The Third Option Miles McPherson, 2018-09-11 Miles McPherson founder of The Rock Church in San Diego presents a discussion about race that we desperately need a must read Bishop T D Jakes Senior Pastor The Potter's House and argues that we must learn to see people not by the color of their skin but as God sees them humans created in the image of God Pastor Miles McPherson senior pastor of The Rock Church in San Diego addresses racial division a topic many have shied away from for fear of asking the wrong question or saying the wrong thing Some are oblivious to the impact racism has while others pretend it doesn't exist Even the church has been affected by racial division with Sunday now being the most segregated day of each week Christians who are called to love and honor their neighbors have fallen into culture's trap by siding with one group against another us vs them Cops vs protestors Blacks vs whites Racists vs the woke The lure of

choosing one option over another threatens God's plan for unity among His people. Instead of going along with the culture, Pastor Miles directs us to choose the Third Option, honoring the priceless value of God's image in every person we meet. He exposes common misconceptions that keep people from engaging with those of different racial and ethnic backgrounds and identifies the privileges and pitfalls that we all face. The Third Option challenges us to fully embrace God's creativity and beauty as expressed in the diversity of His people. By following the steps and praying the prayers outlined in his book, Pastor Miles teaches us how we can all become leaders in unifying our communities, our churches, and the nation.
