

Includes Percy's reminiscences of patrolling the
vulnerable Mississippi River levees and living through
the chaos and devastation of the Flood of 1927

LANTERNS ON THE LEVEE

RECOLLECTIONS OF A PLANTER'S SON

WILLIAM ALEXANDER PERCY

WITH AN INTRODUCTION BY WALKER PERCY

Lanterns On The Levee Recollections Of A Planters Son

Fred Hobson

Lanterns On The Levee Recollections Of A Planters Son:

Lanterns on the Levee William Alexander Percy, 2006-10-01 Born and raised in Greenville Mississippi within the shelter of old traditions aristocratic in the best sense William Alexander Percy in his lifetime 1885 1942 was brought face to face with the convulsions of a changing world *Lanterns on the Levee* is his memorial to the South of his youth and young manhood In describing life in the Mississippi Delta Percy bridges the interval between the semifeudal South of the 1800s and the anxious South of the early 1940s The rare qualities of this classic memoir lie not in what Will Percy did in his life although his life was exciting and varied but rather in the intimate honest and soul probing record of how he brought himself to contemplate unflinchingly a new and unstable era The 1973 introduction by Walker Percy Will's nephew and adopted son recalls the strong character and easy grace of the most extraordinary man I have ever known **Lanterns on the levee**

William A. Percy, 1959 *Lanterns on the Levee; Recollections of a Planter's Son, with an Introduction* William Alexander Percy, 1973 **Lives of Mississippi Authors, 1817-1967** James B. Lloyd, 1981 *Before Jim Crow* Jane Dailey, 2009-11-30

Long before the Montgomery bus boycott ushered in the modern civil rights movement black and white southerners struggled to forge interracial democracy in America This innovative book examines the most successful interracial coalition in the nineteenth century South Virginia's Readjuster Party and uncovers a surprising degree of fluidity in postemancipation southern politics Melding social cultural and political history Jane Dailey chronicles the Readjusters efforts to foster political cooperation across the color line She demonstrates that the power of racial rhetoric and the divisiveness of racial politics derived from the everyday experiences of individual Virginians from their local encounters on the sidewalk before the magistrate's bench in the schoolroom In the process she reveals the power of black and white southerners to both create and resist new systems of racial discrimination The story of the Readjusters shows how hard white southerners had to work to establish racial domination after emancipation and how passionately black southerners fought each and every infringement of their rights as Americans William Alexander Percy Benjamin E. Wise, 2012-03-12 In this evocative biography Benjamin E. Wise presents the singular life of William Alexander Percy 1885 1942 a queer plantation owner poet and memoirist from Mississippi Though Percy is best known as a conservative apologist of the southern racial order in this telling Wise creates a complex and surprising portrait of a cultural relativist sexual liberationist and white supremacist We follow Percy as he travels from Mississippi around the globe and always back again to the Delta Wise's exploration brings depth and new meaning to Percy's already compelling life story his prominent family's troubled history his elite education and subsequent soldiering in World War I his civic leadership during the Mississippi River flood of 1927 his mentoring of writers Walker Percy and Shelby Foote and the writing and publication of his classic autobiography *Lanterns on the Levee* This biography sets Percy's life and search for meaning in the context of his history in the Deep South and his experiences in the gay male world of the early twentieth century In Wise's hands these seemingly disparate worlds become one Tell About the South

Fred Hobson, 1983-10-01 In this insight studded work that established him as the premier interpreter of southern literary culture Fred Hobson explores the southern urge toward self examination the seeming compulsion of southern writers to discuss their region some defending it others damning it He focuses on fourteen practitioners of the southern genre of regional confession who wrote between 1850 and 1970 showing how they in many cases linking their own destinies with the fate of the South produced deeply felt impassioned books that sought to explain the region to outsiders as well as to fellow southerners and perhaps most of all to themselves

The Mississippi Encyclopedia Ted Ownby, Charles Reagan Wilson, Ann J. Abadie, Odie Lindsey, James G. Thomas Jr., 2017-05-25 Recipient of the 2018 Special Achievement Award from the Mississippi Institute of Arts and Letters and Recipient of a 2018 Heritage Award for Education from the Mississippi Heritage Trust The perfect book for every Mississippian who cares about the state this is a mammoth collaboration in which thirty subject editors suggested topics over seven hundred scholars wrote entries and countless individuals made suggestions The volume will appeal to anyone who wants to know more about Mississippi and the people who call it home The book will be especially helpful to students teachers and scholars researching writing about or otherwise discovering the state past and present The volume contains entries on every county every governor and numerous musicians writers artists and activists Each entry provides an authoritative but accessible introduction to the topic discussed The Mississippi Encyclopedia also features long essays on agriculture archaeology the civil rights movement the Civil War drama education the environment ethnicity fiction folklife foodways geography industry and industrial workers law medicine music myths and representations Native Americans nonfiction poetry politics and government the press religion social and economic history sports and visual art It includes solid clear information in a single volume offering with clarity and scholarship a breadth of topics unavailable anywhere else This book also includes many surprises readers can only find by browsing

Shelby Foote and the Art of History James Panabaker, 2004 Panabaker examines several key influences on Foote's development as a writer and historian from his upbringing in the progressive southern town of Greenville Mississippi and his relationship with William Alexander Percy to the inescapable shadow of Faulkner Jacket

Devil's Music, Holy Rollers and Hillbillies James A. Cosby, 2016-06-05 Rock music today is universal and its popular history is well known Yet few know how and why it really came about Taking a fresh look at events long overlooked or misunderstood this book tells how some of the most disenfranchised people in a free and prosperous nation strove to make themselves heard and changed the world Describing the genesis of rock and roll the author covers everything from its deep roots in the Mississippi Delta key early figures like deejay Daddy O Dewey Phillips and gospel star Sister Rosetta Tharpe and the influence of so called holy rollers of the Pentecostal church who became crucial performers Elvis Presley Jerry Lee Lewis and Little Richard

Making Whiteness Grace Elizabeth Hale, 2010-08-25 Making Whiteness is a profoundly important work that explains how and why whiteness came to be such a crucial embattled and distorting component of twentieth century American identity In intricately textured detail and with passionately

mastered analysis Grace Elizabeth Hale shows how when faced with the active citizenship of their ex slaves after the Civil War white southerners re established their dominance through a cultural system based on violence and physical separation And in a bold and transformative analysis of the meaning of segregation for the nation as a whole she explains how white southerners creation of modern whiteness was beginning in the 1920s taken up by the rest of the nation as a way of enforcing a new social hierarchy while at the same time creating the illusion of a national egalitarian consumerist democracy By showing the very recent historical making of contemporary American whiteness and by examining how the culture of segregation in all its murderous contradictions was lived Hale makes it possible to imagine a future outside it Her vision holds out the difficult promise of a truly democratic American identity whose possibilities are no longer limited and disfigured by race

Portrait of a Scientific Racist James G. Hollandsworth, Jr., 2008-11-01 In the years after Reconstruction racial tension soared as many white southerners worried about how to deal with the millions of free African Americans among them an issue they termed the negro problem In an attempt to maintain the status quo white supremacists resurrected old proslavery arguments and sought new justification in scientific theories purporting to prove people of African descent inherently inferior to whites In *Portrait of a Scientific Racist* James G Hollandsworth Jr reveals how the conjectures of one of the country s most prominent racial theorists Alfred Holt Stone helped justify a repressive racial order that relegated African Americans to the margins of southern society in the early 1900s In this revealing biography Hollandsworth examines the thoughts and motives of this renowned man focusing primarily on Stone s most intensive period of theorizing from 1900 to 1910 A committed and vocal white supremacist Stone believed black southern workers were inherently lazy a trait he attributed to their African genes and heritage He asserted that slavery helped improve the black race but that opportunities still existed during Reconstruction to mold the freedmen into efficient workers Stone s central yet unspoken goal was to devise a way to maintain an obedient productive labor force willing to work for low wages Writing from both Washington D C and his cotton plantation in the Mississippi Delta Stone published numerous essays and collected more than 3000 articles and pamphlets on the American Race Problem including those written by bitter racists and enthusiastic race boosters Though Stone lacked the credentials typically associated with scholarly experts of the time he became an authority on the subject of black Americans in part because of his close friendship with fellow scientific racist and statistician Walter F Willcox An early member of the American Economic Association and other academic groups Stone went on to serve as head scholar of a division for race studies within the Carnegie Foundation Interestingly Stone recruited W E B Du Bois and Booker T Washington to collaborate with him on a major study for the Foundation continuing his tendency to incorporate all perspectives into his study of race Hollandsworth uses Stone s extensive correspondence with Willcox Du Bois and Washington as well as his personal writings both published and unpublished to reveal the secrets of this misguided yet fascinating figure

The House of Percy Bertram Wyatt-Brown, 1996-10-31 Although the novels of Walker Percy represent

some of the most prominent work in 20th century Southern fiction the Percy family itself has a history that is arguably as compelling as anything he could have created Behind Percy's prose lurks a legacy of wealth literary accomplishment political leadership depression and suicide that spans two centuries In this compelling biography Wyatt Brown skilfully combines intensive research and telling insights to produce the unforgettable story of this gifted family 48 halftones

The Idea of the American South, 1920-1941 Michael O'Brien, 2019-12-01 Originally published in 1979 The idea of the South has its roots in Romanticism and American culture of the nineteenth century This study by Michael O'Brien analyzes how the idea of a unique Southern consciousness endured into the twentieth century and how it affected the lives of prominent white Southern intellectuals Individual chapters treat Howard Odum John Donald Wade John Crowe Ransom Allen Tate Frank Owsley and Donald Davidson The chapters trace each man's growing need for the idea of the South how each defined it and how far each was able to sustain the idea as an element of social analysis The Idea of the American South moves the debate over Southern identity from speculative essays about the central theme of Southern history and by implication past the restricted perception that race relations are a sufficient key to understanding the history of Southern identity

The Life and Poetry of Frank Stanford James McWilliams, 2025-07 The full throated biography fans have been yearning for Kirkus Starred Review April 2025 When twenty nine year old Frank Stanford put three bullets in his chest on June 3 1978 he ended a life that had been inextricably linked with poetry since childhood Deeply influential but largely unknown outside his corner of the poetry world this prodigy of the American South inspired a cult following that has kept his reputation and work flickering on the periphery of the American literary tradition ever since The Life and Poetry of Frank Stanford offers for the first time a comprehensive study of Stanford's life and work introducing to a broad readership poetry that remains both captivating to poets and in its celebration of everyday experience over academic erudition accessible to those who rarely read poetry Stanford's poems range from one line to his 15 283 line epic The Battlefield Where the Moon Says I Love You The vital thread running through all of his poetry is an ear for language that vies with Walt Whitman in its expansiveness and generosity Stanford's omnivorous attraction to vernacular particularly Black and rural vernacular centered on an admiration for the marginalized and eccentric Blending the Southern Gothic of Faulkner and O'Connor with a racially egalitarian vision his poetry thrives on the stories and traditions of the oppressed and forgotten The themes that preoccupied Stanford's prolific output language sex death class geography commercialism surrealism film race also preoccupied the poet in his daily life which was marked by heavy drinking philandering mental instability emotional abuse and through it all an inveterate desire for beauty Constantly attentive to this tension biographer James McWilliams traces the short and painfully complicated life of this hidden talent who left a lifetime's worth of poetry that through its grounding in the mundane achieved a vision of the transcendent

Rural Worlds Lost Jack Temple Kirby, 1986-12-01 Immediately following the Civil War and for many years thereafter southerners proclaimed a New South implying not only the end of slavery but also the beginning of

a new era of growth industrialization and prosperity Time has shown that those declarations at least in terms of progress and prosperity were premature by several decades Life for an Alabama tenant farmer in 1920 did not differ significantly from the life his grandfather led fifty years earlier In fact the South remained primarily a land of poor farming folks until the 1940s Only then and after World War II did the real New South of industrial growth and urban development begin to emerge Jack Temple Kirby s massive and engaging study examines the rural southern world of the first half of this century its collapse and the resulting modernization of southern society The American South was the last region of the Western world to undergo this process and Rural Worlds Lost is the first book to so thoroughly assess the profound changes modernization has wrought Kirby painstakingly charts the structural changes in agriculture that have occurred in the South and the effects these changes have had on people both at work and in the community He is quick to note that there is not just one South but many emphasizing the South s diversity not only in terms of race but also in terms of crop type and topography and the resultant cultural differences of various areas of the region He also skillfully compares southern life and institutions with those in other parts of the country noting discrepancies and similarities Perhaps even more significant however is Kirby s focus on the lives and communities of ordinary people and how they have been transformed by the effects of modernization By using the oral histories collected by WPA interviewers Kirby shows firsthand how rural southerners lived in the 1930s and what forces shaped their views on life He assesses the impact of cash upon traditional rural economies the revolutionary effects of New Deal programs on the rich and poor and the forms and cultural results of migration Kirby also treats home life recording attitudes toward marriage and sex health maintenance and class relationships not to mention sports and leisure moonshining and the southerner s longstanding love hate relationship with the mule Rural Worlds Lost based on exceptionally extensive research in archives throughout the South and in federal agricultural censuses definitively charts the enormous changes that have taken place in the South in this century Writing about Kirby s previous book Media Made Dixie Time Magazine noted Kirby s scholarship of rare lucidity That same high level of scholarship as well as an undeniable affection for the region is abundantly evident in this new path breaking book

A Disturbing and Alien Memory Douglas L. Mitchell, 2008-12-01 In the late nineteenth century as the study of history shifted from the domain of letters into the social sciences novelists in the North and the West generally turned away from writing history Many southern novelists and poets however continued to undertake historical writing as an extension of their art form What made southern literary figures differ from their northern and western counterparts In A Disturbing and Alien Memory Douglas L Mitchell addresses this intriguing question by tracing a line of southern writers from the early nineteenth century to the mid twentieth finding that an obsessive need to defend the South and the oft noted rage to explain drove some creative writers to continue to make forays into history and biography in an effort to enter a more public sphere where they could more decisively influence interpretations of the past In the Romantic history of the nineteenth century Mitchell explains men of letters saw themselves as keepers of memory whose

renderings of the past could help shape the future of the nation He explores the historical writing of William Gilmore Simms to trace the failure of Romantic nationalism in the growing split between North and South then turns to Thomas Nelson Page s effort to resurrect the South as a spiritual nation with a redeemed history after the Civil War Mitchell juxtaposes their work with that of William Wells Brown the pioneering African American historian and novelist who used the authority of history to write blacks into the American story Moving into the twentieth century Mitchell analyzes the historical component of the Southern Agrarian project focusing on the tension between modernist aesthetics and polemical aims in Allen Tate s Civil War biographies He then traces a path toward a viable historical vision Robert Penn Warren s recovery of a tragic understanding and the creation of a compelling historical art in the work of Shelby Foote Throughout Mitchell examines the peculiar dilemma of southern writers the changing nature of history and its relation to the realm of letters and the question of public authority shedding light on several neglected texts in the process including Simms s *The Sack and Destruction of Columbia* S C Brown s *The Negro in the American Rebellion* Tate s *Jefferson Davis* and Warren s *John Brown* Offering a new perspective on a perennial debate in southern letters *A Disturbing and Alien Memory* provides a critical framework for a neglected genre in the southern literary canon The Literary Percys Bertram Wyatt-Brown,1994 Few families in America can claim so many gifted writers as the Percys This examines the role of gender and family history in the writings of this exceptional lineage

The Final Frontiers, 1880-1930 John Otto,1999-09-30 An examination of the settlement history of the alluvial bottomlands of the lower Mississippi Valley from 1880 to 1930 this study details how cotton growers transformed the swamplands of northwestern Mississippi northeastern Louisiana northeastern Arkansas and southern Missouri into cotton fields Although these alluvial bottomlands contained the richest cotton soils in the American South cotton growers in the Southern bottomlands faced a host of environmental problems including dense forests seasonal floods water logged soils poor transportation malarial fevers and insect pests This interdisciplinary approach uses primary and secondary sources from the fields of history geography sociology agronomy and ecology to fill an important gap in our knowledge of American environmental history Requiring laborers to clear and cultivate their lands cotton growers recruited black and white workers from the upland areas of the Southern states Growers also supported the levee districts which built imposing embankments to hold the floodwaters in check Canals and drainage ditches were constructed to drain the lands and local railways and graveled railways soon ended the area s isolation Finally quinine and patent medicines would offer some relief from the malarial fevers that afflicted bottomland residents and commercial poisons would combat the local pests that attacked the cotton plants including the boll weevils which arrived in the early twentieth century **Strom Thurmond and the Politics of Southern Change** Nadine Cohodas,1994 Reprint of the Simon Schuster edition originally published in 1993 Annotation copyright Book News Inc Portland Or

Unveiling the Power of Verbal Artistry: An Emotional Sojourn through **Lanterns On The Levee Recollections Of A Planters Son**

In some sort of inundated with monitors and the cacophony of instant interaction, the profound energy and emotional resonance of verbal art often diminish in to obscurity, eclipsed by the regular onslaught of sound and distractions. Lanterns On The Levee Recollections Of A Planters Son Introduction

In today's digital age, the availability of Lanterns On The Levee Recollections Of A Planters Son books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lanterns On The Levee Recollections Of A Planters Son books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lanterns On The Levee Recollections Of A Planters Son books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Lanterns On The Levee Recollections Of A Planters Son versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Lanterns On The Levee Recollections Of A Planters Son books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lanterns On The Levee Recollections Of A Planters Son books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed

and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lanterns On The Levee Recollections Of A Planters Son books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lanterns On The Levee Recollections Of A Planters Son books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lanterns On The Levee Recollections Of A Planters Son books and manuals for download and embark on your journey of knowledge?
