My Brother's Keeper Tim Powers, 2023-09-05 THE TRUE STORY OF THE BRONT SISTERS AS ONLY TIM POWERS COULD WRITE IT This is a ghost story It is a story about werewolves and things that go bump in the night It is a story of an ill fated land the pathless moors of Northern England so well chronicled in Wuthering Heights And it is the story of a real family whose destiny it is to deal with this darkly glamorous and dangerous world When young Emily Bront helps a wounded man she finds at the foot of an ancient pagan shrine in the remote Yorkshire moors her life becomes contentiously entwined with his He is Alcuin Curzon embittered member of a sect working to eradicate the resurgent plague of lycanthropy in Europe and northern England But Emily s father curate of the Haworth village church is responsible for having unwittingly brought a demonic werewolf god to Yorkshire forty years ago and it is taking possession of Emily s beloved but foolish and dissolute brother Curzon must regard Emily s family as a dire threat In spite of being at deadly odds Emily and Curzon find themselves thrown together in fighting werewolves confronting pagan gods even saving each other from the lures of moorland demons And in a final battle that sweeps from the haunted village of Haworth to a monstrous shrine far out on the moors the two of them must be reluctant allies against an ancient power that seems likely to take their souls as well as their lives At the publisher s request this title is sold without DRM Digital Rights Management Praise for Stolen Skies Powers unveils the mystical underneath the mundane world we live in he has the ability to describe things you ve seen or experienced a million times and show them in a completely new light Being Being Praise for Forced Perspectives One book I ve been hugely excited about is Tim Powers s latest Forced Perspectives set in the magical underbelly of modern day Los Angeles Powers may be the master of the secret history novel and one of the originators of steampunk but his recent work
