Carson,2024-05-09 Drawing on the authors diverse backgrounds and expertise this is the first academic volume dedicated to the rarely discussed topic of laughter and humour in positive psychology

A History of English Laughter ,2021-11-01 Is there a history of laughter Or isn t laughter an anthropological constant rather and thus beyond history a human feature that has defined humanity as homo ridens from cave man and cave woman to us The contributors to this collection of essays believe that laughter does have a history and try to identify continuities and turning points of this history by studying a series of English texts both canonical and non canonical from Anglosaxon to contemporary As this is not another book on the history of the comic or of comedy it does not restrict itself to comic genres some of the essays actually go out of their way to discover laughter at the margins of texts where one would not have expected it all in Beowulf or Paradise Lost or the Gothic Novel Laughter at the margins of texts which often coincides with laughter from the margins of society and its orthodoxies is one of the special concerns of this book This goes together with an interest in impure forms of laughter in laughter that is not the serene and intellectually or emotionally distanced response to a comic stimulus which is at the heart of many philosophical theories of the comic but emotionally disturbed and troubled aggressive and transgressive satanic and sardonic laughter We

do not ask then what is comic but who laughs at and with whom where when why and how **The Language of Humor** Pasquale De Marco,2025-07-23 In this comprehensive guide to the language of humor we will embark on a captivating journey through the fascinating world of laughter and comedy From the psychology of humor to its cultural impact we will delve into the intricate workings of what makes something funny We will explore the anatomy of a joke uncovering the elements that combine to create laughter We will also examine the different styles of humor from slapstick to satire and how they can be used to achieve different effects Visual humor is another powerful tool in the comedian s arsenal We will explore the techniques used to create visual humor from caricatures and cartoons to memes and viral videos We will also examine the impact of technology on comedy and how new forms of humor are emerging in the digital age Humor is not just about making people laugh it can also be a powerful tool for communication education and connection We will explore the different ways that humor can be used in communication and how it can be used to create a more positive and productive environment We will also examine the role of humor in education Humor can be used to make learning more enjoyable and engaging and it can also be used to help students develop critical thinking skills We will explore the different ways that humor can be used in the classroom and how it can be used to create a more positive and productive learning environment Finally we will take a look at the future of humor How will humor evolve in the digital age What new forms of humor will emerge And how will humor continue to shape our lives Whether you are a comedian a writer a teacher a student or simply someone who loves to laugh this book will provide you with a deeper understanding of the language of humor and its power to entertain educate and connect If you like this book write a review **Humor and Laughter** Hugh Foot,2017-07-05 Humor and laughter play a vital part in our everyday social encounters This book is concerned with the exploration of the psychology of humor and laughter by the foremost professional researchers in these areas It examines the major theoretical perspectives underlying current approaches and it draws together for the first time the main empirical work done over the course of this century Peter Berks brings this story up to the moment The two major parts of the book deal with perception of and responses to humor and its uses in society at large The chapters themselves range from cognitive aspects of humor development through the functions of humor and laughter in social interaction to the use of humor by comedians and by the mass media One of the general features of the volume is the concern with the variety of techniques and research methods which are used in studies aimed at understanding our responsiveness to humor and the contexts in which we create it Humor and Laughter contains chapters by psychologists with longstanding research interests in humor and laughter including Thomas R Shultz Mary K Rothbart Goran Nerhardt Michael Godkewitsch Walter E O Connell and Harvey Mindess Humor and Laughter presents wide ranging theoretical methodological and empirical perspectives on an important area of human behavior and social interaction This book should interest many behavioral scientists and practitioners particularly those in social and clinical psychology psychiatry child psychology and education sociology and related disciplines *Redeeming Laughter* Peter L.

Berger,2013-02-06 The author of numerous previous books of broad appeal and scholarly acclaim on subjects ranging from sociological theory to religious ethics in government and economic systems and the coauthor of a vastly influential treatise on The Social Construction of Reality Berger unfolds in Redeeming Laughter a new perspective on a classic domain Berger's comic terrain is at once noble and amusing the terrain of Erasmus and Swift Like his predecessors Berger's writing in these pages is bolstered with exemplary learning and wry observation The Comedians in Cars Getting Coffee Book Jerry Seinfeld,2022-11-30 A celebration of and behind the scenes look at Jerry Seinfeld's groundbreaking streaming series Comedians in Cars Getting Coffee Over eleven seasons and eighty four episodes Jerry Seinfeld drove around in classic cars grabbing coffee and chatting with the funniest people alive He reminisced with the late Garry Shandling bantered with legends Steve Martin Tina Fey and Eddie Murphy reunited with the cast of Seinfeld and even paid a visit to President Barack Obama in the Oval Office These and dozens of other guests talked about the intricacies of stand up the evolution of their careers and personal lives and whatever else popped into their brilliant minds The result was not only a hilarious collection of casual yet intimate conversations a rare opportunity for viewers to witness their favorite performers unscripted and unvarnished but arguably the most important historical archive about the art of comedy ever amassed Now that archive is preserved in the form of a gorgeously designed and carefully curated book Seinfeld has hand picked the show's keenest insights and funniest exchanges Also included is a fascinating oral history featuring interviews with dozens of crew members executives guests and Seinfeld himself that details how this scrappy creative experiment landed unprecedented access to the White House earned multiple Emmy nominations and helped lead the streaming revolution Featuring a newly written introduction by Seinfeld and filled with beautiful never before seen production photos this book is essential reading for comedy lovers car aficionados coffee connoisseurs and Jerry Seinfeld fans **Psychological Metaphysics** Peter A. White,2017-03-27 The research literature on causal attribution and social cognition generally consists of many fascinating but fragmented and superficial phenomena These can only be understood as an organised whole by elucidating the fundamental psychological assumptions on which they depend Originally published in 1993 Psychological Metaphysics is an exploration of the most basic and important assumptions in the psychological construction of reality with the aim of showing what they are how they originate and what they are there for Peter A White proposes that people basically understand causation in terms of stable specific powers of things operating to produce effects under suitable conditions This underpins an analysis of people's understanding of causal processes in the physical world and of human action which makes a radical break with the Heiderian tradition Psychological Metaphysics suggests that causal attribution is in the service of the person's practical concerns and any interest in accuracy or understanding is subservient to this A notion of regularity in the world is of no more than minor importance in causal attribution and social cognition is not so much a matter of cognitive mechanisms or processes but more of cultural ways of thinking imposed upon tacit unquestioned universal assumptions Psychological

Metaphysics incorporates not only research and theory in social cognition and developmental psychology but also philosophy and the history of ideas It will be challenging to everyone interested in how we try to understand the world **Contagious Laughs** Pasquale De Marco,2025-07-13 Laughter is a powerful force that can change our lives for the better It can boost our mood improve our health strengthen our relationships and make us more resilient in the face of adversity In Contagious Laughs The Science Psychology and Power of Laughter we explore the many facets of laughter from its scientific underpinnings to its role in different cultures and aspects of life We delve into the art of storytelling and humor and examine how laughter can be used as a tool for communication connection and social change This comprehensive guide to the science psychology and power of laughter covers a wide range of topics including The science of laughter How laughter works and its impact on our physical and mental health The different types of laughter From spontaneous giggles to hearty belly laughs The role of humor in different cultures How humor varies across cultures and how it can be used to connect with people from different backgrounds The art of storytelling and humor How to craft a funny story and use humor to entertain and engage your audience The power of laughter to create change How humor can be used to challenge stereotypes promote understanding and make the world a better place Contagious Laughs is packed with real life examples scientific studies and practical tips for incorporating more laughter into your life It s a must read for anyone interested in the science of happiness the art of communication or the power of storytelling With its engaging writing style and accessible approach Contagious Laughs is the perfect book for anyone who wants to learn more about the power of laughter and how to use it to live a happier healthier and more fulfilling life If you like this book write a review **Punching Up in Stand-Up Comedy** Rashi Bhargava, Richa Chilana,2022-12-30 Punching Up in Stand Up Comedy explores the new forms voices and venues of stand up comedy in different parts of the world and its potential role as a counterhegemonic tool for satire commentary and expression of identity especially for the disempowered or marginalised The title brings together essays and perspectives on stand up and satire from different cultural and political contexts across the world which raise pertinent issues regarding its role in contemporary times especially with the increased presence of OTT platforms and internet penetration that allows for easy access to this art form It examines the theoretical understanding of the different aspects of the humour aesthetics and politics of stand up comedy as well as the exploration of race gender politics and conflicts urban culture and LGBTQ identities in countries such as Indonesia Finland France Iran Italy Morocco India and the USA It also asks the question whether along with contesting and destabilising existing discursive frameworks and identities a stand up comic can open up a space for envisaging a new social cultural and political order This book will appeal to people interested in performance studies media popular culture digital culture sociology digital sociology and anthropology and English literature Chapter 9 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons CC BY 4.0 license Funded by the University of Helsinki **Humour and laughter** Anthony J.
