Last Rights Poems By Marvin White:

Last Rights Marvin K. White, 1999 A powerful passionate poetic journey through the landscapes of the black gay and lesbian community **Evidence of Being** Darius Bost, 2018-12-21 Evidence of Being opens on a grim scene Washington DC's gay black community in the 1980s ravaged by AIDS the crack epidemic and a series of unsolved murders seemingly abandoned by the government and mainstream culture Yet in this darkest of moments a new vision of community and hope managed to emerge Darius Bost's account of the media poetry and performance of this time and place reveals a stunning confluence of activism and the arts In Washington and New York during the 1980s and 90s gay black men banded together using creative expression as a tool to challenge the widespread views that marked them as unworthy of grief They created art that enriched and reimagined their lives in the face of pain and neglect while at the same time forging a path toward bold new modes of existence At once a corrective to the predominantly white male accounts of the AIDS crisis and an openhearted depiction of the possibilities of black gay life Evidence of Being above all insists on the primacy of community over loneliness and hope over despair Red Dirt Revival: a poetic memoir in 6 Breaths Tim'm West, 2014-06-28 Red Dirt Revival a poetic memoir in 6 Breaths is a collection that offers personal meditations that speaks to vastly diverse and often unanticipated audiences naming vital specifics and moving to the poetic universality of pain and redemption A decade after his brave authorial debut Tim m West is still here to honor the dexterity and resilience of a book that has been everywhere from spoken word stages to black gay men's book clubs to feminist classrooms This expanded edition offers a 7th Breath speaking to the work's enduring power As Christina Accomando writes in the new introduction Red Dirt Revival not surprisingly is both a classic text and a living breathing work of art communication and community **Gay and Lesbian Literary Heritage** Claude J. Summers, 2014-02-25 The revised edition of The Gay and Lesbian Literary Heritage is a reader's companion to this impressive body of work It provides overviews of gay and lesbian presence in a variety of literatures and historical periods in depth critical essays on major gay and lesbian authors in world literature and briefer treatments of other topics and figures important in appreciating the rich and varied gay and lesbian literary traditions Included are nearly 400 alphabetically arranged articles by more than 175 scholars from around the world New articles in this volume feature authors such as Michael Cunningham Tony Kushner Anne Lister Kate Millet Jan Morris Terrence McNally and Sarah Waters essays on topics such as Comedy of Manners and Autobiography and overviews of Danish Norwegian Philippines and Swedish literatures as well as updated and revised articles and bibliographies **There's a Disco Ball Between Us** Jafari Sinclair Allen, 2021-11-15 In There's a Disco Ball Between Us Jafari S Allen offers a sweeping and lively ethnographic and intellectual history of what he calls Black gay habits of mind In conversational and lyrical language Allen locates this sensibility as it emerged from radical Black lesbian activism and writing during the long 1980s He traverses multiple temporalities and locations drawing on research and fieldwork conducted across the globe from Nairobi London and Paris to Toronto Miami

and Trinidad and Tobago In these locations and archives Allen traces the genealogies of Black gay politics and cultures in the visual art poetry film Black feminist theory historiography and activism of thinkers and artists such as Audre Lorde Marsha P Johnson Essex Hemphill Colin Robinson Marlon Riggs Pat Parker and Joseph Beam Throughout Allen renarrates Black queer history while cultivating a Black gay method of thinking and writing In so doing he speaks to the urgent contemporary struggles for social justice while calling on Black studies to pursue scholarship art and policy derived from the lived experience and fantasies of Black people throughout the world *Nothin' Ugly Fly* Marvin K. White, 2004 Poetry African American Studies LGBT Studies Lambda Literary Award finalist In NOTHIN UGLY FLY Marvin K White follows his celebrated last rights by charting the course from being a boy dangerous and unexpected to being a man who becomes expected through loving another man The black bird that is his poetry emerges out of the relation between what is said and what is only hinted in the voice and music of his work In his best poems the self asserted is fiercely witty and soul filled and it embodies the whole flock of men he acknowledges honors and celebrates This is a book that lifts off and lifts up Forrest Hamer *Bum Rush the Page* Tony Medina, Louis Reyes Rivera, 2001-10-23 *Bum Rush the Page* is a groundbreaking collection capturing the best new work from the poets who have brought fresh energy life and relevance to American poetry Here is a democratic orchestration of voices and visions poets of all ages ethnicities and geographic locations coming together to create a dialogue and to jam not slam This is our mouth on paper our hearts on our sleeves our refusal to shut up and swallow our silence These poems are tough honest astute perceptive lyrical blunt sad funny heartbreaking and true They shout they curse they whisper and sing But most of all they tell it like it is Tony Medina from the Introduction **American Book Publishing Record**, 2005 *The Thinker's Thesaurus: Sophisticated Alternatives to Common Words (Expanded Third Edition)* Peter E.
