The Art of Conversation Charles Godfrey Leland, 2018-03-11 Excerpt from The Art of Conversation With Directions for Self Education Not only within the past fifty years but actually during the present decade have there been striking changes in the manners of gentlemen and in the tone of conversation as regards laying aside an affected and silly etiquette for the natural dictates of the heart and for a social code which treats the poorest man as a gentleman so long as he behaves like one Republicanism is in fact becoming the law among the most highly cultivated while the worn out frippery of the old school is oddly enough cherished principally by the wealthy and ambitious vulgar About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an
