Good Morning Mr Mandela A Memoir:

Good Morning, Mr. Mandela Zelda la Grange, 2014-06-24 In Good Morning Mr Mandela Zelda la Grange recounts her remarkable life at the right hand of the man we both knew and loved It s a tribute to both of them to Madiba s eye for talent and his capacity for trust and to Zelda s courage to take on a great challenge and her capacity for growth This story proves the power of making politics personal and is an important reminder of the lessons Madiba taught us all President Bill Clinton President Nelson Mandela s choice of the young Afrikaner typist Zelda la Grange as his most trusted aide embodied his commitment to reconciliation in South Africa She repaid his trust with loyalty and integrity I have the highest regard for her Archbishop Emeritus Desmond Tutu Zelda la Grange has a singular perspective on Nelson Mandela having served as his longtime personal aide confidante and close friend She is a dear friend to both of us and a touchstone to all of us who loved Madiba Her story of their journey together demonstrates how a man who transformed an entire nation also had the power to transform the life of one extraordinary woman Morgan Freeman and Lori McCreary actor producer of *Invictus* A white Afrikaner Zelda la Grange grew up in segregated South Africa supporting the regime and the rules of apartheid Her conservative family referred to the imprisoned Nelson Mandela as a terrorist Yet just a few years after his release and the end of apartheid she would be traveling the world by Mr Mandela s side having grown to respect and cherish the man she would come to call Khulu or grandfather Good Morning Mr Mandela tells the extraordinary story of how a young woman s life beliefs prejudices everything she once believed were utterly transformed by the man she had been taught was the enemy It is the incredible journey of an awkward terrified young secretary in her twenties who rose from a job in a government typing pool to become one of the president s most loyal and devoted associates During his presidency she was one of his three private secretaries and then became an aide de camp and spokesperson and managed his office in his retirement Working and traveling by his side for almost two decades La Grange found herself negotiating with celebrities and world leaders all in the cause of supporting and caring for Mr Mandela in his many roles Here La Grange pays tribute to Nelson Mandela as she knew him a teacher who gave her the most valuable lessons of her life The Mr Mandela we meet in these pages is a man who refused to be defined by his past who forgave and respected all but who was also frank teasing and direct As he renewed his country he also freed La Grange from a closed world of fear and mistrust giving her life true meaning I was fearful of so much twenty years ago of life of black people of this black man and the future of South Africa and I now was no longer persuaded or influenced by mainstream fears He not only liberated the black man but the white man too This is a book about love and second chances that honors the lasting and inspiring gifts of one of the great men of our time It offers a rare intimate portrait of Nelson Mandela and his remarkable life as well as moving proof of the power we all have to change

work *Dare Not Linger* Nelson Mandela, Mandla Langa, 2017-10-24 A memoir of Mandela's time in office as the first president of a democratic South Africa completed and expanded with his personal notes and speeches I have discovered the secret that after climbing a great hill one only finds that there are many more hills to climb I have taken a moment here to rest to steal a view of the glorious vista that surrounds me to look back on the distance I have come But I can rest only for a moment for with freedom comes responsibilities and I dare not linger for my long walk is not ended In 1994 Nelson Mandela became the first president of a democratic South Africa From the outset he was committed to serving only a single five year term During his presidency he and his government ensured that all of South Africa's citizens became equal before the law and he laid the foundation for turning a country riven by centuries of colonialism and apartheid into a fully functioning democracy *Dare Not Linger* is the story of Mandela's presidential years drawing heavily on the memoir he began to write as he prepared to leave office but was unable to finish Now the acclaimed South African writer Mandla Langa has completed the task using Mandela's unfinished draft detailed notes that Mandela made as events were unfolding and a wealth of unseen archival material With a prologue by Mandela's widow Gra Machel the result is a vivid and often inspirational account of Mandela's presidency and the creation of a new democracy It tells the story of a country in transition and the challenges Mandela faced as he strove to make his vision for a liberated South Africa a reality Underneath the history that has been made there is a human being who chose hope over fear progress over the prisons of the past Even as he became a legend to know the man Nelson Mandela is to respect him even more Barack Obama A rare human being who in freeing himself of his demons also became free to give his extraordinarily leadership to his country and the world Bill Clinton A critically important document as the principal firsthand record of Mandela's tumultuous time in office and the often ingenious measures he took to bring about peace the book contains many such practical lessons in governance Essential to students of Mandela's political career as well as of modern African history Kirkus Reviews [Leading for Change](#) Jonathan Jansen, 2015-08-14 This book offers new theoretical ground for thinking about and transforming leadership and higher education worldwide Through an examination of the construct of intimacy and nearness including emotional spiritual psychic intellectual and physical closeness Jonathan Jansen demonstrates its power to influence positive leadership in young people He argues that sensory leadership which includes but extends beyond the power of touch represents a fresh and effective approach to progressive transformation of long divided institutions Considering richly textured narratives chapters explore complex intimacies among Black and White university students in South Africa post apartheid and in the aftermath of a major racial atrocity The stories reveal the students transformation in the process of leadership for change interweaving concepts of racism human relationships and intimacy and in turn expanding the knowledge base of social and institutional improvement This book explores how when different kinds of nearness come together in leadership change young people respond in ways that would not be possible through conventional instruments such as policy legislation and the appeal to moral sensibilities alone

Leading for Change will be critical reading for academics researchers and postgraduate students in the fields of education educational justice higher education educational leadership and change social and or racial justice This book will also be of interest to those working in the fields of anthropology social psychology and South African contemporary politics policy and institutional practices
