Latin American And Caribbean Foreign Policy

G. Pope Atkins

Latin American And Caribbean Foreign Policy:

Latin American and Caribbean Foreign Policy Jeanne A. K. Hey, Frank O. Mora, 2003-10-30 This comprehensive text analyzes the foreign policies of eighteen countries in Latin America and the Caribbean First assessing the state of the discipline the introduction develops a common framework that compares the relevant explanatory weight of foreign policy determinants at the individual state and international level for each country Case studies include the major regional powers such as Mexico Brazil and Argentina as well as less studied players such as the Dominican Republic Ecuador and Uruguay With its focused analytical questions and rich empirical description this book allows readers to develop sustained comparisons across the full spectrum of Latin American foreign policy *Exiting The Whirlpool* Robert Pastor, 2001-01-30 In this second edition of *Exiting the Whirlpool* Pastor explores the continuities and the changes in U S foreign policy toward Latin America under Presidents Carter Reagan Bush and Clinton Wherea **Latin America In The International Political System** G. Pope Atkins, 2019-03-06 More than a decade has passed since the publication of the first edition of *Latin America in the International Political System* Since then significant events have occurred in the region and the nature of Latin America s international relations has changed considerably Although the purpose of this text is unchanged that of providing stude *Latin American Relations with the Middle East* Marta Tawil Kuri, Elodie Brun, 2022-03-29 *Latin American Relations with the Middle East* surveys the dealings of ten Latin American and Caribbean states Argentina Brazil Chile Colombia Costa Rica Cuba Peru Mexico Uruguay and Venezuela with the Middle East This volume examines these states external behavior at both an empirical and conceptual level Empirically authors seek to examine Latin American and Caribbean foreign policies towards the Middle East in four dimensions diplomatic attention trade and investment including the energy issue development cooperation security matters intelligence and relationship with multilateralism Iran Palestine and Syria Case studies are selectively deployed to observe the influence of unfavorable circumstances that have increased since 2015 such as domestic turmoil wars economic crisis ideological bias and international constraints Conceptually the book enhances the theoretical framework for understanding Southern countries foreign policies through fomenting dialogue with Latin American and Caribbean regional literature on foreign policy Authors inquire about how decision making processes occur and uncover how influential actors help to test the main hypotheses of Foreign Policy Analysis FPA Forging essential new paths of inquiry this book is a must read for researchers of International Relations Foreign Policy South South Relations Latin American Politics and Middle Eastern Politics *Latin America And The Caribbean In The International System* G. Pope Atkins, 2018-02-06 The fourth edition of this widely praised text has been thoroughly revised to reflect the evolving characteristics of the current international system that have had a dramatic effect on every aspect of international relations of Latin America and the Caribbean The original purpose of this book is unchanged It continues to provide a topically current and analytically integrated survey of the region s role in the world Still organized around the idea of Latin

America and the Caribbean as a separate subsystem within the global international system the discussion gives special emphasis to complex interstate and transnational structures and processes Within this framework Atkins analyzes the foreign policies of the Latin American states themselves and those of the United States and other countries toward Latin America and the Caribbean He also looks closely at the nature and role of transnational actors in the region such as the multinational corporations the Holy See Protestant Churches transnational political parties international labor nongovernmental organizations and others He gives special attention to Latin American participation in international institutions at all levels

Latin American Foreign Policies Elizabeth G Ferris,Jennie K. Lincoln,1981-09-08 **Handbook Of Research On The International Relations Of Latin America And The Caribbean** G. Pope Atkins,2018-02-12 The study of Latin American and Caribbean international relations has a long evolution both within the development of international relations as a general academic undertaking and in terms of the particular characteristics that distinguish the approaches taken by scholars in the field This handbook provides a thorough multidisciplinary reference guide to the literature on the various elements of the international relations of Latin America and the Caribbean Citing over 1600 sources that date from the nineteenth century to the present with emphasis on recent decades the volume s analytic essays trace the evolution of research in terms of concepts issues and themes The Handbook is a companion volume to Atkins Latin America and the Caribbean in the International System Fourth Edition but also serves as an invaluable stand alone reference volume for students scholars researchers journalists and practitioners both official and private Political Culture and Foreign Policy in Latin America Roland H. Ebel,Raymond C. Taras,James D. Cochrane,1991-09-27 This book explores the impact of Latin America s political culture on the international politics of the region It offers a general account of traditional Iberian political culture while examining how relations among states in the hemisphere where the United States has been the central actor have evolved over time The authors assess the degree of consistency between domestic and international political behavior The assessments are supported by case studies **United States-Latin America-Caribbean Policy** ,1983 Whirlpool Robert A. Pastor,1992 In every generation the United States has been drawn into the Latin American whirlpool where it becomes obsessed with small nations like Nicaragua and defiant dictators like Manuel Noriega Then just as suddenly we are released and forget the region Has the end of the Cold War liberated the United States from the whirlpool of recurring interventions in Latin American politics To answer this question Robert Pastor draws on more than fifteen years of formulating and writing about U S foreign policy toward Latin America and the Caribbean In this timely book he maintains that the collapse of communism is less important in permitting the United States to escape the whirlpool than are the new trends of democracy and freer trade in the region After a personal reminiscence of the Panamanian leader Omar Torrijos and his lessons for inter American relations Pastor provides an overview of U S Latin American policy under Presidents Carter Reagan and Bush and an analysis of the distinctive role played by Congress Next he looks at the recurring challenges faced

by the United States in this century how it has tried but often failed to manage succession crises stop revolutionaries promote elections and encourage development in the region Finally Pastor offers a series of far reaching policy recommendations based partly on a redefinition of sovereignty In the post Cold War era the United States still needs to cut the Gordian security knot that connects instability intervention and massive refugee flow and at times drugs and terrorism To solve these problems and exit the whirlpool Washington should renounce unilateral intervention and take the lead in establishing a new system to collectively defend democracy and forge a freer trade area This new hemispheric democratic community would also give the United States an advantage in the economic competition against Japan and Germany and it could serve as a model for a new relationship between the rich and poor nations of the world

Contemporary U.S.-Latin American Relations Jorge I. Domínguez, Rafael Fernández de Castro, 2010-07-09 Drawing on the research and experience of fifteen internationally recognized Latin America scholars this insightful text presents an overview of inter American relations during the first decade of the twenty first century This unique collection identifies broad changes in the international system that have had significant affects in the Western Hemisphere including issues of politics and economics the securitization of U S foreign policy balancing U S primacy the wider impact of the world beyond the Americas especially the rise of China and the complexities of relationships between neighbors Contemporary U S Latin American Relations focuses on the near neighbors of the United States Mexico Cuba the Caribbean and Central America as well as the larger countries of South America including Argentina Brazil Chile Colombia Peru and Venezuela Each chapter addresses a country s relations with the United States and each considers themes that are unique to that country s bilateral relations as well as those themes that are more general to the relations of Latin America as a whole This cohesive and accessible volume is required reading for Latin American politics students and scholars alike

American Foreign Policy Richmond M. Lloyd, 2009 NOTE NO FURTHER DISCOUNT FOR THIS PRODUCT OVERSTOCK SALE Significantly reduced list price while supplies last Proceedings form a forum which provided a collegial forum for a small and select group of foreign policy and regional experts to formulate and recommend new directions for American foreign policy for each of the major regions of the world With a new American administration in office this is an opportune time to assess American foreign policy and to set future directions

- 1 What challenges and opportunities will the United States and its allies and friends face in the future
- 2 What changes should be made to all elements of U S foreign policy including the diplomatic economic military and informational elements
- 3 What elements should continue
- 4 What are the varying perspectives of nations within the region concerning U S foreign policy
- 5 What changes in U S foreign policy would they desire
- 6 Overall what new directions for U S foreign policy will better support the interests and objectives of the United States its allies and its friends

A total of thirty three foreign policy and regional experts participated in the workshop Seventeen panelists presented papers on seven panels A Global Perspective Western Hemisphere Asia and the Pacific South Asia The Greater Middle East Europe and Russia and Africa Policymakers members of

Latin American Studies in China and China's Foreign Policy Toward Latin America Tu Guangnan,1991 **Latin American Foreign Policies: Global and Regional Dimensions** Elizabeth G. Ferris,2020-02-24 This collection of original essays takes a comprehensive look at Latin America's regional and global foreign policies The book begins with an assessment of the current state of research in the field followed by an overview of Latin American foreign policies and the political determinants of those policies Next an examination of the global policies of Brazil Cuba Mexico and Peru demonstrates differing theoretical perspectives and provides information for cross national comparisons The third section presents case studies of regional foreign policies in Argentina Brazil Chile Bolivia Venezuela Mexico Cuba and the Anglophone Caribbean nations In the concluding chapter the editors review the recurring themes in the book and propose a theory for the analysis of Latin American foreign policy behavior **American Foreign Policy Toward Latin America in the 80s and 90s** Howard J. Wiarda,1992 This thoughtful controversial book by one of the country's leading Latin America scholars examines the fundamental tenets and ideologies behind America's policy towards Latin America over the course of the last three administrations Howard Wiarda who has served as a consultant for the State Department the Department of the Army the National Security Council the Kissinger Commission and the White House is ideally situated to provide an insider account of policy decisions and process during the Reagan Bush era The combination of Wiarda's academic background and his hands on knowledge of Washington practices and processes results in a volume that is extremely readable and will serve as a vital link between the scholarly and policymaking communities Wiarda supplements his incisive analysis on the role of the military in Latin America shifting U S strategic policy democracy and human rights and the problems presented by dictators in decline with illuminating case studies of Mexico Cuba Nicaragua South America and the Caribbean The result is a book that will be of interest to both scholars and students of American foreign policy and Latin American studies as well as policymakers and analysts American Foreign Policy, 1984 **Latin America And The U.s. National Interest** Margaret Daly Hayes,2019-03-04 Arguing for a new and sober look at the nature of U S Latin American relations Dr Hayes addresses the question Does the United States have compelling national interests in maintaining close relations with Latin American countries Her conclusion is yes but for reasons different from those offered in the traditional

literature or espoused by many policy analysts She maintains that U S interests in relations with Latin America are primarily political secondarily economic though economic ties are the basis of the relationship and only marginally military Proper emphasis on these long term interests may be critical to U S national security in a global as well as regional context Dr Hayes points out that the Latin American countries occupying a unique position among developing nations today because of their comparatively successful experiences in achieving economic growth and development represent an increasingly important political influence in both the developed and developing worlds Moreover she argues it is in the U S interest to give economic aid to the less developed countries in the hemisphere particularly in the Caribbean Basin U S security is better preserved and enhanced by encouraging political and economic stability in the region than by promoting military alliances that Latin Americans may not really want Supporting the need for a revised rationale for U S Latin American relations Dr Hayes focuses in detail on the regions and nations of special interest to the United States today the Caribbean Basin Mexico in a chapter by Professor Bruce M Bagley Brazil and the Southern Cone

China and Latin America in Transition Shoujun Cui, Manuel Pérez García, 2016-08-27 This volume explores the policy dynamics economic commitments and social impacts of the fast evolving Sino LAC relations China s engagement with Latin America and the Caribbean has entered into an era of strategic transition While China is committed to strengthening its economic and political ties with Latin America and the Caribbean Latin America as a bloc is enthusiastically echoing China s endeavor by diverting their focus toward the other side of the ocean The transitional aspect of China LAC ties is phenomenal and is manifested not only in the accelerating momentum of trade investment and loan but also in the China CELAC Forum mechanism that maps out an institutional framework for decades beyond While Latin America is redefined as an emerging priority to the leadership in Beijing what are the responses from Latin America and the United States In this sense experts from four continents provide local answers to this global question

Report on the Foreign Policy of the Czech Republic 2009 ,2010-12-01

The Foreign Policy of the European Union Federiga Bindi, 2022-10-04 An all inclusive exhaustive evaluation of the foreign policy of the European Union Fourteen years ago the 2009 Lisbon Treaty put into place the legal and structural foundations for the European Union to play a role as a global actor In the decade since the EU itself has undergone intense political and economic stress from debt crises to the rise of nationalist parties and the strains of Brexit What effect have these changes had on the EU s foreign policy and its role in the world This new edition of *The Foreign Policy of the European Union* offers an up to date and comprehensive examination of that question The globe spanning contributions to the book include a look at relations between Brussels and its regional neighbors including Russia the tensions that have arisen with the United States during the Trump administration and the burgeoning relationship with China How the EU is dealing with issues such as migration terrorism trade and security round out the volume

While this might not be the Latin American And Caribbean Foreign Policy full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Latin American And Caribbean Foreign Policy eBooks, including some popular titles.

FAQs About Latin American And Caribbean Foreign Policy Books

What is a Latin American And Caribbean Foreign Policy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Latin American And Caribbean Foreign Policy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Latin American And Caribbean Foreign Policy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Latin American And Caribbean Foreign Policy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Latin American And Caribbean Foreign Policy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
