Last But Not Least Lola And The Wild Chicken:

Last-But-Not-Least Lola and the Wild Chicken Christine Pakkala, 2014-10-09 Lola's back. She patched things up with frenemy Amanda Anderson but it's not happily ever after for these two best friends at least not yet. Lola doesn't want to share Amanda especially not with Jessie who seems to be around all the time. Can there be more than two best friends? And what does a wild chicken have to do with anything? Hint: The answer involves a class trip to a farm. When Lola is around you never know what will happen next. This second book in Christine Pakkala's dynamic series is sure to capture the hearts of readers who love a spunky heroine and some unexpected antics. *Last-But-Not-Least Lola and the Wild Chicken* Christine

Pakkala, 2015-10-06 Lola doesn't want to share her on again off again best friend Amanda with Jessie who seems to be around all the time much less with the new girl Savannah. But when the four girls embark on a school field trip to a local farm a crazy encounter with a wild chicken may be just what's needed to steer them all toward one another. Young readers will find this latest caper starring loveable Lola hilarious and heartfelt. *Last-But-Not-Least Lola and a Knot the Size of Texas* Christine Pakkala, 2018-12-11 In this fun filled adventure good hearted Lola can't help getting into trouble. Her friends are all traveling for the Thanksgiving holidays so she offers to dog sit but fails to mention this to her mom. Now Lola is juggling her dog sitting responsibilities with her worries. Will her parents discover the growing knot in her hair and cause her excruciating pain brushing it out? Will her grandmothers discover that she's lied to them every year about who makes the best pumpkin pie? Will Jack get so involved in his new babysitting and yard work jobs that like Mom and Dad he won't have time for her anymore? Lola's worries like the knot in her hair grow greater until she finally has to stop hiding them and start untangling them.

Reaching Reluctant Young Readers Rob Reid, 2017-03-09 *Reaching Reluctant Young Readers* features 150 middle grade books. Each profiled title has the potential to hook the reluctant reader and lure them to read the entire book. To specifically encourage elementary and middle school age reluctant children to read there is first a pitch to get the reader's attention. That is followed by a short reading passage to set the hook and encourage the young person to read the rest of the book on their own. Further the book contains several hundred additional recommended titles. The books selected for this collection were chosen following the criteria of reluctant reader books created by the Quick Picks committee sponsored by the Young Adult Library Services Association. While these guidelines were designed for young adult books they also work well for middle grade books. The criteria include clear writing no convoluted long sentences with sophisticated vocabulary high interest hook in the first few pages well defined characters interesting plot and familiar themes. ***Last-But-Not-Least Lola Going Green*** Christine Pakkala, 2014-10-03 Lola Zuckerman is always last ding dong Z for Zuckerman last. What this means of course is that Lola has to win first place in her class's Going Green contest. And she'll need to beat Amanda Anderson always first and more importantly her ex best friend. In this laugh out loud story with unforgettable characters the first in an ongoing series about Lola's travails Lola's out to prove that while she may be last she is certainly not least. **The Secret**
