Last Word Mark Lane, 2011-11-01 Mark Lane tried the only U S court case in which the jurors concluded that the CIA plotted the murder of President Kennedy but there was always a missing piece How did the CIA control cops and secret service agents on the ground in Dealey Plaza How did federal authorities prevent the House Select Committee on Assassinations from discovering the truth about the complicity of the CIA Now New York Times best selling author Mark Lane tells all in this explosive new book with exclusive new interviews sworn testimony and meticulous new research including interviews with Oliver Stone Dallas Police deputy sheriffs Robert K Tanenbaum and Abraham Bolden Lane finds out first hand exactly what went on the day JFK was assassinated Lane includes sworn statements given to the Warren Commission by a police officer who confronted a man who he thought was the assassin The officer testified that he drew his gun and pointed it at the suspect who showed Secret Service ID Yet the Secret Service later reported that there were no Secret Service agents on foot in Dealey Plaza The Last Word proves that the CIA operating through a secret small group prepared all credentials for Secret Service agents in Dallas for the two days that Kennedy was going to be there conclusive evidence of the CIA s involvement in the assassination [Honest Answers about the Murder of President John F. Vincent Michael Palamara, 2021-03-19 Thousands of books and articles have been written about the murder of JFK many of which are large in volume and short on facts Quite often these works try to reinvent the wheel attempting to cover every single area of the assassination as well as many tangential and unessential points as well The reader is often left exhausted and confused The sheer volume of pages conflicting facts and theories leaves one unsatisfied and quite frankly not sure exactly what did happen on 11 22 63 This book seeks to separate the wheat from the chaff It is 55 plus years later it is time for real honest answers in an easy to read and understand format Proof of a conspiracy no theories to the point a perspective on the assassination for the millennial age and beyond Based on years decades of primary source research and having read countless books on the subject *Mary's Mosaic* Peter Janney, 2013-10-01 Who really murdered Mary Pinchot Meyer in the fall of 1964 Why was there a mad rush by CIA counterintelligence chief James Angleton to immediately locate and confiscate her diary What in that diary was so explosive and revealing Had Mary Meyer finally put together the intricate pieces of a bewildering conspiratorial mosaic of information that revealed a plan to assassinate her lover President Kennedy with the trail ultimately ending at the doorstep of the Central Intelligence Agency And was it mere coincidence that Mary Meyer was killed less than three weeks after the release of the Warren Commission Report Based on years of painstaking research and interviews much of it revealed here for the first time author Peter Janney traces some of the most important events and influences in the life of Mary Pinchot Meyer including her first meeting with Jack Kennedy at the Choate School during the winter of 1936 her explorations with psychedelic drugs and finally how she supported her secret lover the president of the United States as he turned away from the Cold War toward the pursuit of world peace As we approach the fiftieth

anniversary of President Kennedy's assassination and Mary Meyer's Mary's Mosaic adds to our understanding of why both took place. This paperback edition has been updated and revised with a significant postscript that focuses on Meyer's alleged assassin who the author finally located and confronted in person in August 2012 as well as the ongoing saga of Janney's attempt to reopen the case based on new evidence. God, School, 9/11 and JFK Bruce de Torres, 2021-05-21. GOD SCHOOL 9/11 AND JFK by Bruce de Torres exposes the lies that are killing us; we are poor miserable sinners who deserve God's condemnation and school's incarceration. Salvation and careers depend on doing what we are told and the truth that sets us free; we are eternal love and consciousness creating all we behold. The lies of 9/11 and the JFK assassination prove our government was hijacked by elites who strip our rights, wage wars of aggression and accumulate unspendable riches as they seek to rule the world. The ideals of the American Founding enthrone our sovereignty, our right to be free and oversee a transparent and accountable government. What is seen by those who die and return suggests eternal life and safety. The truth restores our sanity, braces us to play this game of life and allows us to love each other as ourselves as we create the solutions that we need.

JFK and the End of America Tim Fleming, 2018-01-29. JFK and the End of America is the culmination of Tim Fleming's 50 years of research into the Kennedy assassination. The book makes the case that Lee Harvey Oswald did not kill the president. Rather, an elaborate plot concocted and executed by a sinister covert cabal took Kennedy's life. The plotters who stood to gain the most from JFK's death, Lyndon Johnson and Allen Dulles, were abetted by powerful interests in government, business and the military. Kennedy was moving America toward a permanent peace state, threatening the national security military establishment whose existence is dependent on a permanent war state. Since 1963 we have been at war or under a threat of war, spending nearly six of every ten tax dollars on defense. It is vital to expose the truth of who killed Kennedy and why if we are to understand the real history of America since 1963. Fleming draws a straight line from Dallas to the political and cultural divide that afflicts us today.

The JFK Assassination Revisited James V. Rinnovatore, Allan Eaglesham, 2014-03-06. James Rinnovatore and Allan Eaglesham provide proof that President Kennedy's body was in the Bethesda morgue well before the motorcade from Andrews Air Force Base arrived at the entrance to Bethesda Naval Hospital carrying the bronze casket in which the body had been placed at Parkland Hospital, Dallas. The casket was empty at this time as it had been when it was placed in a gray navy ambulance for transportation from Andrews to Bethesda. The body had been removed from the bronze casket while Lyndon Johnson was being sworn in as president before Air Force One left Love Field. The purpose of the early arrival of the body at the Bethesda morgue was to alter the wounds which had been found to be frontal by the doctors at Parkland. The wounds had to be reversed in order to implicate a lone assassin, Lee Harvey Oswald, shooting from the Texas School Book Depository. New information is provided regarding pre-autopsy photographs and exclusion of FBI agents from the autopsy room to prevent their discovery of the body there. Also provided are analyses of the reports of the Warren Commission, the HSCA and the ARRB of who planned the assassination and the case.

for two Oswalds www.manuscriptservice.com DarkCorners *The Kennedy Assassinations* Mel Ayton, 2022-07-19 Few events have been the subject of more conspiracy theories than the assassinations of the two Kennedy brothers. Indeed, a great many people consider that there were other individuals than Lee Harvey Oswald and Sirhan Sirhan involved in both murders. Was a shot fired from Dealey Plaza's grassy knoll? Why did Jack Ruby shoot Oswald? Was it the CIA, the Soviets, Cuban nationalists, or the Mafia that arranged John Kennedy's assassination? Was Robert Kennedy shot from in front and behind, and who had the most to gain from his death? These are just a few of the questions that have been put forward by a myriad of conspiracy theorists, and it is those people and their ideas that Mel Ayton has tackled head on. Over many years, Mel Ayton has examined all the more substantial conspiracy theories and through careful analysis of documents and eyewitness statements, he has demolished each one. In each case, Mel Ayton presented the results of his detailed investigations in periodicals as he worked through the various theories. These have now been brought together to provide a comprehensive analysis of all the main theories as to who, how, and why the two Kennedy brothers met their deaths in such unusual circumstances. Though wild ideas will continue to be proposed and efforts will still be made to demonstrate that Oswald could not have fired off three shots with great accuracy in the few seconds available to him as the presidential cavalcade passed beneath the window where he crouched, or that there were sinister reasons why three CIA men were allegedly present on the night of Robert Kennedy's assassination, the harsh reality is that the Kennedy brothers were each killed by lone gunmen. This is an absorbing read brought up to date with the addition of new material as it has been uncovered. Maybe just maybe this book will persuade people that the official accounts of both murders, although flawed, are not cover ups but simply statements of fact. "*The President Has Been Shot!*": *The Assassination of John F. Kennedy* James L. Swanson, 2013-09-24 A breathtaking and dramatic account of the JFK assassination by the NEW YORK TIMES bestselling author of CHASING LINCOLN'S KILLER. In his new young adult book on the Kennedy assassination, James Swanson will transport readers back to one of the most shocking, sad, and terrifying events in American history. As he did in his bestselling Scholastic YA book CHASING LINCOLN'S KILLER, Swanson will deploy his signature style: a riveting, ticking clock pace with an unprecedented eye for dramatic details and impeccable historical accuracy to tell the story of the JFK assassination as it has never been told before. The book will be illustrated with archival photos and will have diagrams, source notes, bibliography, places to visit, and an index. See *No Evil* Jim DeBrosse, 2018-03-29 After more than fifty years of new evidence and new theories, the Warren Commission's claim that Lee Harvey Oswald acted alone and without clear motive in assassinating John F. Kennedy has become a wheezing jalopy running on missing and broken parts and fueled with lies. And yet the U.S. media continue to support its findings as the only factual explanation for the murder of JFK. Why does the media marginalize and even ridicule more plausible conspiracy theories when the majority of American people long ago wrote off the Warren Report as a cover up? See *No Evil*, which analyzes the built-in biases of the U.S. corporate media, exposes its complicity in the whitewashing, and advocates for the broadest possible
