Pope (2013- : Francis),Pope Francis,Sean McDonagh,2016 Laudato Si Pope Francis's historic encyclical on the environment was issued in 2015 As the first encyclical devoted entirely to the environment and related social justice issues it represented a watershed in the church's engagement with such urgent challenges as climate change environmental degradation and the fate of the poor This volume joins the full text of Laudato Si with reflections by Sean McDonagh one of the foremost Catholic proponents of ecological awareness Aside from reviewing the history of Catholic teaching and the environment he elaborates on several of the specific themes in the encyclical climate change biodiversity water scarcity the threats to the ocean and the crisis of food He concludes with prescriptions about what must be done to turn the pope's vision into a program of effective action Each of us has a role to play As Pope Francis observes All it takes is one good person to restore hope Entering Into Dialogue with Pope Francis' Laudato Si Sarah Jeanne Shimer,2016 Pope Francis 2015 encyclical Laudato Si On Care for Our Common Home brings together the spheres of science and religion In this document Francis puts forth a call for action towards religious and non religious communities alike to address climate change The strength of the document lies in the way Francis expresses his call By drawing on scientific and religious tradition he situates the encyclical in a broader conversation about the moral obligation for humans to care for the environment This thesis explores the reception of Laudato Si by religious and environmental communities through political cartoons written critiques and personal interviews Current conversations surrounding the document show that Francis successfully conveyed his ideas about working towards the common good through dialogue to listeners from a variety of backgrounds **Laudato Si'** John Fleming,2016-01-01 All Catholics must accept Catholic social teaching with religious submission of mind and will Laudato Si summarises Catholic social teaching where environmental and related issues are concerned Laudato Si applies Catholic
