This Much I Know About Love Over Fear ... John Tomsett,2015-06-15 This Much I Know about Love Over Fear is a compelling account of leading a values driven school where people matter above all else Weaving autobiography with an account of his experience of headship John Tomsett explains how in an increasingly pressurised education system he creates the conditions in which staff and students can thrive Too many of our state schools have become scared soulless places John Tomsett draws on his extensive experience and knowledge and calls for all those involved in education to find the courage to develop a leadership wisdom which emphasises love over fear Creating a truly great school takes patience Ultimately truly great schools don t suddenly exist You grow great teachers first who in turn grow a truly great school There is a huge fork in the road for head teachers one route leads to executive headship across a number of schools and the other takes head teachers back into the classroom to be the head teacher John strongly believes that if the head teacher is not teaching or engaged in helping others to improve their teaching in their school then they are missing the point The only thing head teachers need obsess themselves with is improving the quality of teaching both their colleagues and their own This Much I
