Late Night Breakfast Vision Parables:

Parables for the Virtual Brian Massumi, 2021-08-30 Since its publication twenty years ago Brian Massumi's pioneering *Parables for the Virtual* has become an essential text for interdisciplinary scholars across the humanities. Massumi views the body and media such as television, film, and the internet as cultural formations that operate on multiple registers of sensation. Renewing and assessing William James's radical empiricism and Henri Bergson's philosophy of perception through the filter of the postwar French philosophy of Deleuze, Guattari, and Foucault, Massumi links a cultural logic of variation to questions of movement, affect, and sensation. Replacing the traditional opposition of literal and figural with distinctions between stasis and motion and between actual and virtual, Massumi tackles related theoretical issues by applying them to cultural mediums as diverse as architecture, body art, the digital art of Stelarc, and Ronald Reagan's acting career. The result is an intriguing combination of cultural theory, science, and philosophy that asserts itself in a crystalline and multifaceted argument. This twentieth anniversary edition includes a new preface in which Massumi situates the book in relation to developments since its publication and outlines the evolution of its main concepts. It also includes two short texts: *Keywords for Affect* and *Missed Conceptions about Affect*, in which Massumi explicates his approach to affect in ways that emphasize the book's political and philosophical stakes.

All Gays Allowed Tim Schaffer, 2016-09-07 There is a lot of ambiguity and controversy over this hot topic. Is being gay a sin? Was it a wise decision to allow gay marriage in America? And did that decision provide freedom for our people or did it possibly destroy another layer of fabric in our society? And why does it seem like God hates people who are gay and that homosexuality is wrong? Each of those matters will be revealed, but this book is also a guide to understanding the entire Christian faith. In under a hundred pages, you will know every important thing there is to know about why a Christian is a Christian, how someone gets into heaven, why you should trust the Bible, what happens if a person accepts Jesus but willingly stays in sin, or doesn't have a life change, what women's place is in the Bible, why a loving God allows evil in the world and allows good people to suffer, and why God always seemed angry and killed thousands of persons in the Old Testament. This book will bring simple and logical answers to some of the most commonly asked and faith-staggering questions of our time. It will take us down the rabbit hole into understanding the entire Christian faith: if you're not a Christian, it will equip the church; if you are a Christian, and it will answer one of the most controversial topics of our day. Let's discover the truth to *All Gays Allowed*.

Seamus Mullen's Hero Food Seamus Mullen, 2012-04-24 After being diagnosed with rheumatoid arthritis, Manhattan restaurateur Mullen modified his diet to improve his well-being. His debut cookbook, which pairs traditional Spanish cuisine with rustic farm-to-table fare, highlights 18 ingredients: Hero Foods that help him manage his symptoms. Ajo Blanco with Sardine Confit and Octopus and Parsley Salad reflect Mullen's years of work and travel in Spain, while Crispy Tuscan Kale on the Grill and Slow Roasted Lamb Shoulder highlight the bounty of his Vermont farm. Mullen's personal success lends clout to this study in holistic, inclusive eating. *Library Journal*

Jeffrey Garling,2023-08-23 After Moses led the children of Israel out of Egypt God instructed him to tell the people to tell their children the stories of the miracles that he had performed and also all of the great works he did to lead them to the Promised Land and for them to tell their children

and so on I've written this collection of stories based on Bible verses from the Old and New Testaments and parables from the New Testament told by Jesus. After the title of each story I have given the Bible verse on which it was based. The purpose of which is to give the reader the option of either reading the story first and then the Bible verse or reading the Bible verse first and then the story next. Either way the intent is to encourage the reading of Scripture. With this knowledge the reader will be better equipped to tell these stories to their children.
