

Over upon a time, in the olden day, a different
tale wherein darkness reigned.

One day a star fell from the sky, and out of its
wreck, flaming glow came a gift to humankind.
As the tale slowly comes to pass, the towers
began to glow the white waves beneath the light
right hand, the hand the light of life, in her left,
a golden ring. The music of the harp under the
surrounding nation the day the light down on
the island, and the sun began to glow out of the
cold darkness. Words and brightness spread
over everything that had been dead. Everything
we saw, for the gift spirit could not return. The
darkness was not, into the world, the tale.
