Landmarks In Humanities Second Edition:

The Music History Classroom James A. Davis, 2016-02-17 The Music History Classroom brings together essays written by recognized and experienced teachers to assist in the design implementation and revision of college level music history courses This includes the traditional music history survey for music majors but the materials presented here are applicable to other music history courses for music majors and general education students alike including period classes composer or repertory courses and special topics classes and seminars The authors bring current thought on the scholarship of teaching and learning together with practical experience into the unique environment of the music history classroom While many of the issues confronting teachers in other disciplines are pertinent to music history classes this collection addresses the unique nature of musical materials and the challenges involved in negotiating between historical information complex technical musical issues and the aesthetics of performing and listening This single volume provides a systematic outline of practical teaching advice on all facets of music history pedagogy including course design classroom technology listening and writing assignments and more The Music History Classroom presents the nuts and bolts of teaching music history suitable for graduate students junior faculty and seasoned teachers alike Landmarks in Humanities Gloria K. Fiero, 2024 All travelers appreciate a personal guide For humanities students LANDMARKS provides a chronological journey through the history of culture in one semester Focusing on prominent landmarks from prehistory to the present LANDMARKS introduces students to the creative endeavors of the human imagination and to the prominent ideas and issues that have shaped the course and character of the world's cultures The landmarks that mark this journey are the great works of their place and time they have been transmitted from generation to generation as a living legacy Understanding that a global humanities course is taught in varying ways Gloria Fiero redefines the discipline for greater flexibility via a variety of personalized digital tools that meet and refine your teaching goals in less time Enhanced by McGraw Hill Education's SmartBook 2.0 Fiero delivers a learning experience tailored to the needs of each institution instructor and student With the ability to incorporate new extended readings streaming music and artwork LANDMARKS renews the understanding of the relationship between world cultures and humankind's creative legacy

Minutes to Midnight, 2nd Edition Paul Dukes, 2020-10-30 The book examines the evolution of the predicament symbolised by the setting of the Doomsday Clock at a few minutes to midnight in the context of the Anthropocene Era from 1763 making special reference to the study of history throughout the period It seeks to demonstrate the necessity for history as science pointing out the inadequacy of some previous approaches It argues for a pandisciplinary approach to today's crisis

Pieces of Eight Charles R. Ewen, Russell K. Skowronek, 2016-01-16 There is little to distinguish the pirate from the average sailor in the archaeological record Virtually every pirate related site yet excavated would not be identified as such without the accompanying historical record The contributors to this volume combine both material culture and archival research to confirm the exploits of pirates and the ships they sailed Expanding on

the widely successful *X Marks the Spot* Pieces of Eight explores the newest findings in the maritime archaeology of piracy The contributors examine the latest discoveries at Captain Henry Morgan s encampments and recount William Kidd s epic capture of the Quedagh Merchant in the Indian Ocean Other chapters include explorations of Blackbeard s Queen Anne s Revenge Bartholomew Black Bart Robert s Ranger and even Hollywood s portrayal of pirates Pieces of Eight is a thrilling and eye opening view of pirate life as well as the final underwater resting places of their ships **Landmarks in Humanities**

Gloria FIERO,2016 *Teaching Climate Change in the Humanities* Stephen Siperstein,Shane Hall,Stephanie LeMenager,2016-10-04 Climate change is an enormous and increasingly urgent issue This important book highlights how humanities disciplines can mobilize the creative and critical power of students teachers and communities to confront climate change The book is divided into four clear sections to help readers integrate climate change into the classes and topics they are already teaching as well as engage with interdisciplinary methods and techniques Teaching Climate Change in the Humanities constitutes a map and toolkit for anyone who wishes to draw upon the strengths of literary and cultural studies to teach valuable lessons that engage with climate change *A Parametric Approach to Persian Syntax* A. Soheili,2024-10-03 Persian syntax has been analyzed within various theoretical models to explore language specific rules that generate various syntactic structures such as passive relative clause interrogative etc This book offers a comprehensive updated delineation of Persian syntax with reference to the P P approach which posits that the language faculty incorporates a set of principles of Universal Grammar UG that are invariant across languages and their associated parameters that vary from one language to another In addition to the theoretical dimension of the approach the book also examines the significant implications of the approach in the realms of first language acquisition second language learning translation and language typology
