Richard Probert,2016-06-20 This isn't the story of an old man's death but rather his decision to live. Condemned to spend his Golden Years cooped up in Sunset Nursing Home 84 year old Charlie Lambert simply refuses this ending for himself. With the help of an old buddy in Maine Charlie plans to go AWOL permanently. He'll buy a boat and hit the high seas where he will happily live out the remainder of his life on his own terms. Nothing ever goes quite as planned though as Charlie heads towards out on his 46 foot sailboat. He strikes up an unexpected romance with Abigail a woman decades his junior and still things take a darker turn when he discovers a former FBI agent turned insurance investigator hot on his trail. Agent Roberts has been hired to find out what happened to Charlie bring him back if he's alive or determine he's dead and collect his life insurance policy. Roberts doesn't expect a fight from the old man but that's just what he gets because Charlie has no intention of ever returning to Sunset whether in handcuffs or a pine box. Funny profound and heartbreaking. That Good Night tells the story of a man who won't go gently into the night who is determined to sail into the sunset of his own choosing.

Sounds of Maine Adam Gamble,Mark Jasper,2026-02-03 Young Mainers will enjoy viewing lifelike pictures and listening to authentic sounds in this adorable sound book of Maine. Push the button and hear the mighty bellows and grunts of the moose the haunting cry of the loon and the rumble of a lobster boat. Also included are puffins ocean waves seagulls snowshoeing snowplows lighthouses foghorns and more. This book is part of the Good Night Our World Series which includes hundred of titles exploring iconic locations and exciting themes. Little ones will love discovering the treasures of Maine in this charming sound book.

Wild Things Bruce Handy,2017-08-15 An irresistible nostalgic insightful and consistently intelligent and funny. The New York Times Book Review rambles through classic children's literature from Vanity Fair contributing editor and father of two. Bruce Handy's dour New England Primer thought to be the first American children's book was first published in Boston in 1690. Offering children gems of advice such as Strive to learn and Be not a dunce it was no fun at all. So how did we get from there to Let the wild rumpus start. And now that we're living in a golden age of children's literature what can adults get out of reading Where the Wild Things Are and Goodnight Moon or Charlotte's Web and Little House on the Prairie. A delightful excursion. The Wall Street Journal Wild Things revisits the classics of every American childhood from fairy tales to The Very Hungry Caterpillar and explores the back stories of their creators using context and biography to understand how some of the most insightful creative and witty authors and illustrators of their times created their often deeply personal masterpieces. Along the way Handy learns what The Cat in the Hat says about anarchy and absentee parenting which themes are shared by The Runaway Bunny and Portnoy's Complaint and why Ramona Quimby is as true an American icon as Tom Sawyer or Jay Gatsby. It's a profound eye opening experience to re encounter books that you once treasured decades ago. A clear eyed love letter to the greatest children's books and authors from Louisa May Alcott and L Frank Baum to Eric Carle Dr Seuss Mildred D Taylor and E B White. Wild Things is a spirited perceptive and just outright funny account that will surely leave its readers with a new appreciation for childhood favorites. Publishers Weekly 100

Good Night Maine Good Night Our World Introduction

In today's digital age, the availability of Good Night Maine Good Night Our World books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Good Night Maine Good Night Our World books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Good Night Maine Good Night Our World books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Good Night Maine Good Night Our World versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Good Night Maine Good Night Our World books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Good Night Maine Good Night Our World books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Good Night Maine Good Night Our World books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and

researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Good Night Maine Good Night Our World books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Good Night Maine Good Night Our World books and manuals for download and embark on your journey of knowledge?
