Late Great America Warnings Beloved:

The Late Great American Church Floyd C McElveen, 2011-01-13 This is a book written with passion by a longtime missionary evangelist and author who fervently hopes to wake up the American Church America is losing thousands of Churches each year Christians are not leading others to Christ We are being lulled to sleep while our nation and the world perishes All roads do not lead to salvation or God Our nation is in disarray our youth are leaderless and foundering and we as a Church are failing them Where has the Great America Church gone How can we empower it again How can we become passionate about winning souls for Christ This shocking book deals with some controversial issues and devastating statistics Written by a man who has done his research and studied his bible Read and then share with your leaders *Last Warning to Mankind* , The Great American Poetry Bake-off, Fourth Series Robert Peters, 1991 No descriptive material is available for this title The Dream of the Great American Novel Lawrence Buell, 2014-02-10 The idea of the great American novel continues to thrive almost as vigorously as in its nineteenth century heyday defying 150 years of attempts to dismiss it as amateurish or obsolete In this landmark book the first in many years to take in the whole sweep of national fiction Lawrence Buell reanimates this supposedly antiquated idea demonstrating that its history is a key to the dynamics of national literature and national identity itself The dream of the G A N as Henry James nicknamed it crystallized soon after the Civil War In fresh in depth readings of selected contenders from the 1850s onward in conversation with hundreds of other novels Buell delineates four scripts for G A N candidates One illustrated by *The Scarlet Letter* is the adaptation of the novel's story line by later writers often in ways that are contrary to the original author's own design Other aspirants including *The Great Gatsby* and *Invisible Man* engage the American Dream of remarkable transformation from humble origins A third script seen in *Uncle Tom's Cabin* and *Beloved* is the family saga that grapples with racial and other social divisions Finally mega novels from *Moby Dick* to *Gravity's Rainbow* feature assemblages of characters who dramatize in microcosm the promise and pitfalls of democracy The canvas of the great American novel is in constant motion reflecting revolutions in fictional fashion the changing face of authorship and the inseparability of high culture from popular As Buell reveals the elusive G A N showcases the myth of the United States as a nation perpetually under construction The Last Pastoral, Or Warning Voice of William of Dublin, to the Rev.
