Portrait of the Artist as a Young Adult Lois Thomas Stover,Connie S. Zitlow,2013-10-30 Young adults often struggle with confusion or guilt because they perceive themselves as different from others especially their peers For some of these individuals the arts can help them cope with adolescent turmoil allowing them to express their emotions in poems stories painting songs and other creative outlets Sensitive teachers and parents know how important it is for young people to realize that they are not alone in their quest for self knowledge and finding their way in the world It can make a difference when readers find something in a book that helps them understand more about who they are and helps them understand others In *Portrait of the Artist as a Young Adult* The Arts in Young Adult Literature Lois Thomas Stover and Connie S Zitlow examine books in which the coming of age for young adults is influenced by the arts Stover and Zitlow consider the connection between the arts and a young person s developing sense of self the use of art to cope with loss and grief and how young adults can use art to foster catharsis and healing The young people in these books either identify as artists or use the arts in intentional ways to explore their identities They often have artistic gifts that make them stand outside the norms of teenage life yet those gifts also help them find a sense of community Artists considered in this book include painters photographers sculptors actors directors choreographers dancers composers musicians graffiti artists and others The books discussed also explore the ways adults can nurture the artist s development and understand the way young people sometimes use the arts to form their unique identity Included is an annotated

bibliography organized by art discipline as well as an appendix about using the arts pedagogically making *Portrait of the Artist as a Young Adult* a valuable resource for educators parents librarians and young adults *13 Little Blue Envelopes* Maureen Johnson, 2005-08-23 When Ginny receives thirteen little blue envelopes and instructions to buy a plane ticket to London she knows something exciting is going to happen What Ginny doesn't know is that she will have the adventure of her life and it will change her in more ways than one Life and love are waiting for her across the Atlantic and the thirteen little blue envelopes are the key to finding them in this funny romantic heartbreaking novel *Let It Snow (Movie Tie-In)* John Green, Lauren Myracle, Maureen Johnson, 2019-10-22 Now a Netflix Original Film 1 New York Times bestseller An ill timed storm on Christmas Eve buries the residents of Gracetown under multiple feet of snow and causes quite a bit of chaos One brave soul ventures out into the storm from her stranded train setting off a chain of events that will change quite a few lives Over the next three days one girl takes a risky shortcut with an adorable stranger three friends set out to win a race to the Waffle House and the hash brown spoils and the fate of a teacup pig falls into the hands of a lovesick barista A trio of today's bestselling authors John Green Maureen Johnson and Lauren Myracle brings all the magic of the holidays to life in three hilarious and charming interconnected tales of love romance and kisses that will steal your breath away A comedy as delicious as any whipped up by the Bard Washington Post Book World **Zombies vs. Unicorns** Holly Black, Justine Larbalestier, 2010-09-21 It's the epic battle of brains against manes Which side are you on It's a question as old as time itself which is better the zombie or the unicorn This all original anthology edited by Holly Black Team Unicorn and Justine Larbalestier Team Zombie makes strong arguments for both sides in the form of spectacular short stories Half of the stories portray the strengths for good and evil of unicorns and half show the good and really really badass side of zombies Contributors include many bestselling authors including Cassandra Clare Libba Bray Maureen Johnson Meg Cabot Scott Westerfeld and Margo Lanagan This anthology will have everyone asking Team Zombie or Team Unicorn *Publications of the Astronomical Society of the Pacific* Astronomical Society of the Pacific, 1920 *The Lost Café Schindler* Meriel Schindler, 2021-10-12 An extraordinary and compelling book of reckonings Philippe Sands An extraordinary memoir of a Jewish family spanning two world wars and its flight from Nazi occupied Austria Meriel Schindler spent her adult life trying to keep her father Kurt at bay But when he died in 2017 he left behind piles of Nazi era documents related to her family's fate in Innsbruck Austria and a treasure trove of family albums reaching back to before World War I Meriel was forced to confront not only their fractured relationship but also the truth behind their family history The Lost Café Schindler re-creates the journey of an extraordinary family whose relatives included the Jewish doctor who treated Hitler's mother when she was dying of breast cancer the Kafka family and Alma Schindler the wife of Gustav Mahler The narrative centers around the Café Schindler the social hub of Innsbruck Famous for its pastries home distilled liquors live entertainment and hospitality the restaurant attracted Austrians from all walks of life But as conditions became untenable for Jews in Austria during the Nazi
