L'arte di credere Neville Goddard, 2015-10-30 Con note esplicative e di approfondimento al testo La preghiera cio l arte di credere ci che negato dai sensi il fondamentale strumento per realizzare concretamente ci che si desidera Con questo scritto Neville Goddard ci rivela come e perch l azione di credere e pregare crea concretamente ci che si chiede Grazie alla fede alla visualizzazione e all autosuggestione ogni uomo pu entrare in dialogo con la parte subconscia il Dio dentro di lui capace di vivere come gi esistente un desiderio Solo cos potr vederlo realizzato Come gi in Cambiare il futuro la fede e l immaginazione sono per Neville Goddard i fattori per operare un cambiamento per portare nel reale l azione dell immaginazione Questo libro un tentativo di ricondurre l ignoto al noto facendo emergere le condizioni grazie alle quali le preghiere ricevono risposta e senza le quali dalla preghiera non si pu ricevere risposta In questo libro definisco le condizioni che disciplinano la preghiera e le leggi che la governano leggi che sono semplicemente una deduzione da analisi esperienze e osservazioni dall Introduzione dell autore

Contingency and Natural Order in Early Modern Science Pietro Daniel Omodeo, Rodolfo Garau, 2019-09-09 This volume considers contingency as a historical category resulting from the combination of various intellectual elements epistemological philosophical material as well as theological and broadly speaking intellectual With contributions ranging from fields as diverse as the histories of physics astronomy astrology medicine mechanics physiology and natural philosophy it explores the transformation of the notion of contingency across the late medieval Renaissance and the early modern period Underpinned by a necessitated vision of nature seventeenth century mechanism widely identified apparent natural irregularities with the epistemological limits of a certain explanatory framework However this picture was preceded by and in fact emerged from a widespread characterization of contingency as an ontological trait of nature typical of late Scholastic and Renaissance science On these bases this volume shows how epistemological categories which are preconditions of knowledge as historically situated a priori and seemingly self evident are ultimately rooted in time Contingency is intrinsic to scientific practice Whether observing the behaviour of a photon diagnosing a patient or calculating the orbit of a distant planet scientists face the unavoidable challenge of dealing with data that differ from their models and expectations However epistemological categories are not fixed in time Indeed there is something fundamentally different in the way an Aristotelian natural philosopher defined a wonder or a monstrous birth as contingent a modern scientist defines the unexpected result of an experiment and a quantum physicist the behavior of a photon Although to each inquirer these instances appeared self evidently contingent each also employs the concept differently

Universit  dell Illinois Chicago in Deirdre McCloskey convivono senza apparenti forzature o sostanziali contraddizioni l'esperienza transgender, una opzione filosofico politica di segno libertario e una appartenenza religiosa nella forma confessionale della Chiesa episcopale. Convinta fautrice della teoria dello Stato minimo, la sua strenua difesa delle virt  borghesi appare controcorrente rispetto al mainstream accademico cos  come controcorrente il suo approccio eterodosso agli studi di teoria economica. Nondimeno la sua apologia del capitalismo fondata su un articolata teoria morale presenta aspetti interessanti che interagiscono con diversi temi costitutivi del panorama economico e politico contemporaneo. Lo scopo di questo studio   che assume la prospettiva di una biografia intellettuale quello di fornire un resoconto della vicenda sia personale sia scientifica dell'autrice individuando le fonti e i dibattiti in cui s' inserisce e ponendo al centro dell'attenzione la prospettiva di genere connessa al discorso etico economico e politico che McCloskey offre ai suoi lettori.
