Last Coffee with Nonna Vincent Iezzi, 2014-07-25 The finality has arrived and once again the author Vincent Iezzi brings to life the teacher and guru of his life With delicate wording we come to the end of the trilogy of love respect and family Once again the author gives us an open invitation and carries us into the back kitchen where the smells love cares and home come to life for us through his meticulous wording and re creation Through Nonna s stories simplicity becomes a valuable commodity which demands our admiration Many virtues and moments in life of miniscule courage become the benchmark for us to follow and imitate In Last Coffee with Nonna we come to see the true meaning of the immortality of the soul for we find the warm definition of life within us after a loved one s death Nonna lives on even after this book is closed because the love she gave her family is now with us and we will remember her wisdom This is the author s sixth book His other publications include Coffee with Nonna More Coffee with Nonna The Garden and Forest Behind Grandpop s House Small Drops of Ink and The Doves of Galilee A Story of the Twelve Apostles He is presently working on another book **The House of Last Resort** Christopher Golden, 2024-01-30 The next high concept horror novel from New York Times bestselling author Christopher Golden Across Italy there are many half empty towns nearly abandoned by those who migrate to the coast or to cities The beautiful crumbling hilltop town of Becchina is among them but its mayor has taken drastic measures to rebuild selling abandoned homes to anyone in the world for a single Euro as long as the buyer promises to live there for at least five years It s a no brainer for American couple Tommy and Kate Puglisi Both work remotely and Becchina is the home of Tommy s grandparents his closest living relatives It feels like a romantic adventure an opportunity the young couple would be crazy not to seize But from the moment they move in they both feel a shadow has fallen on them Tommy s grandmother is furious even a little frightened when she realizes which house they ve bought There are rooms in an annex at the back of the house that they didn t know were there The place makes strange noises at night locked doors are suddenly open and when they go to a family gathering they re certain people are whispering about them and about their house which one neighbor refers to as The House of Last Resort Soon they learn that the home was owned for generations by the Church but the real secret and the true dread is unlocked when they finally learn what the priests were doing in this house for all those long years and how many people died in the strange chapel inside While down in the catacombs beneath Becchina something stirs
