Chairs Edward Pizzella, 2014-12-30 This book is about the struggles of Italian immigrants in Hartford Connecticut back in the 1930 s and growing up as the son of Italian immigrants It s about coping with poverty and a hostile environment and surviving It s about family love parenting and instilling sound principles in our young It s about self reliance and self esteem establishing worthy goals and working hard and applying raw determination to attain those goals It s about the importance of education and the need to become directly involved in local government and community affairs It s about laughing learning and improvising It s about community theatre about searching for and developing hidden talents about devoting untold quantities of energy and applying imagination and fantasy to the creation of theatrical illusions and imagery It s about the immense satisfaction one can derive from striving to become proficient as an actor director and producer of live theatre And finally it s about magically transforming the flaccid and inert written word into vital third dimensional action and from the empathy thereby produced experiencing the exhilarating power and gratification returned by an appreciative audience

Our Movie Houses Norman O. Keim, 2008-06-09 Conventional screen histories tend to concentrate on New York City and Hollywood in chronicling the evolution of American cinema Notwithstanding both cities tremendous contribution Syracuse and Central New York also played a strategic yet little known role in early screen history In 1889 in Rochester New York George Eastman registered a patent for perforated celluloid film a development that would telescope the international race to record motion by means of photography to the immediate future In addition the first public film projection occurred in Syracuse New York in 1896 Norman O Keim and David Marc provide a highly readable and richly detailed account of the origins of American film in Central New York the colorful history of neighborhood theaters in Syracuse and the famous film personalities who got their start in the unlikely snow belt of New York State Lavishly illustrated this book will be treasured by both film buffs and Central New Yorkers

Chai Noon Jonathan L. Friedmann, 2025 Only a few Westerns contain explicitly Jewish stories or themes and very rarely do Old West tales involve identifiably Jewish characters Yet Jewish contributors have shaped the Western once Hollywood s most popular genre ever since the silent era both onscreen and offscreen and some filmmakers have sought to infuse the genre with a distinctly Jewish sensibility In *Chai Noon* Jonathan L. Friedmann applies some of the central questions of Jewish film studies to the Western What makes a movie Jewish What counts as a Jewish image on screen What types of Jewish representation are appropriate How much of a film s Jewishness owes to the filmmakers and how much to the viewer s interpretation This volume joins other reconsiderations of outsider and minority representations in Westerns to offer a more nuanced view of the genre Friedmann engages with larger themes of Jewish identity in popular film including depictions of race ethnicity and foreignness He also identifies similar concerns within the invention and creation of the imaginary West writ large in American culture The juxtapositions prove to be both unexpected and intuitively understandable
