## **Laughing All The Way The Christmas Letters:**

*Laughing All the Way: the Christmas Letters* John Post, 2015-11-06 When I got married in 1997 I embarked on a journey to write a Christmas letter that our families and friends would look forward to pulling from their mailboxes I wanted them to laugh at our letter not because it was poorly written but because it was amusing But then something unexpected happened One winter day an anesthesiologist at my wife s hospital my wife doesn t actually own the hospital she just works there approached her He said Your family Christmas letter was hilarious I don t recall sending you a letter Doctor squinting at his nametag Morphiney my wife replied politely You didn t he smiled One of the nurses pinned it up on the staff bulletin board with a Must Read sticky note on it Requests for the letter from different hospital employees my wife didn t know and even requests for back issues of our letters for cross reference continued to happen each December So now during this Holiday Season of Giving we ve decided the time has come to share our book of letters with EVERYONE and that includes YOU

**The Last Christmas Letter** Keith C. Snyder, 2023-05-16 This book started out to be just a culmination of the original 30 Christmas Letters and the stories surrounding them but in the end turned into much more encompassing story of our family and unfortunately my somewhat questionable life decisions and ongoing issues Nothing to worry about here as I am and always have been a law abiding people loving hardworking person but sometimes my way of doing things has left many wondering just what the heck I was thinking As for the book I think it is something that you will enjoy reading as it probably more attune to your own life s stories than you ll probably want to admit Even when I die my picture will be somewhere in the back pages but with my luck it will probably be the one taken that night at the Lewiston Boy s Club and the headline won t be Loving Father and Husband Passes It will read Keith Embarrasses Mother So the next day I show up to grade school with one front tooth missing and my wrist all taped up and the teacher probably wondering what kind of torture I was being put through But in actuality she probably had taught all three of my older brothers and just figured I was just learning to be one of them You just gotta love my family Another thing I have

learned is that Sharon and I don't shop the same I shop like this Look like buy use Sharon shops like this Look look like look look like look like look look look really like buy return Well I finally went home and the first night back Sharon fell off her crutches dislocated one finger and broke another Boy you'd think that with those crutches she'd been able to hop right over that deer lying on the floor Maybe there is something to me making things worse
