Pope (2013- : Francis), 2015 This appeal from Pope Francis to all who inhabit this planet states that humans have made irresponsible use of the Earth that climate change affects most people living in poverty and that we must unite to protect the planet Ultimately Pope Francis challenges all people to praise and thank God for his glorious creation and to work together to safeguard her Laudato Si will make an impact politically as well as upon the major environmental and economic debates of our time Encyclical Letter Laudato Si' of the Holy Father Francis Pope Francis, 2015

You Pope Francis addresses every person living on this planet inviting us to dialogue together about the urgent environmental challenges facing the earth our common home and how we can work together protect its fragile resources He challenges us to think of ecology not merely in terms of the environment **Laudato Si --Praise Be to You** Pope Francis,2015-06-27 Damage to nature goes against human dignity If I do something against part of nature I do something against humanity But at the same time we can say that if we do something against men we cannot say that we really love nature One of the most profound phrases in Pope Francis new encyclical is actually a question The Holy Father asks What kind of world do we want to leave to those who come after us to children who are now growing up Laudato Si' Catholic Church. Pope (2013- : Francis),2015 **On Care for Our Common Home** ,2015 Pope Francis calls the Church and the world to acknowledge the urgency of our environmental challenges and join him in embarking on a new path Page 4 of cover
