Stalked Michel Prince, 2020-06-03 Life can turn on the flip of a coin Once upon a time in a shiny gilded palace high in the sky Madison Harper used the magic of song to soothe a temperamental giant Drake Titan While Drake owns most of the world his need for more meant he could never capture the fair Madison's heart For Jackson Tiller a stranger's offer of a lucky coin in trade for Jackson's mother's old car seems like the answer to his every prayer The exchange sends him off to a job he doesn't want but is exactly what he needs A mailroom clerk at The Palace he has the freedom to roam within the building including the top floor penthouse where a woman's voice draws him in Could a second flip of the coin win him her heart Madison may be the unofficial queen of the palace but after meeting Jackson she realizes there is more to life than the security of money Will Jackson be able to overcome the Giant and take all he possesses for his own Or will the giant discover the most precious commodity is love leaving Jackson to his own demise as Drake finally captures the woman Jackson could only covet from afar **Stalked A Jack and The Beanstalk** retelling one of many Enchanted Bedtime Stories **Lil' Bit** Michel Prince, Wren McCabe, 2020-06-03 In book four of the Steel MC Montana Charter Bryan Baldy Allen doesn't have the same pedigree as the other founders of the Steel MC Montana Charter He was named Vice President because of his friendship with Red the Prez leaving a part of him feeling as if he's constantly playing catch up with the former soldiers Weakened by cancer as a child Baldy gutted out most of his life just to survive Now thriving as the mechanic for not only the Steels but those around Turnabout Creek he finally sees a life ahead of him there's only one thing missing his Lil Bit Kristy Coe survived a vicious attack that took more than her body it stole any chance of a future with children Like hearing the voices of her attackers when there is silence isn't enough punishment Practically a shut in until Baldy a man who'd been there after the assault offers her an opportunity of a job at the garage Knowing Baldy would never allow anyone to hurt her she's able to run the gas pumps and check out customers daily with the security of him being less than a few steps away Not to mention the yearning she has for the man she has watched from afar Scarred inside and out feeling less than those around them can Baldy and Lil Bit realize everything they're missing is standing right before them And will they have the time to figure it out since the Steel MC Montana Charter knows how to make enemies Enemies that refuse to go away quietly **Ink All Night** Michel Prince, 2020-08-04 In book two of Permanent Hangover Cain Washington would gladly pay a million dollars to have a shrew as nice as the one Shakespeare had to deal with Because frankly the one living next to him makes the Bard's seem like

a Sunday school teacher As the chief fixer at the Permanent Hangover Tattoo Parlor and Bar he s cursed with the ability to see the beauty in everyone Though his harpy of a neighbor tests and teases that ability on a daily basis Cain s never been one to let a challenge stop him Especially with the flashes of the beautiful soul he can see beneath the surface that is keeping him mesmerized Bianca Jessel came to Minnesota for advancement and more importantly to escape the fact of who she is Born blessed with light skin she found in the land of ten thousand lakes that she s seen as everything but a woman of color Determined to keep it that way and assure a future blessing for her own children she chooses her men based on a list of criteria Sadly the one person she wants the most has one glaring disqualifier Too bad he lives next door After years of conditioning and with the lies rapidly catching up to her can Bianca push past the voice of her grandmother admonishing every aspect of who she is Can Cain show that her beauty is not only inside her but in the skin she tries to deny Or will the decades of self hate bring a halt to an everlasting love before it has a chance to start And could the lies turn into a dangerous situation instead of one girl s misguided musings of one s worth
