## **Landscape Art Taha M Muhammad:**

Landscape (Arabic) Taha Muhammad, 2015-11-29 I was in a strange place as I was in my Kurdistan land strange Not only was it strange in my Kurdistan land but there was iron and fire on our heads by the executioners from Iraq Turkey Iran and Syria This alienation that I've been away from getting our rights on our Kurdistan land as a state such as Turks and Arabs made me to express my sorrow by the innocent paintings Is it not unfair to be a slave to another folk who rules us with all of his might by weapons of others and destroys our villages and kills hundreds when he wants and there's no country in the world to pronounce on this brazen injustice And now it's time for the independence of Kurdistan from the wolves and it's time to sit down and look carefully at my innocent paintings you also perhaps will look at my paintings from other people of the Turks Persians and Arabs and all the world

*Street Art in the Middle East* Sabrina de Turk, 2019-06-27 Since the 2011 Arab Spring street art has been a vehicle for political discourse in the Middle East and has generated much discussion in both the popular media and academia Yet this conversation has generalised street art and identified it as a singular form with identical styles and objectives throughout the region Street art's purpose is however defined by the socio cultural circumstances of its production Middle Eastern artists thus adopt distinctive methods in creating their individual work and responding to their individual environments Here in this new book Sabrina De Turk employs rigorous visual analysis to explore the diversity of Middle Eastern street art and uses case studies of countries as varied as Egypt Tunisia
