Larousse Dictionary Of Literary Characters:

Larousse Dictionary of Literary Characters Hodder & Stoughton, 1994 [The New York Public Library Literature Companion](#) Staff of The New York Public Library, 2001-11-06 Pick up [The New York Public Library Literature Companion](#) to check the dates of Marcel Proust's *Remembrance of Things Past* or to find out how James Joyce's *Ulysses* changed U.S. obscenity laws and you may find yourself hours later absorbed in the imaginary worlds of Camelot and *The Matrix* or sidetracked by the fascinating history of *The New Yorker*. Designed to satisfy the curious browser as well as the serious researcher, this exciting new resource offers the most up-to-date information on literature available in English from around the world from the invention of writing to the age of the computer. Interwoven throughout the more than 2,500 succinct and insightful entries on Creators, Works of Literature, and Literary Facts and Resources are the fascinating facts and quirky biographical details that make literature come alive. Readers will discover, for instance, that Walt Whitman was fired from his government job after his personal copy of *Leaves of Grass* was discovered in his desk by the Secretary of the Interior who was scandalized by it; that James Baldwin remembered listening to blues singer Bessie Smith playing her till he fell asleep when he was writing his first book; and that a publisher turned down the serialization rights to *Gone with the Wind*, saying "Who needs the Civil War now, who cares?" Looking for information about book burning or how many Nobel laureates have come from Japan? You'll find it here. Trying to remember the name of that movie based on a favorite book? Read the Variations section; you'll be amazed at the pervasive presence of great literature in today's entertainment. From Aristophanes to Allende, from Bergson to Bloom, the biographical entries will inform readers about the men and women who have shaped and are shaping the literary world. Look into Works of Literature to discover the significance of *Beowulf*, *The Fountainhead*, *Doctor Zhivago*, and nearly 1,000 other titles. Check the Dictionary of Literature to find out what the critics and theorists are talking about. And if you wish to delve even deeper, Websites for Literature and Literary Factbooks and Handbooks are just two of the bibliographies that will point readers in the right direction. Unique in scope and design and easy to use, [The New York Public Library Literature Companion](#) will be at home on every reader's shelf. Whether you are immersed in Stephen King or King Lear, this book has the insights, facts, and fascinating stories that will enrich your reading forever. With four major research centers and 85 branch libraries, The New York Public Library is internationally recognized as one of the greatest institutions of its kind. Founded in 1895, the library now holds more than 50 million items, including several world-renowned collections of literary manuscripts and rare books. Among the books published from the library in recent years are *The New York Public Library Desk Reference* (1998), *The Hand of the Poet* (1997), *Letters of Transit: Reflections on Exile, Identity, Language, and Loss* (1999), *A Secret Location on the Lower East Side: Adventures in Writing, 1960-1980* (1998), and *Utopia: The Search for the Ideal Society in the Western World* (2000). *The Virgin Book of Baby Names* Emily Wood, 2012-05-31 [The Virgin Book of Baby Names](#) takes as its starting point the fact that choosing a name for your baby should be fun. Rather than a dry list of every

name under the sun Emily Wood has organised names into interesting themed categories from literature to pop music biblical to astrological names celebrity baby names to names to avoid With names for every day of the year as well as a comprehensive A Z of girls and boys names The Virgin Book of Baby Names is an enjoyable alternative to the traditional baby names book **Baby Names Now** Linda Rosenkrantz,Pamela Redmond Satran,2002-08-19 A guide to baby names and their meanings draws on research from a variety of sources **The Legend of John Macnab** James Christie,2015-10-29 John Sandiman is a librarian at a run down Glasgow college full of feckless students and overseen by hopeless jobsworths Fed up with his job still mourning the cowardly way that Jessica his ex girlfriend dumped him and bemoaning the apathy of the Scots Sandiman dreams of the time when Caledonia was led by kings So when Natalie his colleague and drinking buddy mentions something called The Book of Deer he takes no notice After all there s little a librarian can do to change the world Or is there What Sandiman did not anticipate was that a fictional character from Scotland s past would come vibrantly to life hurling him into a quest to face his own past and change his country s future Spanning two millennia from the sea kingdom of Dalriada to the Scottish referendum of 1997 The Legend of John Macnab takes readers behind events they thought they knew and brings them face to face with a forgotten icon more splendid than the Stone of Destiny Library Journal ,2005 An Illustrated Dictionary of Little-known Words from Literary Classics Mary Ellen Snodgrass,1995 A comprehensive alphabetical reference abacus to zoot suit that supplies information on archaic or obscure terms in significant literature from the Bible and Shakespeare s plays to The Autobiography of Malcolm X and The Handmaid s Tale Such terms can elucidate character and reveal history fashion and custom Pronunciation etymology alternate spellings and examples of literary uses are included as well as some 800 small bandw illustrations With bibliography references and author title and subject indexes Annotation copyright by Book News Inc Portland OR **A Sailor's Log** Frederick T. Larousse Dictionary Of Literary Characters Introduction

In today's digital age, the availability of Larousse Dictionary Of Literary Characters books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Larousse Dictionary Of Literary Characters books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Larousse Dictionary Of Literary Characters books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Larousse Dictionary Of Literary Characters versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Larousse Dictionary Of Literary Characters books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Larousse Dictionary Of Literary Characters books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Larousse Dictionary Of Literary Characters books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and

historical documents. In conclusion, Larousse Dictionary Of Literary Characters books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
