Language And Translation In Postcolonial Literatures:

Language and Translation in Postcolonial Literatures Simona Bertacco, 2013-12-17 This collection gathers together a stellar group of contributors offering innovative perspectives on the issues of language and translation in postcolonial studies. In a world where bi and multilingualism have become quite normal, this volume identifies a gap in the critical apparatus in postcolonial studies in order to read cultural texts emerging out of multilingual contexts. The role of translation and an awareness of the multilingual spaces in which many postcolonial texts are written are fundamental issues with which postcolonial studies needs to engage in a far more concerted fashion. The essays in this book by contributors from Australia, New Zealand, Zimbabwe, Cyprus, Malaysia, Quebec, Ireland, France, Scotland, the US, and Italy outline a pragmatics of language and translation of value to scholars with an interest in the changing forms of literature and culture in our times. Essay topics include multilingual textual politics, the benefits of multilingual education in postcolonial countries, the language of gender and sexuality in postcolonial literatures, translational cities, postcolonial calligraphy, globalization, and the new digital ecology.

Postcolonial Translation Susan Bassnett, Susan Bassnett (S Editor), Harish Trivedi, 2012-10-12 This outstanding collection brings together eminent contributors from Britain, the US, Brazil, India, and Canada to examine crucial interconnections between postcolonial theory and translation studies. Examining the relationships between language and power across cultural boundaries, this collection reveals the vital role of translation in redefining the meanings of culture and ethnic identity. The essay topics include links between centre and margins, intellectual transfer, shifts in translation practice from colonial to postcolonial societies, translation and power relations in Indian languages, Brazilian cannibalistic theories, and literary transfer.

Translation in a Postcolonial Context Maria Tymoczko, 2016-04-08 This ground breaking analysis of the cultural trajectory of England's first colony constitutes a major contribution to postcolonial studies, offering a template relevant to most cultures emerging from colonialism. At the same time, these Irish case studies become the means of interrogating

contemporary theories of translation Moving authoritatively between literary theory and linguistics philosophy and cultural studies anthropology and systems theory the author provides a model for a much needed integrated approach to translation theory and practice In the process the work of a number of important literary translators is scrutinized including such eminent and disparate figures as Standish O Grady Augusta Gregory and Thomas Kinsella The interdependence of the Irish translation movement and the work of the great 20th century writers of Ireland including Yeats and Joyce becomes clear expressed for example in the symbiotic relationship that marks their approach to Irish formalism Translation in a Postcolonial Context is essential reading for anyone interested in translation theory and practice postcolonial studies and Irish literature during the 19th and 20th centuries

The Routledge Handbook of Translation and Young Audiences Michał Borodo, Jorge Díaz-Cintas, 2025-01-31 The Routledge Handbook of Translation and Young Audiences offers a comprehensive overview of translation in the context of young audiences The handbook synthesises research on translation of children s and young adult literature audiovisual translation the translation of comics and picture books empirical research methods and translation performed by fan communities in the digital world Adopting a forward looking approach it is organised around these five key themes which taken together propose a new way of looking at interrelated phenomena which have never been brought together before to map this emerging area of study Featuring 35 contributions from leading and emerging scholars the volume showcases a range of perspectives which focus on translation and cultural practices around children and young adults not only as readers viewers and consumers but also as prosumers and collaborative creators of content Providing a multi layered perspective on the study of translation and young audiences this handbook will be a valuable resource for students and scholars in translation studies particularly those interested in audiovisual translation media translation multimodal texts and children s literature

Handbook of Translation Studies Yves Gambier, Luc van Doorslaer, 2010-10-28 As a meaningful manifestation of how institutionalized the discipline has become the new Handbook of Translation Studies is most welcome The HTS aims at disseminating knowledge about translation and interpreting to a relatively broad audience not only students who often adamantly prefer user friendliness researchers and lecturers in Translation Studies Translation but also scholars experts and professionals from other disciplines among which linguistics sociology history psychology Moreover the HTS is the first handbook with this scope in Translation Studies that has both a print edition and an online version The HTS is variously searchable by article by author by subject Another benefit is the interconnection with the selection and organization principles of the online Translation Studies Bibliography TSB Many items in the reference lists are hyperlinked to the TSB where the user can find an abstract of a publication All articles are written by specialists in the different subfields and are peer reviewed

Monolingualism and Linguistic Exhibitionism in Fiction Anjali Pandey, 2016-01-25 How are linguistic wars for global prominence literarily and linguistically inscribed in literature This book focuses on the increasing presence of cosmetic multilingualism in prize winning fiction making a case for an emerging transparent turn in which momentary multilingualism works in the service of long term monolingualism

Paradoxes of Postcolonial Culture Sandra Ponzanesi, 2004-11-18 Explores postcolonial discourse from the standpoint of feminism and writers in minority languages

Less Translated Languages Albert Branchadell, Lovell Margaret West, 2005 This is the first collection of articles devoted entirely to less translated languages a term that brings together well known widely used languages such as Arabic or Chinese and long neglected minority languages with power as the key word at play It starts with some views on English the dominant language in Translation as elsewhere considers the role of translation for minority languages both a source of inequality and a means to overcome it takes a look at translation from less translated major languages and cultures and ends up with a closer look at translation into Catalan a paradigmatic case of less translated language in a final section that includes a vindication of six prominent Catalan translators Combining sound theoretical insight and accurate analysis of relevant case studies the contributors to this collection make a convincing case for a more thorough examination of less translated languages within the field of Translation Studies

The Translator as Rewriter of Postcolonial Literature: Ethical and Intercultural Considerations Elena RODRÍGUEZ MURPHY, 2011-03-24 La publicaci n de este volumen representa un caso relativamente ins lito Un peque o grupo de j venes investigadores de menos de treinta a os convence a un grupo mucho m s numeroso de la misma edad para celebrar en Salamanca la First Conference of Young Researchers on Anglophone Studies El resultado es deslumbrante No solo demuestran una gran capacidad organizativa sino que los resultados individuales de las aportaciones cient ficas son sobresalientes Este volumen Current Trends in Anglophone Studies recoge una selecci n revisada de las propuestas presentadas en el Encuentro y gira en torno a una estructuraci n tripartita cl sica estudios culturales ling sticos y literarios En ella caben todos aquellos que se mueven en el campo de los estudios angl fonos Cada uno de estos campos podr a haber sido suficiente para celebrar un congreso pero parece razonable que en este tipo de encuentros tengan cabida todos De ese modo este volumen se convierte en un ejemplo de aproximaci n interdisciplinar a los estudios angl fonos Desde un punto de vista cuantitativo los estudios culturales ocupan sin duda un espacio menor Sin embargo sobresale la variedad de temas tratados as como la internacionalizaci n de los autores dentro de este apartado Estudiantes espa oles e italianos acometen

estudios relacionados con la música la pintura el cine la traducción la marginalidad social o el impacto de las nuevas tecnologías en la producción artística Si no pareciera demasiado atrevido podríamos decirse que estos jóvenes estudiosos irían más allá de lo que un día ya lejano pudieron imaginar Richard Hoggard o Raymond Williams Los estudios aquí presentados reflejan sin duda la evolución que la propia sociedad ha experimentado en estos últimos cincuenta años y exploran la relación entre las prácticas culturales la vida diaria y los contextos económicos políticos e históricos No es de extrañar que una gran parte de las contribuciones presentadas en este volumen se centren en el estudio de la lengua ya que la demanda del inglés se ha incrementado de forma considerable en los últimos años Sobresalen los análisis puramente filológicos y sobre todo los relacionados con el aprendizaje del inglés como segunda lengua Por eso destacan estudios que contemplan rasgos morfológicos léxicos o sintácticos Sin embargo el mayor número de participaciones hace referencia al ya citado aprendizaje del inglés como L2 tanto desde el análisis de materiales como desde la práctica oral o escrita Las contribuciones literarias ofrecen una evaluación teórica formal e interpretativa de distintas tendencias desde perspectivas tanto interdisciplinarias como interculturales Cronológicamente los estudios abarcan textos desde el siglo XVIII hasta nuestros días con un acento especial en los autores más contemporáneos y en el género narrativo En general estos estudios se fijan en textos concretos y los analizan desde perspectivas culturales sociológicas o psicológicas Pero abundan menos las aproximaciones desde la teoría literaria desde la técnica narrativa o como tal vez cabría esperar al tratarse de estudiantes tan jóvenes desde la aplicación de las nuevas tecnologías Por el contrario se repiten temas como los traumas heredados de la Guerra de Vietnam las cicatrices del 11 de septiembre o los problemas de género En definitiva se trata de una selección de artículos claramente prometedora que transmite la seguridad de que el futuro de la Filología Inglesa está en buenas manos y podrá experimentar una positiva evolución en los próximos años Por todo ello hay que felicitar a todos los participantes individuales y sobre todo a los organizadores del evento y editores de este volumen que han demostrado una enorme capacidad de trabajo y de saber hacer

Retracing the History of Literary Translation in Poland Magda Heydel, Zofia Ziemann, 2021-09-30 This book the first of its kind for an English language audience introduces a fresh perspective on the Polish literary translation landscape providing unique insights into the social political and ideological underpinnings of Polish translation history Employing a problem based approach the book creates a map of different research directions in the history of literary translation in Poland highlighting a holistic perspective on the discipline's development in the region The four sections explore topics of particular interest in current translation research including translation and cultural borderlands the agency of women translators translators as intercultural mediators and the intersection of translation research and digital methods The 15 contributions demonstrate the ways in which Polish culture has represented translated work in its own way informed and shaped by socio political changes in Polish history At the same time the volume situates Polish research in translation within the growing body of work on Central and Eastern European translation studies as well as looking at them against the

backdrop of the international development of the discipline This collection offers a valuable addition to existing research on Western literary canons making it key reading for scholars in translation studies comparative literature cultural studies and Slavonic studies

Retelling the Caribbean Laura Ekberg, 2025-09-26 Retelling the Caribbean examines heterolingualism in Anglophone Caribbean novels and their Finnish translations Heterolingualism such as various types of code switching is utilised by many Caribbean authors to represent the linguistic multiplicity of Caribbean cultures Switching between different languages is a natural part of communication in Caribbean communities Consequently issues of language and cultural representation have become an integral part of the Caribbean literary tradition This study is located at an intersection between the notion of intercultural translation employed in Postcolonial Studies and the notion of interlingual translation that is at the centre of Translation Studies examining both the original novels and their Finnish translations as forms of translation The book maps the strategies used by the Finnish translators of these heterolingual texts comparing them to the strategies used by the authors in the representation of Caribbean language and culture in the original literary works Through textual analysis of works spanning five decades of translated Anglophone Caribbean fiction in Finnish as well as translator interviews the book sheds light on some of the central issues related to cultural representation in the translation of heterolingual literary works

In Translation Paul St-Pierre, Prafulla C. Kar, 2007-01-01 With contributions by researchers from India Europe North America and the Caribbean In Translation Reflections refractions transformations touches on questions of method and on topics including copyright cultural hybridity globalization identity construction and minority languages which are important for the disciplinary development of translation studies but also of interest to other fields as well most notably comparative literature cultural studies and world literature The volume provides a forum for new voices to be heard alongside those of well established scholars and for current concerns to express themselves often focusing on practices in areas of the world other than Europe or North America which have until now tended to dominate the field Acknowledging difference and celebrating it the contributions conceive of translation as a process which reconstitutes and transforms which brings renewal and growth an interaction in a new context a new reading a new writing

African Perspectives on Literary Translation Judith Inggs, Ella Wehrmeyer, 2021-03-02 This collection serves as a showcase for literary translation research with a focus on African perspectives highlighting theoretical and methodological developments in the discipline while shedding further light on the literary landscape in Africa The book offers a framework for understanding key approaches and topics in literary translation situated in the African context covering foundational concepts as well as new directions within the field The first half of the volume focuses on the translation product exploring such topics as translation strategies literary genres and self translation while the second half examines process and reception allowing for an in depth look at agency habitus and ethics Each chapter is structured to allow for the introduction of a given theoretical aspect of literary translation followed by a summary of a completed research project with an African focus

showing theory in practice offering a model for readers to build their own literary translation research projects while also underscoring the range of perspectives and unique challenges to literary translation work in Africa This unique volume is a key resource for students and scholars in translation studies giving visibility to African perspectives on literary translation while pointing the way forward for future research directions

Reconfiguring and Appropriating Arabic, Persian, and Indic Literary Traditions in Seventeenth- and Eighteenth-Century Britain Claire Gallien, 2025-03-20

Reconfiguring and Appropriating Arabic Persian and Indic Literary Traditions in Seventeenth and Eighteenth Century Britain investigates the reconfigurations of literary traditions coming from Islamicate regions of the world by British orientalists Claire Gallien explores the logics of orientalist selection reconfiguration and appropriation of Islamicate literary canons and focuses on the period going from the endowment of the first chairs in Arabic at Cambridge and Oxford in 1632 and 1636 respectively to the establishment of the Asiatic Society in Calcutta in 1784 presided by Sir William Jones until 1794 Contrary to the Saidian premise of an invention of the East by the West Gallien argues that orientalists did not invent a canon but they transferred and translated texts and authors which who were already recognised as canonical across Islamicate literary cultures Given the above the question that preoccupies this book is what happens to the canon when partially re created and re purposed for European readers Organised in three main parts this book analyses first the constitution of collections of Arabic Persian and Indic manuscripts and their cataloguing in England in the seventeenth and eighteenth centuries The second part investigates the variety of linguistic and literary partitioning and assemblage proposed by orientalists and discusses how their classical literary formation underpinned theories and practices of imitation translation and writing The third part examines the editing and translating of Arabic Persian and Indic literatures in seventeenth and eighteenth century England as well as in British colonial India and in particular the function of specimens and anthologies in the constitution of a corpus of Eastern literatures in English
