su propio papel pero incapaz de comprender la complejidad de Estado y la economía modernas. Queda el hombre visceralmente conservador tan cauto como ambicioso habil en el manejo de las personas y de los contrapesos del poder. Un libro imprescindible para quien quiera comprender la historia reciente de España así como a uno de los personajes centrales de la misma. La crítica ha dicho Paul Preston ha escrito y con gran diferencia la mejor biografía del dictador Franco. L. M. Anson. La biografía definitiva y apasionante del dictador español Francisco Franco. Publishers Weekly. Preston nos presenta un retrato de Franco muy diferente al que generalmente conocemos.
