America I've often wished that the call to Christian witness could come with *Good News, Bad News* Jeremy Iggers, 2018-02-12 In *Good News Bad News* Jeremy Iggers argues that journalism's institutionalized conversation about ethics largely evades the most important issues regarding the public interest and the civic responsibilities of the press. Changes in the ownership and organization of the news media make these issues especially timely although journalism's ethics rest on the idea of journalism as a profession the rise of market driven journalism has undermined journalists' professional status. Ultimately argues Iggers journalism is impossible without a public that cares about the common life. Written in an accessible style *Good News Bad News* is important reading for journalists communication scholars and students. Public dissatisfaction with the news media frequently gives rise to calls for journalists to live up to the ethical standards of their profession. But what if the fault lies in part with the standards themselves? Jeremy Iggers argues that journalism's institutionalized conversation about ethics largely evades the most important issues regarding the public interest and the civic responsibilities of the press. Changes in the ownership and organization of the news media make these issues especially timely although journalism's ethics rest on the idea of journalism as a profession the rise of market driven journalism has undermined journalists' professional status. Ultimately argues Iggers journalism is impossible without a public that cares about the common life. A more meaningful approach to journalism ethics must begin with a consideration of the role of the news media in a democratic society and proceed to look for practical ways in which journalism can contribute to the vitality of public life. Russell Howard: The Good News, Bad News - The Biography Abi Smith, 2017-10-26 Good news Russell Howard fans It's time to take a butcher's into the mad rib tickling insane yet lovable world of the one of the UK's favourite comedians Abi Smith heads deep into the West Country to discover how people from as far as Midsomer Norton Somerset to Minneapolis USA fell in love with this energetic mesmerising boyishly blond Bristolian. How exactly has Russell the kid who used to sleep with his underpants on his head in an effort to cure his acne become the geezer who is now headlining shows at the O2 Arena Wembley and the Royal Albert Hall? How has the timid boy who wouldn't speak at family gatherings because he was too shy become a TV panel show heavyweight? How has the teen who wore his jeans back to front because he thought he looked like a cool rapper become an award winning stand up with a string of worldwide sell out tours to his name? He might describe himself as the munter of all his friends with his wonky teeth and lazy eye but there is something rather special about this good natured good fun dude whose favourite topics of stand up quite often include his mother's hilarious antics. One thing for sure he might have been bullied at school had haircuts from hell and missed out on a career as a footballer but he is certainly having the last laugh now and we are in the front row laughing out loud with him.
