Better Choices Greg Mills,Mcebisi Jonas,Haroon Bhorat,Ray Hartley,2022-04-01 A must read accessible and skilful account of South Africa s socio economic challenges policy and governance choices THEMBA MASEKO All the numbers on South Africa s crisis dashboard are blinking red The economy is failing to grow and more and more young people

find themselves on the outside looking in as education falters and jobs disappear Energy and transport are in crisis Governance is floundering as debt mounts and government runs out of money Better Choices is a collection by South Africa's top thinkers on the political economy providing an unflinching account of the myriad challenges the country faces The picture that emerges is of a nation on the brink of a catastrophic slide into failure unless better if tough policy choices are made As stark as these problems are their solutions are tantalisingly close at hand The chapters in this book outline exactly the solutions those better choices that need to be made by leadership to alter the country's bleak trajectory South Africa cannot talk its way out of trouble Key to success is removing the sources of friction the red tape over regulation and rents that slow down investment This is only possible if a more effective focused government acts decisively Compiled by The Brenthurst Foundation Africa's leading think tank on economic development Better Choices is for those who want to build a positive inclusive future for South Africa

OECD Economic Surveys: South Africa 2015 OECD, 2015-07-17 This 2015 OECD Economic Survey of South Africa examines recent economic developments policies and prospects Special chapters cover infrastructure and business regulation tax policy and inclusive growth

The Skills Balancing Act in Sub-Saharan Africa Omar Arias, David K. Evans, Indhira Santos, 2019-01-31 Despite strong recent economic growth Sub-Saharan Africa has levels of economic transformation poverty reduction and skill development far below those of other regions Smart investments in developing skills aligned with the policy goals of productivity growth inclusion and adaptability can help to accelerate the region's economic transformation in the 21st century Sub-Saharan Africa's growing working age population presents a major opportunity to increase shared prosperity Countries in the region have invested heavily in building skills public expenditure on education increased sevenfold over the past 30 years and more children are in school today than ever before Yet systems for building skills in this population have fallen short and these shortcomings significantly impede economic prospects In half of the countries fewer than two in every three children complete primary school even fewer reach and complete higher levels of education Learning outcomes have been persistently poor leading to substantial gaps in basic cognitive skills literacy and numeracy among children young people and adults The literacy rate of the adult population is below 50 percent in many countries functional literacy and numeracy rates are even lower Systemwide change is required to achieve significant progress Multiple agencies at the central and local levels are involved in skills development strategies making skills everyone's problem but no one's responsibility Policies and reforms need to build capacity for evidence-based policies and create incentives to align the behaviors of all stakeholders with the pursuit of national skills development goals

The Skills Balancing Act in Sub-Saharan Africa Investing in Skills for Productivity Inclusivity and Adaptability lays out evidence to inform the policy choices that countries will make in skill investments Each chapter addresses a set of specific questions drawing on original analysis and synthesis of existing studies to explore key areas How the skills appropriate to each stage of the life cycle are acquired and what market and institutional failures affect skills formation What systems are

needed for individuals to access these skills including family investments private sector institutions schools and other public programs How those systems can be strengthened How the most vulnerable individuals those who fall outside the standard systems and have missed critical building blocks in skills acquisition can be supported Countries will face trade offs often stark ones that will have distributional impacts and a bearing on their development path Committed leaders reform coalitions and well coordinated policies are essential for taking on the skills balancing act in Sub Saharan Africa Internships, Employability and the Search for Decent Work Experience Andrew Stewart, Rosemary Owens, Niall O'Higgins, Anne Hewitt, 2021-06-25 This groundbreaking book examines the growing phenomenon of internships and the policy issues they raise during a time when internships or traineeships have become an important way of transitioning from education into paid work **OECD Economic Surveys: South Africa 2020** OECD, 2020-07-31 The COVID 19 outbreak is worsening an already fragile economic outlook Since 2013 growth has been modest and unemployment has been rising Policy uncertainty has been the main driver of low confidence and subdued investment Following a sharp fiscal deterioration in recent years the crisis also heightened debt sustainability challenges *Annual Report Mpumalanga (South Africa). Department of Education, 2015* ICMLG 2018 6th International Conference on Management Leadership and Governance Dr Vincent Ribiere, 2018-05-24 These proceedings represent the work of researchers participating in the 6th International Conference on Management Leadership and Governance ICMLG 2018 which is being hosted this year by the Institute for Knowledge and Innovation Southeast Asia IKI SEA a Centre of Excellence of at Bangkok University Thailand on 24 25 May 2018 **African Pentecostal Theology** Mookgo Solomon Kgatle, 2023-12-11 African Pentecostal Theology Modality Disciplinarity and Decoloniality explores research methodology theological disciplines and contextualization as important aspects in the process of studying Pentecostal theology in an African context Mookgo Solomon Kgatle outlines different data collection and data analysis methods including the skills of interpreting and presenting research findings in a responsible manner This book illustrates that Pentecostal theology given its pneumatological approach goes beyond conventional theological disciplines in transdisciplinary research The development of knowledge in African Pentecostal Theology should recognize African Indigenous Knowledge Systems AIKS African oral and traditional cultures and African indigenous languages to be relevant to Africans Pentecostal theologians from different theological disciplines in Africa and globally will find this book a worthwhile read **Annual Report Mpumalanga (South Africa). Department of Human Settlement, 2015** **Annual Performance Plan ... Mpumalanga (South Africa). Department of Social Development, 2014** Annual Report South Africa. Department of Public Works, 2016 **Annual Report Mpumalanga (South Africa). Department of Social Development, 2015** Global Perspectives on Work-Based Learning Initiatives Talbot, Jon, 2018-10-05 The purpose of education has been debated in recent years especially surrounding its curriculum and structure In order to fully understand this discussion the relationship between education and the labor market must be explored Global Perspectives on Work Based Learning Initiatives is a

pivotal reference source that provides vital research on recent progress in selected countries across the globe in educational programs designed to better prepare students for the workforce through the use of work related learning While highlighting topics such as degree apprenticeships integrated learning strategy and economic development this book is ideally designed for education administrators professors business and education professionals academicians researchers and graduate level students seeking current research on the relationship between the education and labor market *Youth In South Africa* Ariane De Lannoy, Malose Langa, 2021-05-05 South Africa is characterised by a youthful population and the challenges and possibilities that characterise the young generation are both warning signs and beacons of hope for a nation founded on social justice Youth in South Africa Agency in visibility and national development takes stock of the nation s development as it affects young people Authors offer both personal and professional insights into the ways in which the youth navigate their own pathways to adulthood These include formal and informal engagements with politics as well as protest un employment entrepreneurship education religion experiences with sexuality and violence and a multitude of other life experiences Contributors paint a picture of the initiative agency and resilience of the youth as well as the challenges before them Authors also identify the state of waithood faced by those unable to make the transition out of youth into full adulthood as a result of their socio economic circumstances and political context By engaging these experiences and insights and primarily informed by the inputs of young people the authors highlight the limitations of existing youth policies and frameworks The case is made for policy instruments to be informed by the lived experiences of the youth as they navigate a complex macrosocial environment and by the messages the youth communicate about the limitations of current approaches **The Awards Almanac** , 1994 Annual Report ... South Africa. Department of Higher Education and Training, 2016 **The Oxford Handbook of the South African Economy** Arkebe Oqubay, Fiona Tregenna, Imraan Valodia, 2021-11-18 While sharing some characteristics with other middle income countries South Africa is a country with a unique economic history and distinctive economic features It is a regional economic powerhouse that plays a significant role not only in southern Africa and in the continent but also as a member of BRICS However there has been a lack of structural transformation and weak economic growth and South Africa faces the profound triple challenges of poverty inequality and unemployment Any meaningful debate about economic policies to address these challenges needs to be informed by a deep understanding of historical developments robust empirical evidence and rigorous analysis of South Africa s complex economic landscape This volume seeks to provide a wide ranging set of original detailed and state of the art analytical perspectives that contribute to scientific knowledge as well as to well informed and productive discourse on the South African economy While concentrating on the more recent economic issues facing South Africa the handbook also provides historical and political context It offers an in depth examination of strategic issues in the country s key economic sectors and brings together diverse analytical perspectives
